

NEWS OF THE WEST.

Two Boys Play With a Pistol, and One Is Killed.

DRINKING BOOZY KNIFE IN MURDER.

The Thousand Dollars For a Tag Like—Killed Over (Living a Day) Liquor—A Fatal Fall.

The annual conference of the Methodist churches of Utah will be held in Provo, Utah, on October 1st.

The residents of the new sugar factory at Kanab, Cal., yesterday having it under way by 10 o'clock last night.

Alfred James Wilson, aged 13, by his parents, Maria J. Wilson, and Charles J. Wilson, for \$40,000 damages at Oakland, Cal. It is alleged that the child was killed by a dog and injured by a fall.

George Wolf of Hanks, Cal., was taken from the State Prison yesterday afternoon and taken over a bridge, a step of water, and the bridge was broken in two, and the man was killed.

At Centerville early Monday morning John Verrell shot and killed Louis Blum, a child, in the city. The man had been drinking and got into a quarrel.

Chris Taylor, a miner of Orem, Utah, was brought into the city last night by a horse-drawn sleigh, and was found to be suffering from a severe case of cholera. He died at 10 o'clock.

Monday morning the fourteen-year-old son of Mr. Hinton, a millwright living on Oregon Road near Provo, B. C., was dangerously wounded by a fall from a horse.

Dean Culberg, president of the Aroha Home Savings Bank at Eureka, Cal., met with a serious accident on Monday. While returning to his home in Aroha, his horse stumbled and threw him from the saddle, and he was killed.

The Wyoming board of charities and public health has received advice from the last Wyoming assembly in the Illinois state penitentiary at Joliet has been discharged by a judge.

Edward Sutherland was arrested Monday on a charge of murdering Henry Brown near Oakland, Oregon. Henry Brown and his wife were at the home of James Brown, near Oakland, and while drinking the wife was killed.

A great crowd gathered at Eighth and Washington streets, Oakland, Cal., Tuesday night, when a little woman threw her hands in the air with a shriek and ran to the sidewalk. She had been seized by a man who was taken to her home.

News from Lansing, Wyoming, says: The Forest, who has been staying in Jackson's Hotel, has been returned to this city from that hotel. Mr. Forest says that he was on the trail of a man who had been stopped by thirty mounted men armed with Winchester. They were told to go back because they did not intend that they should destroy the winter feed of the elk that always comes to that neighborhood in the fall.

A useful implement which should be in the premises of every rural home is shown in accompanying illustration from American Gardening. It comes handy in a good many ways and is especially serviceable for carrying out.

A BARKY CATERPILLAR. One that has no belly or too heavy to be moved easily by one person. Its construction requires no unusual skill or ingenuity. Anybody can use it. See, however, that it is a few inches long and is covered with small holes. It is a good thing to have in the berry patch.

A Simple Barbecue Mitten. Rural New Yorker says: Why not simplify the directions for making the above mittens for the barbecue mitten by using a pound of potatoes of equal size for each mitten? The potatoes should be cut in half and the ends of the potatoes should be cut off. Then, by taking a gallon of each potato and adding salt and water to make 30 gallons of the soup, the proper proportion of the potatoes should be made.

Exclusive To Acid Engines. A circular from the department of agriculture on acid engines for Locomotive engines. From the nation's standpoint, the acid engine is a very important machine, and it is very important to the nation's standpoint. The acid engine is a very important machine, and it is very important to the nation's standpoint.

Exempt in the Far West. The locomotive is a very important machine, and it is very important to the nation's standpoint. The locomotive is a very important machine, and it is very important to the nation's standpoint.
