

A PICNIC EVERY WEEK

At home on wash day by using the

STERLING WASHED.

All the horrors of wash day transformed into a real pleasure for it is really a picnic to run one of these machines. A little child can easily run it. So much has been said about the merits of Washing Machines that we do not wish to multiply words in praise of this, but only ask you to call on us and we will show you how, when you will be convinced of its superiority. We are selling more STERLING WASHERS than any we have ever handled.
