LOCAL AND OTHER MATTERS.

TWO DAILY MEETINGS AT OGDEN.—There will be public meetings held at the Lyceum in Ogden on Saturday and Sunday next, the 3rd and 4th of June, commencing at 10 o'clock on Saturday morning. It is expected that the first presentation, several of the Twelve and other speakers will be present.

THE BROWNS.—Remember the benefit of Mr. and Miss Coudlock to-night; their appearance will be one.

THEATRICAL.—It is unnecessary for us to comment upon the acting of Mr. and Miss Coudlock, in "The Willow Copse," last evening, and criticism is out of the question. They are perfect in their respective roles, in this fine drama, and we have before expressed our views with regard to their unsurpassable playing.

WANTED.—A SITUATION AS A GARDENER, by one who is English, who understands his business from 10 to 12 o'clock. 1817 W.

QUANTITY VS. QUALITY.—DOOLLEY'S YEAST POWDER stands pre-eminent in market as being the only Baking Powder that is free from injurious substances. Not only this, but each package contains the full quantity represented, while the quality is far superior to all others. Doolley's Yeast Powder will produce from twenty-five to fifty per cent. more good bread, rolls, biscuits, pastry, etc., than those of other manufacturers, while it is always convenient to have in the house, and is reliable and economical. If you have not tried it, ask for it at your Grocer's and take no one else.
