WHY MRS. FOSTER IS IN UTAH NOW.

Thinks the State Can Be "Won Back to Republicanism."

WILL BE A BIG FIGHT HERE

Mrs. Foster Says That is the Occasion for Her Presence in Salt Lake—Other Political News.

The well known political lecturer, Mrs. J. E. Foster of Washington, D. C., reached the city today, coming in from Chicago. When seen this afternoon, the lady said she was in Utah at the request and under the direction of the National Republican committee.

"I have been given," said she, "the States of Kansas, Colorado, Utah, Idaho, and South Dakota, which I will stump for McKinley. I feel that in Utah there is a battle, but it was for that purpose I was sent west."

Mrs. Foster further said that she could not tell as yet just how much of her time would be devoted to Utah. She was in communication with Senator Shoup of Idaho, and her itinerary would be arranged in a few days.

Mrs. Foster was of the opinion shared, she said, by the national committee, that the State of Utah could be won back again to the Republican cause. And to that end she was going to add her voice to the many others coming here from the East.

During the morning, National Committee men, C. J. Salisbury and other Republican leaders called on her at the Knutsford, where she has taken up her quarters.

CHOSEN CHAIRMAN.

Judge Burton Decided Upon by the State Democratic Committee.

The State Democratic committee met at headquarters at 4 o'clock this afternoon and unanimously decided to tender the office of State chairman to Judge John W. Burton, law partner of Congressman King. Judge Burton was notified by telephone of the committee's action and will give his answer at 7 o'clock this evening. It is the general belief that the judge will accept the honor and enter at once upon the duties of the office.

Joseph Cohen, who for years past has been the committee's secretary, was unanimously re-elected to that position.
