He is charged with having lived with two .wives.

Cold,

A correspondent writing from Scofield, Emery County, gives an account of the cold weather in that section. He says that on Saturday night coal oil freze in the lamps, and at 6:30 p.m. on that day the thermometer indicated 50 degrees below zero at the mouths of Mud Creek and Winter Quarters Cañon.

Joint Meeting.

There will be a joint meeting of the Mutual Improvement Associations 'of the Twentieth and Twenty-first Wards in the school-house of the former, on Thursday evening, January 19th, to open at half-past seven. An interesting programme has been prepared for the occasion, which will doubtless be interesting. A general invitation is extended to all who wish to attend.

Edward Callister Dead.

At 6 o'clock last evening, Edward Callister, of the Seventh Ward of this city, breathed his last. He was sixty-four years of age, and for more than a year past his health has been gradually failing, though his death was not expected so soon. He was a tailor by trade, and as been a resident of this city for over thirty-five years. One of up and badly frightened, but no one his sons is now in Wyoming, and as was hurt. One of the cars was somesoon as he can be communicated with the date of the funeral will be fixed. what badly damaged, having its plat-form splintered to a considerable ex-tent.-Oyden Standard, Jan. 17.

The committee, who are actively engaged in the furtherance of the art drawing, are Mrs. Reading, W. C. Morris, George M. Ottinger and Harry Spuires. Tickets, which are placed at five dollars each, are now being dis posed of, and doubtless the affair, largely on account of its beneficient object, will be successful. Each ticket will draw a prize. The lowest value of any art specimen will be \$2.50, and they will range all the way up to 50 00.

Supreme Court. In the Territorial Supreme Court to day all of the justices were present, and sent on the stand, High Councilor the following business was taken up:

An Accident.

Yesterday morning a C. P. passenger train was passing along the track to-

wards the depot offices from the north, order There was some further discussion, and the ruling of the Speaker was sus-tained by vote of the House. in this city. As the baggage and mail cars wer: passing the tracks which come together with the C. P. track at that point, and form a cow's foot, an engine which was running on the other track, and which was being tempor-

tained by vote of the House. Considerable debate followed upon the proposition to furnish county and precinct officers with copies of the laws. Originally these officers had been excepted from the free distribu-tion, though they were least able to purchase the books. Hoge and Richards advocated a gen-eral distribution of the laws to be held as property of the public offices. King approved this, and wanted the county courts to purchase the books for the use of county and precinct arily managed by its fireman, became unmanageable. To bystanders it seemed as if the -locomoulve subdenly jumped forward as if enraged. for the use of county and precinct officers. He considered that this gra-tuitions distribution was not properly gine struck one of the cars, and had its steam chest knocked in and then proceeded to strike the other car. It belonging to the ferritory. Richards said it made no difference to him, so long as the officers got the tilted both cars up on their sides, and in that position, both bodies stopped. The occupants of the cars were shaken Ferritory, it should bear its own bur-

ference committee.

An amendment to include county and precinct, as well as all other officers was ado, t:d. The bill as amended was then

Hege introduced a bill for an act in relation to divorce, for the more effec-tual protection of the lawful wife and to aid in the suppression of polygamy and polygamous practices. He asked that it be ref. rred to the committee on judiciary. He thought it would be ac cepted by all political parties, as it was in line with the recently adopted state constitution. Before a combehalf of gentlemen students, constitution. R-ferred to the committee on judiciary. Clark introduced a bill for an act amending section 388, chapter 1, Title IX, of the laws of 1878, providing for ball as a matter of right in all cases where the imprisonment for the off-nee does not exceed five years, and as a matter of discretion in all bac Patrons and friends of the Academy capital cases. capital cases. A resolution was adopted authoriz-ing the printing of bills before the House for consideration. Thurman presented a concurrent resolution instructing the memorial committee to draft a petition to Con-gress for a fourth judicial district: and also to prepare a bill for the designa-tion by the Legislature of a fourth district. would do well to attend to get an insight into the spirit of the institution. WILLARD DONE.

The funeral services over the remains of the late Bishop William H distric Hickenlooper, were held in the Sixth At 3:30 p.m. the House adjourned to Ward meeting house vesterday (Jan. 2 p.m. to-morrow.
