## Imitations and Substitutes

of Horsford's Acid Phosphate, that are dangerous to health, are in the market. Call for "Horsford's" and take no other.

**Hay-Fever.** I have suffered for the last ten years from Hay-Fever. I desire to testify in favor of Eli's Cream Balm. My short use of it demonstrated its efficacy. J. MAIDHOF, 401 Broadway, N. Y.

Ayer's Hair Vigor is safe, agreeable and beneficial. It is the most elegant, and its effects are very lasting, making it the most economical of toilet preparations. By its use ladies can keep their hair abundant and natural in color, lustre, and texture.

## Another Life Saved.

Mrs. Harriet Cummings, of Cincinnati, Ohio, writes: "Early last winter my daughter was attacked with a severe cold, which settled on her lungs. We tried several medicines, none of which seemed to do her any good but she continued to get worse, and finally raised large amounts of blood from her lungs. We called in a family physician, but he failed to do her any good. At this time a friend, who had been cured by Dr. Wm. Hall's Balsam for the Lungs, advised me to give it a trial. We then got a bottle, and she began to improve, and by the use of three bottles was entirely cured."

## ESTRAY NOTICE.

I HAVE IN MY POSSESSION:  
One span of work horses; one a light bay, star in forehead, branded L O on left thigh and H on right thigh.  
The other a brown, small star in forehead, brand resembling S on left hip. Both are shod all round and are badly collar marked. If not claimed, they will be disposed of as the law directs.

## Rev. Father Wilds' EXPERIENCE.

The Rev. Z. P. Wilds, well-known city, missionary in New York, and brother of the late eminent Judge Wilds, of the Massachusetts Supreme Court, writes as follows:

"78 E. 54th St., New York, May 16, 1882.  
MESSRS. J. C. AYER & Co., Gentlemen:  
Last winter I was troubled with a most uncomfortable itching humor affecting more especially at night, which itched so intolerably at night, and burned so intensely, that I could scarcely bear any clothing over them. I was also a sufferer from a severe catarrh and catarrhal cough; my appetite was poor, and my system a good deal run down. Knowing the value of AYER'S SARSAPARILLA, by observation of many other cases, and from personal use in former years, I began taking it for the above-named disorders. My appetite improved almost from the first dose. After a short time the fever and itching were allayed, and all signs of irritation of the skin disappeared. My catarrh and cough were also cured by the same means, and my general health greatly improved, until it is now excellent. I feel a hundred percent stronger, and I attribute these results to the use of the SARSAPARILLA, which I recommend with all confidence as the best blood medicine ever devised. I took it in small doses three times a day, and used, in all, less than two bottles. I place these facts at your service, hoping their publication may do good.  
Yours respectfully, Z. P. WILDS."

The above instance is but one of the many constantly coming to our notice, which prove the perfect adaptability of AYER'S SARSAPARILLA to the cure of all diseases arising from impure or impoverished blood, and a weakened vitality.

## Ayer's Sarsaparilla

cleanses, enriches, and strengthens the blood, stimulates the action of the stomach and bowels, and thereby enables the system to resist and overcome the attacks of all *Serofic* Diseases, Eruptions of the Skin, Rheumatism, Catarrh, General Debility, and all disorders resulting from poor or corrupted blood and a low state of the system.

## DANGEROUS SUBSTITUTES

## FOR

## HORSFORD'S ACID PHOSPHATE

Several inferior and dangerous "substitutes" for the genuine "Horsford's Acid Phosphate" are being offered for sale; and we hereby caution the dealers and public against buying or using them, as they will not produce the same effect upon the system as the genuine "Horsford's," and the ingredients in some of them are dangerous to health.

Some of these "substitutes" or imitations are simply Dilute Phosphoric Acid, which interferes with the digestion; while the genuine "Horsford's" not only causes no trouble with the digestive organs, but materially assists in their action.  
One preparation that is being offered for sale, by the gallon, contains Meta- or Pyrophosphoric Acid, which are declared by the highest authority to be **poisonous**. The same preparation also contains Chloric Acid, which is a compound of Chlorine. "Horsford's" contains neither of these ingredients.

These "substitutes" are liable to be found at soda fountains, because of their cheapness.

CALL for "HORSFORD'S," and TAKE NO OTHER. NEVER SOLD IN BULK.

## Ayer's Cherry Pectoral.

**COLDS.** "Orrville, Ohio, Sept. 10, 1882.  
"Having been subject to a bronchial affection, with frequent colds, for a number of years, I hereby certify that AYER'S CHERRY PECTORAL gives me prompt relief, and is the most effective remedy I have ever tried."  
JAMES A. HAMILTON,  
Editor of "The Crescent."

**COUGHS.** "Mt. Gilead, Ohio, June 26, 1882.  
"I have used AYER'S CHERRY PECTORAL this spring for a severe cough and lung trouble with good effect, and I am pleased to recommend it to any one similarly affected."

HARVEY BAUGHMAN,  
Proprietor Globe Hotel."
