

Sept. 25, 1892.

FLOATING FRAGMENTS.

Provo is in the midst of a building boom. Stake Priesthood meeting next Saturday.

Julius H. K. Williams, of Ogden, is in town.

Home missionary meeting next Wednesday evening.

If you are a citizen, male or female, and belong to the People's Party, attend the primaries to-night.

All citizens of the People's Party, have a right to participate in the proceedings of the primaries to-night.

We received a friendly call to-day from Bishop Richard J. Taylor, Bishop Hunter's agent for Weber Stake. He is down from Ogden on business.

Pleasant Grove fruit growers are furnishing Provo folks with peaches and apples. The latter town fell victim to account of late frosts in the spring.

In our issue of the 15th inst. we reported that an accident had befallen Jacob Isker, of Providence, by getting between two logs in Beaver Canyon. This young man died this morning from the effects of his injuries. His demise is deeply regretted by family and friends.

Deputy Registrar Gehl, on being questioned as to what his course would be in regard to those ladies who he registered under protest, soon that the writ of mandamus has been refused by Judge Twiss, says that he will now await instructions from the Commissioners before taking further action in striking the names off the list.—Beaver Union.

LOCAL AND OTHER MATTERS.

Home Mission.—The regular meeting of the home missionaries of this Stake will be held in the Council House on Wednesday evening, the 27th inst., at 7 o'clock.

W. W. TAYLOR, Clerk.

From the North.—Brother Andrew Jensen, editor and publisher of *Mormonism*, returned on Friday night from a trip through the northern settlements, including Bear Lake Valley. He made a very successful tour in the interest of his paper.

A Shot in the Dark.—On Saturday as Eli Price was on his way to his home in the Fourth Ward, and when on Fifth South Street, near the Walker residence block, a man fired a shot at him. Mr. Price gave the would-be assassin chase, pursuing him the distance of a block south, but he escaped.

Priesthood Meeting.—In view of the first Saturday in October occurring during the time for holding the General Conference of the Church, the Quarterly Priesthood Meeting of this Stake will be held on Saturday, September 30th, at 11 a.m., in the Salt Lake Assembly Hall.

W. W. TAYLOR, Clerk of the Stake.

Utah County Convention.—At the Utah County Convention held at Provo City, on Saturday, Sept. 23d inst., the following delegates were chosen to the Territorial Convention of the People's Party, to be held at Salt Lake City, October 8th: J. C. Graham, Jas. Dunn, W. N. Danbury, Wm. Cree, J. S. Boyer, R. R. Thurman, B. W. Briggs, J. S. Page, John Devey.

The Benefit Concert.—At the concert for the benefit of the Deseret Sunday School Union, the Tabernacle will be illuminated with eight electric lights. Four hundred children will sing, accompanied by the great organ and a selected orchestra. There will be songs and duets by Sisters Olsen and Druce, and Brother Evan Stephens. With a view of giving a greater number of Conference visitors an opportunity to attend, Saturday Oct. 7th, has been decided upon, as the night on which the affair will come off.

Congregational Singing.—At the Sunday evening service in the Fifth Ward, the custom of having the congregation join in the closing songs has been adopted, and is a very pleasing feature of the exercises. The example might be emulated by the other wards. The singing service is a portion of the general worship, and the congregations should, during a portion of the proceedings, participate in it. The choir of the Fifth Ward is an excellent one, having been ably trained by Brother Thomas C. Griggs, whose musical ability is well known, and the congregational participation in rendering one of the hymns heightens rather than detracts from the vocal harmony, produced by the chorists during the meeting, by introducing a striking variety.

The Primaries To-Night.—In each of the city precincts, at seven o'clock to-night, primary meetings will be held for the purpose of electing delegates to attend the County Convention to be held on Saturday.

The First Precinct includes the 1, 2, 3, 8, 9, and 10th Wards, meeting place 9th Ward Schoolhouse. Number of delegates to be chosen, eight.

Second Precinct—4, 5, 6, 7, 14 and 15th Wards; place of meeting, County Court House; delegates, 11.

Third Precinct—16, 17, and 19th Wards; meeting place 16th Ward Schoolhouse; number of delegates, eight.

Fourth Precinct—18, 20 and 21st Wards; place of meeting, 20th Ward Schoolhouse; number of delegates, eight.

Fifth Precinct—11, 12 and 13th Wards; meeting place, City Hall; number of delegates, nine.

All citizens of the People's Party, male and female, are requested to attend and participate in the proceedings of the Primaries, that the proper kind of delegates may be selected to represent the people at the convention.

A Rough and Tumble Fight.—A gentleman named McCarty is the lessee of Dudley's Brewery, at the mouth of Parley's Canon. There was a disgraceful melee there last night. Mr. McCarty was in town to-day and tells a story of the occurrence. According to his statement a party named William A. Allison, familiarly known as "Cast Iron Jack," made an assault upon him with a pistol, and tried to shoot him. Mr. McCarty seized the weapon, which was discharged in the struggle, the assaulted party coming very near receiving the bullet in his leg.

Subsequently Mr. McCarty entered the house to pacify his wife, when the "Cast Iron" individual leveled his pistol at that lady. This was too much for Mr. McCarty, who went out with a rock in his hand, grasped the weapon, when the hammer fell on his finger. A desperate struggle ensued for the possession of the pistol, the course of which Allison got badly beaten with the rock. Other parties who were present took sides and there was a regular rough and tumble fight for a while. The parties who participated, had not, at last accounts, been arrested.

The Home Dramatic Club.—This company, which has not appeared for some time, comes to the front with an announcement of the bill of attractions they have prepared for the coming Conference. The dates secured by the Club are the 5th and 6th of October, and on the first night will perform the play, *Miss Chester*, will form the attraction. On the same evening we notice that the Club will try its hand at the farce, the very laughable sketch of Box and Cox having been selected for Messrs. Wells and Spencer in the title roles.

The first night of Conference, the 6th, the Club will revive one of the grandest of modern plays, "The Two Orphans." It was in this drama while supporting Miss Adams, that the members of the Home Club achieved the success which prompted the present organization of the well known Dramatic Company. We notice in addition to the other features in this drama that Miss Agnes Olsen and Miss Nellie Druce, will sing a duet, written for the occasion by Mr. Evan Stephens.

Confessions.—To-day we received a pleasant call from Mr. J. C. Neemes, member of the firm of John C. Neemes & Co., manufacturing Confectioners of Michigan Avenue, Chicago. This house has been doing a very extensive business in this line for many years; with the principal business firms of this country, and the purity of their Candles and everything in the Confectionery line of their manufacture is established by those who have sold their goods. Theirs is one of the largest houses of the kind in Chicago, and has a large business connection in the West. We learn from Mr. Neemes that he has been unusually successful on his present trip. We hope his visit to the Territory will prove equally profitable. It will remain in town several days and is staying at the Walker House. The business card of the house will be found on our first page.

"Hazel Kirke."—This extremely popular play will be produced at the Salt Lake Theatre on Friday and Saturday evenings next also at Saturday matinee by the original Madison Square Theatre Company. Our people know so much of this peerless play that has now had a continuous run of over 1,750 consecutive performances, that any detailed account of it would seem unnecessary. Our people patronize "Hazel Kirke" liberally on the two previous occasions that it was played here and it is supposed that the present engagement, which is a farewell one, will be well attended. The box office for the sale of reserved seats will be open on tomorrow (Tuesday) morning at the Theatre, when seats can be secured without extra charge.

Home from England.—On Saturday we had the pleasure of meeting with Elder William Cooper, of this city, who had charge of the company of immigrants that arrived on Thursday. He left home in August, 1890, and during the whole time he was in England he labored in the Sheffield Conference, the first part of his mission as Traveling Elder and the latter portion as President of the Conference. A good work was done in that field. During the first half of the present year over 40 new members were baptized, and more proportionately since the expiration of that period. We take pleasure in welcoming Elder Cooper to his home after performing a faithful mission.

Buggy Turnover.—Yesterday as Mr. Arthur Day and wife were driving toward the city from Fort Douglas, the back-trap of the harness broke. The road being steep the horse was unable to hold back the vehicle. Mr. Day suddenly turned the animal's head, when the whole outfit rolled into a ravine, the occupants of the buggy being upceremoniously dumped out upon the ground. Both were badly bruised and shaken, but an examination by Dr. Williams developed the fact that no bones were broken.

