EVENING NEWS.

Wednesday, November 1, 1876.

NATURALIZATION.

SEC. 2165. An alien may be admitted to become a citizen of the United States in the following manner, and not otherwise:

First. He shall declare on oath, before a circuit or district court of the United States, or a district or supreme court of the Territories, or a court of record of any of the States having common-law jurisdiction, and a seal and clerk, two years, at least, prior to his admission, that it is bona fide his intention to become a citizen of the United States, and to renounce forever all allegiance and fidelity to any foreign prince, potentate, state, or sovereignty, and, particularly, by name, to the prince, potentate, state, or sovereignty of which the alien may be at the time a citizen or subject.

Second. He shall, at the time of his application to be admitted, declare, on oath, before some one of the courts above specified, that he will support the Constitution of the United States, and that he absolutely and entirely renounces and abjures all allegiance and fidelity to every foreign prince, potentate, state, or sovereignty; and particularly, by name, to the prince, potentate, state or sovereignty of which he was before a citizen or subject; which proceeding shall be recorded by the clerk of the court.

Third. It shall be made to appear to the satisfaction of the court admitting such alien that he has resided within the United States five years at least, and within the State or Territory where such court is at the time held, one year at least; and that during that time he has behaved as a man of a good moral character, attached to the principles of the Constitution of the United States, and well disposed to the good order and happiness of the same; but the oath of the applicant shall in no case be allowed to prove his residence.

Fourth. In case the alien applying to be admitted to citizenship has borne any hereditary title, or been of any of the orders of nobility in the kingdom or state from which he came, he shall, in addition to the above requisites, make an express renunciation of his title or order of nobility in the court to which his application is made, and his renunciation shall be recorded in the court.

Fifth. Any alien who was residing within the limits and under the jurisdiction of the United States before the twenty-ninth day of January, one thousand seven hundred and ninety-five, may be admitted to become a citizen, on due proof made to some one of the courts above specified, that he has resided two years, at least, within the jurisdiction of the United States, and one year, at least, immediately preceding his application, within the State or Territory where such court is at the time held; and on his declaring on oath that he will support the Constitution of the United States, and that he absolutely and entirely renounces and abjures all allegiance and fidelity to any foreign prince, potentate, state, or sovereignty, and, particularly, by name, to the prince, potentate, state, or sovereignty whereof he was before a citizen or subject; and, also, on its appearing to the satisfaction of the court, that during such term of two years he has behaved as a man of good moral character, attached to the Constitution of the United States, and well disposed to the good order and happiness of the same; and where the alien, applying for admission to citizenship, has borne any hereditary title, or been of any of the orders of nobility in the kingdom or state from which he came, on his, moreover, making in the court an express renunciation of his title or order of nobility. All of the proceedings, required in this condition to be performed in the court, shall be recorded by the clerk thereof.

Sixth. Any alien who was residing within the limits and under the jurisdiction of the United States, between the eighteenth day of June, one thousand seven hundred and ninety-eight, and the eighteenth day of June, one thousand eight hundred and twelve, and who has continued to reside within the same, may be admitted to become a citizen of the United States without having made any previous declaration of his intention to become such; but whenever any person, without a certificate of such declaration of intention, makes application to be admitted a citizen, it must be proved to the satisfaction of the court that the applicant was residing within the limits and under the jurisdiction of the United States before the eighteenth day of June, one thousand eight hundred and twelve, and has continued to reside within the same; and the residence of the applicant within the limits and under the jurisdiction of the United States, for at least five years immediately preceding the time of such application, must be proved by the oath of citizens of the United States, which citizens shall be named in the record as witnesses; and such continued residence within the limits and under the jurisdiction of the United States, when satisfactorily proved, and the place where the applicant has resided for at least five years, shall be stated and set forth, together with the names of such citizens, in the record of the court admitting the applicant; otherwise the same shall not entitle him to be considered and deemed a citizen of the United States.

SEC. 2166. Any alien, of the age of twenty-one years and upward, who has enlisted, or may enlist, in the armies of the United States, either the regular or the volunteer forces, and has been, or may be hereafter, honorably discharged, shall be admitted to become a citizen of the United States, upon his petition without any previous declaration of his intention to become such; and he shall not be required to prove more than one year's residence within the United States previous to his application to become such citizen; and the court admitting such alien shall in addition to such proof of residence and good moral character, as now provided by law, be satisfied by competent proof of such person's having been honorably discharged from the service of the United States.

SEC. 2167. Any alien, being under the age of twenty-one years, who has resided in the United States three years next preceding his arriving at that age, and who has continued to reside therein to the time he may make application to be admitted a citizen thereof, may, after he arrives at the age of twenty-one years, and after he has resided five years within the United States, including the three years of his minority, be admitted a citizen of the United States, without having made the declaration required in the first condition of section twenty-one hundred and sixty-five; but such alien shall make the declaration required therein at the time of his admission; and shall further declare, on oath, and prove to the satisfaction of the court, that, for two years next preceding, it has been his bona-fide intention to become a citizen of the United States; and he shall in all other respects comply with the laws in regard to naturalization.

(TO BE CONTINUED)

TO CALIFORNIA.

We don't give this for *au fait accompli*, but it is very strongly rumored that Cedar Rapids is to be the *half-way* station between Chicago and Council Bluffs.

If this is to be, and some experiments have been made to that end, we suppose it is on account of the superior condition of the road. A trip on the steel railed and well ballasted road, is not any more now, if as much, wear and, tear on the employes and machinery to a train, from Chicago to Cedar Rapids, 218 miles, as it was on the iron rails from Chicago to Clinton, 138 miles, in the olden time.

It is not necessary for us to say that the C. & N. W. R'y is a first-class road in every particular, that it rides as easy as sitting in a "rocking chair," that its coaches are parlors, that its employes are the most polite and affable gentlemen the traveling public can meet or will meet in a lifetime of travel—the *esprit de corps* of the employes, if we may so say, is at a high standard; we say we need not say this in a newspaper, it is self evident to every traveler on the road. *But in the future these are to be increased; we suppose the speed will be increased as possible, the superb trains will be more superb; there is to be no train more complete, either for comfort or safety, leave the world's commercial metropolis for the* GOLDEN GATE, THAN THE GREAT TRAINS ON THE CHICAGO & NORTH-WESTERN RAILWAY—THE ONLY COMPANY RUNNING OUT OF CHICAGO THAT HAS A ROAD SO RELIABLE THAT THEY ARE NOT AFRAID TO RUN AT ANY SPEED CAPABLE OF BEING ATTAINED BY ENGINES OF THE MOST IMPROVED CONSTRUCTION, RUN WITH THE HAND OF IRON NERVE, AND A HEAD OF BRASS, WITHOUT ANY FEAR OF ACCIDENT OR INCONVENIENCE.

Every employe on the road feels a personal interest in the North-Western Railway; it's the "eclipse" road in the West, and so far as anything he can do it will continue so to be.

THIS IS THE TRANS-CONTINENTAL LINK FROM THE GREAT LAKES TO THE GREAT MISSOURI RIVER.

The old time traveler speaks in high glee of the "ease and comfort" of these days of steel in contrast with the pioneer days of this pioneer road in the days of iron. *The comforts of travel on the North-Western Railway are in every traveler's mouth from the Atlantic to the Pacific.* It must be a proud compliment to the efficient management, and that is the reason every officer or employe feels so happy and obliging.

It is with pride we mention these things, and join the general shout along the line, Harrah for the "OLD RELIABLE."—*Cedar Rapids Republican, Aug. 14, 1876.*
