## THEY CAN'T DO IT.

We understand that some physicians are crying out against HALE'S HONEY OF HOREHOUND AND TAR to their patients, telling them that it will do them no good, and endeavoring in every way possible to injure the sale of the same; but that cry comes too late, as the people of this city and country have learned by experience that this article is a certain cure for Coughs, Colds, Influenza, Hoarseness, Difficult Breathing and all affections of the Throat, Bronchial Tubes and Lungs, leading to Consumption; and that instead of having to pay their physicians \$2 to \$5 for advice and prescription, and then paying their druggist for putting up the same from fifty cents to \$1, they can go to any drug store and get a bottle of Hale's Honey of Horehound and Tar for the small amount of fifty cents, which is sufficient to cure any ordinary cough or cold, and \$1 size will annihilate the worst cases. Sold by all druggists.

## BENEFACTORS.

When a board of eminent physicians and chemists announced the discovery that by combining some well known valuable remedies, the most wonderful medicine was produced, which would cure such a wide range of diseases that most all other remedies could be dispensed with, many were sceptical; but proof of its merits by actual trial has dispelled all doubt, and to-day the discoverers of that great medicine, Hop Bitters, are honored and blessed by all as benefactors.

Two Indians, named respectively Shiprus and Tabby, of Skull Valley, made final proof on their homesteads Saturday. Those are the first of their race to perfect their title to land in this territory. It is said that quite a number of Indians will make their final proof the coming summer, Messrs. S. W. Darke & Co. are engaged to make out the necessary papers in these Indian matters. George H. Hill, of this city, and Wm. Lee, of Gransville, act as the interpreters. s & w l tea
