W. Darden, L. Clark, R. W. Simmons and C. L. Hunt reported a table embodying the sliding scales of Saratoga and the East, by comprising 50 mills throughout the Northwest, manufacturing wrapping

Northwest, manufacturing wrapping

Trushed to the door. It was lockpleting the scale for December, papers, met here to-day, and resolv ed on the outside; to the windows, January, February, March and April. Weights for two year-olds dition of the market, to shut down the ground! There was treachery I CARPETING,

April. Weights for two year-olds in races for atakes exclusively for them is 105 pounds from January 1st to May 1st, and 110 pounds for the remainder of the year. In races for this will throw 2,000 men out of stakes exclusively for three-year-olds, 110 pounds from January 1st to May 1st, and 118 thereafter. Five pounds allowance is made for heat races exclusively for two and three-was an ambush, reserving a serve as an ambush are served as a serv races exclusively for two and threeyear-olds. Among subjects of importance discussed was the adoption of a rule making reinstatement impossible after being ruled off the course. It was the most representative meeting of turfmen ever held in America. A general and strong sentiment was expressed in favor of stringent rules that will make frau!

During their vicit they have been investigating the Chinese question, both having voted in favor of the restriction act. Denster, interview ed by an Associated Press reporter on the speakership fight, declined to commit himself, declaring jokingly that like Tully, of California, he wanted to be on the winning side. He speke kindly of Carlisle.

Stout little one as a weapon of defense. Then I sat down, keeping my eyes on him. He lay cat-like, opening occasionally his drowsy eyes, sometimes giving his enormous head a shake. By degrees his aleepiness passed away, and with a frightful yawn he raised himself up and advanced towards me. PECK BROS. & CO. BRASS & PLATED WORK FOR WATER GAS & STEAM. sentiment was expressed in favor of stringent rules that will make frau i on the turf practically impossible.
The meeting will probably remain
in session several days.

Fraude, Failures and Fatalities. NEW YORK, 21.-Schedules o Nathaniel A Boyanton, dealer in ranges, heaters and furnaces, who made an assgnment in January 1.8', states his liabilities at \$413,000; actual asse's, \$2,700. Byanton failed through the insolvency of Al or zo Fottel, note broker. Hla liabilities are contingent and consist en-tirely of notes endorsed by him, and

which have by this time, probably been paid by other parties.

THE INVENTOR'S LOT.

A correspondent of the New York Tribune complains that Steele Staloff?' When I knew him he was Mackaye, who invented the double stage that has been such a source of His uncle left him this property profit to the profit is name. He wish has been such a source of profit to the profit is name. The New York, has reaped no profit "It I had only known it. The man hates me and sees me present myself at his dinner table. How soon can I get away?" agers, and made them vastly rich men, while the author of the play is a poor man. To these the Continent replies that the reason the inventor and author is poor is because he trusted the results of his genius to the mercy of these same plous managers, the Mallorys. If the contract they exacted could be pub lished, the secret would be perfectly plain to all. It exacts of Mackaye to the last farthing, and the utmost detail of performance, but concerning his reward it is so vague and misty that there has never yet been found a lawyer who could draw a ray of hope from it for the unfortunate author and inventor. This is quite ofk n the outcome of genius. The inven or more frequently than
