Judge O. W. Powers, says Chairman Judge O. W. Powers, says Chairman Martineau, is going to show the natives of Sait Lake just a trick or two about the real art of campaigning on Friday evening next. Witness these wherd facts. At 7:30 o'clock the faithful at the Twentieth ward amusement hall will hear the gospel of Democracy from the lips of Judge Powers. At 8:30 o'clock he is scheduled to begin talking to the labor vote assembled in Federa-tion hall. There is still more. At 9:15 the judge will open up on the natives of tion hall. There is still more. At 9:15 the judge will open up on the natives of the Sixth ward in a speech at the meetinghouse, and at 10 p. m. flat the final effort of the evening will be given. It comes off in the Ninth ward, and if these four speeches don't break the rec-ord, Judge Powers will try again. One shivers to think what will happen if the automobile breaks between talks.

There will be others on the program at each of the four rallies scheduled to open the campaign. In the Twentieth ward hall Fisher Harris, S. L. Richards and others will be heard after Judge Powers. In the Federation of Labor hall, Judge William H. King, James H. Moyle, Ashby Snow, and others will speak before and after Judge Powers. In the Sixth ward hall Phil S. Mav-cock, Frank B. Stephens and W. W. Ray will precede Judge Powers, and in the 'Ninth ward Judge King, L. R. Martineaù, Samuel Russell and John R. Clark will do the talking until the automobile comes.

A smoker at headquarters is scheduled by the Young Men's Republican, club for next Saturday night. County Chairman J. U. Eldridge, Jr., will be present as general overseer and a good time is promised all who attend.

### WESTERN MARKET LETTER.

Special Correspondence,

Kansas City Stock Yards, Oct. 15.—As expected last week's cattle receipts were the heaviest of the season at this point. The run was 86,000 head, in-cluding 13,000 calves. Large numbers of country buyers were here and the general market advanced 5 to 15 cents during the week Burn Loday is 23,000 during the week. Run today is 23,000 head, including 3,000 calves, market during the week. Run today is 22,000 head, including 3,000 calves, market strong, except on western cows and heavy calves. It is getting late in the season and most country buyers are about ready to lay in cattle for the win-ter's operations, so that a brisk demand from that source is assured for awhile. There is a shortage of hay in some localities, but as the corn crop is good nearly all over the feeling section, spe-cial pains is being taken to preserve the fodder wherever the hay crop is short. Continued high prices for hogs will insure a profit in feeding, even if cal-tic prices do not prove satisfactory. Stuff is coming from the range freely now, stockers and feeders mainly at 33 to \$3.30, killing steers \$3.40 to \$4.25, Colorado cows \$2.65 to \$3.20, panhandle cows \$2.25 to \$2.85, canners and buils \$2 to \$2.25, light calves \$4.75 to \$6.25, heavy calves \$2.25 to \$4. Sheep run was smaller last week, 37,600 head, market higher on killing lambs and on country grades of sheep, muttons uneven. Demand for breed-ing ewes is so great that packers are invariably outbid on ewes, whether thin or fat. Run is 15,000 today, containing a large share of feeders, market strong to 10 higher. Some 65-pound Utah lambs sold at \$7.55 today, the top on the gen-

Fair to good lambs range from \$7 upwards, yearlings up to \$5.65, wethers \$5.20, ewes today at \$5. Choice breeding ewes sold at \$5.60 last week, bulk of breeding ewes \$4.75 to \$5.25, feeding wethers and yearlings \$4.75 to \$5.50, feeding lambs \$0.89 to \$5.15. \$6.15.

I am pleased, Mr. Chairman, to be able to emphatically deny the assertion that any Democrat has shown himself so bigoted or marrowminded as to reest me to withdraw my name from he ticket.