Fire in Sugar House Ward.—Yesterday a fire started in the homestead of the late Elder Jacob Gibson, in Sugar House Ward, and before the flames could be extinguished damage to the amount of about \$1,500 was done, a loss which falls very heavy upon the proprietors of the place. The barn, containing 200 bushels of wheat and other grain, stable, this year's crop of hay, two horses, harness, wagon, corn sheller and other property were consumed. The fire Brigade of the city were out and did good service.

Unwelcome Intelligence.—We regret to learn from information received in this city, that a little child of Hon. John W. Young's daughter, recently ill from smallpox, in San Francisco, and that the gentleman himself and the members of his family with him are in quarantine, on account of having been exposed to contagion with the disease.

Delicate Operation.—Yesterday Robert Hall, of the First Ward, who almost entirely lost his sight from the effects of an accident at the Utah Central R. R. shops, some time since, was operated upon by Drs J. M. Benedict and R. B. Pratt. We understand there is a prospect of the unfortunate man's sight being regained.

Death of a Veteran.—By telegram from Brother Neph Johnson to Elder L. John Nuttall, we learn of the death, at his home, at Johnson, Kane Co., at 6:20 p.m., yesterday, of Father Joel E. Johnson, one of the oldest members of the Church. He was much respected for his unflinching integrity to his honest convictions. The funeral will take place to-morrow.

Dental.—The dental rooms on Tenth East Street, a block South of the 11th Ward street car track, are visited every day by large numbers of people. Dr. Van Auker has added to his facilities for furnishing full or partial sets of teeth at very low prices by a fine little steam engine which runs his machinery, and he is able to turn out work with great rapidity. He intends visiting Ogden after Conference, but meanwhile will continue to receive patrons at his present place of business. See special notice.

Salt Lake Theatre.—To-night, for the first time in this city, the much-talked of drama of "Old Shipmates," will be presented at the Salt Lake Theatre. It was lately performed at Leadville, Col., and this is the way in which a paper of that place speaks of it:

At last the comedy-drama of Robert Griffin Morris, entitled "Old Shipmates," has been given to a Leadville audience, and judging from the reception accorded it last evening, Leadville displayed as much appreciation of the excellent performance as any other city in which the piece has been produced. The house was crowded, and the plot of the play is calculated to make an indelible impression on all whose good fortune it is to witness it. The various characters are natural and the impersonations do their work so well that an interested audience in the very first act loses sight of the acting, and looks only on the stage to watch the progress of an interesting history. To add to this pleasure, there is a vein of humor running through the play that relieves one of the anxiety that would otherwise be experienced in waiting to see that justice is done an orphan girl.

In looking at Frank Mordant as a jolly, good-natured old man, realistic does he play the part that many of his audience almost failed to connect him with the stern tragedian who years ago held metropolitan houses spell bound by his gigantic productions. Captain Marlowe Weatherage of the *Aurora Borealis*, and Othello surely are calculated to show the versatility of the gentleman's talent.

The playing of the actors of the other characters is spoken of with almost equal enthusiasm.

SPECIAL BUSINESS NOTICES.

VAN AUKEN DENTAL INSTITUTE!

The enormous business of Dr. Van Auker is accounted for by his low figures for the best teeth manufactured. He now has the most improved machinery run by steam, and can turn out fifty sets a week. He will soon enlarge his premises, keep all kinds of dental stock and instruments, and give instructions in dentistry. His skill has become as widely known as his reasonable charges. Inquire on 10th East Street, one block south of 11th Ward car track.

An evening class in Telegraphy will commence at 7 p.m. on Monday, October 2nd. Ten cents per person. Opposite 14th Ward school.

Dr. R. J. Kendall & Co.—Gentlemen:—I have a very fine mare that has had a bone spavin a long time. I tried every thing man could devise to cure it, but all in vain, and was about to give it up when a friend of mine in the city came to me and recommended Kendall's Spavin Cure, which I tried with grand results, removing that bone clear and clean. Then I sent 25 cents to you for one of your illustrated horse books, and I think there is no better book printed on the horse and his diseases. I have taken great interest in it, and have since sold eighteen copies for you to my neighbors, and will try and do what good I can by getting them for others. Yours truly, G. W. MILLER.
