COMMERCE COMMISSION.

pressing themselves to the effect that they would rather have the so-called Will Render an Early Decision on Important Cases.

will present their mystifying entertain-ment at the Salt Lake Theater Monday New York, Dec. 27 .- A dispatch to the urnal of Commerce from Washington, and Tuesday evenings next. Ralph E. Cummings, accompanied by

the State University; he was born and raised in this ward, and is well known The inter-state commerce commission his stock company, will reach this city tonight, and will at once begin active preparation for the opening of the sea-son at the Grand on January 7th vill render as early a decision as possible on the important cases before them in regard to the difference in charges on oad lots and on fractions of a car-April 15, when the final testim in the arrangements made by Manager Kaliman, and it was found that the company could not leave Chicago at the will be taken. It is expected that the arguments will immediately follow and that the issues involved can then be taken up by the commission. The case has attracted widespread attention among railway men and shippers be-East, straightened out the trouble and started West with his company on a ause of the novel points involved. The issue is made principally by a leading hardware company of St. Louis, but has the support of the "Business men's league of St. Louis." It involves a considerable class of hardware and grocery shipments, in which St. Louis firms come to conflict with New York firms and with the jobbers on the Pa-cific coast. The main contention of the ore legally expose ourselves so as to have the smallpox in peace?' Thus avoiding the afflictions of cancer, criped arms, blood-poisoning and other St. Louis shippers is that there should not be so wide a difference as at pres-C. S. Caraway Passed Three Bogus effects that so frequently accompany improper vaccination, with the probaent between the rates on carload lity of having the prevailing disease of their goods and smaller lots. The difference amounts in some cases to Now, then, a word with reference to nearly 100 per cent.-The rate per 100 pounds in small lots amounting to nearthis city representing himself to be he establishment of that place called e isolation hospital, near the main a chemist and assayer of the expert ly twice the rate on carload lots. The freight rates between the two variety. He gave his name as C. S. ummit and Wasatch countles. It is a eli known fact that a south wind is oceans are involved, because of the uni-formity of rate on carload lots from New York to San Francisco and from St. Louis to San Francisco. The re-markable fact that the New York rate is no higher than the St. Louis rate, in Caraway. He is non est now, and the police are looking for him. He was last the prevailing one in this valley, and is the road just mentioned lies directly seen Sunday evening, and it is beas the total just mean line of the difference of the pest house, it can be read-ly seen that the wind will carry the disease to the passerby. The road con-recting this city with Mill Creck Bench s so close that people sometimes stop here wants and append in comparison lieved that he has with him \$30 which he secured by means of three forged checks. He is accused of forging checks on W. F. Snyder of Alta, which he cashed at Joe Hannick's saloon on Commercial street. The fact that the check was not good was not discov-ered until Monday. Then, Hannick sold that Caraway eached the cashed is no higher than the St. Louis rate, in spite of the thousand miles or more of difference in distance, is due to the water competition around Cape Horn. The complaint is made by St. Louis shippers that they cannot ship retail heir wagons and engage in conversa-ion with the inmates of the place. Then the inmates walk up and down the rail road track wher the trains pass and consignments to patrons in the Rocky mountain district so cheaply as carload where many other people also have oc-casion to pass. While the railroad was lots can be shipped to San Francisco jobbers and shipped by them east in small lots to their local patrons. This gives the New York shippers, according been signed by Mr. Snyder. being broad-gauged the laborers con-stantly passed by and engaged in con-versation with the inmates of the place, the St. Louis line of argument a diswhich the board of health claims is

No Combination.

tinct advantage.

The pest house stands on the bank of Farley's canyon creek, part of which runs into the Kennedy ditch, which fur-nishes water to the people of this pre-cinct. If there is great danger as the board of health claims, from this dis-case, why in the world is not some step Montreal, Dec. 27 .- A. G. Shaughnesy, president of the Canadian Pacific allway, when shown the report asserting that a combination is under way by which the Canadian Pacific, Northaken which will prevent its germs rom being distributed all over the disern Pacific, Erie, and Chicago, Milwau-kee and St. Paul would work in harthus forming a new line from Another thing: Several old pest use buildings were recently form New York to Vancouver, said:

"While there is the best of feeling beown and adobies, lumber and other aterial taken from them were hauled tween all the roads mentioned and the Canadian Pacific, there is no combination of any kind. The roads mentioned own to and piled on the same acre of nd that our central school is lomay work more harmoniously in the future than in the past, as it is in their interest to do, but there is no truth in ated upon; and that, too, while about hundred pupils were attending of in that building. The children red upon and around this material he story of a combination and a new trans-continental railway."
