

MINING, BUSINESS AND STOCKS.

MARKET WAS SLUMPY TODAY

Uncle Sam and Ajax Were Surprisingly Weak.

CARISA FIRM AROUND \$1.18.

Valco Active-Yankee Con. Traded In—May Day Declining—Vice for Strong.

The market was a little slumpy on the mining exchange this morning and with few exceptions prices were considerably weaker. About the only exceptions were Carisa and Victor. The former remained firm around \$1.18, while the latter sold up to \$1.50, opening at \$1.50. Uncle Sam presented a sorry sight when the brokers were through with it. Instead of selling at \$1.50, where it stood a few days, it fell away to \$1.24. A slight reaction to \$1.26 occurred at the close. Ajax led with Uncle Sam in giving cold feet to a number of speculators. From \$1.00 at which it sold at the outset, it fell away to 90¢, closing weak under \$1. May Day sold down to \$1.21½, while Lower Mammoth was traded in at \$2.50. Star Con. was traded in at \$1.40. Closing quotations were posted today as follows:
