

EIGHT HOUR LAW WORKS BOTH WAYS

Supreme Court says Statute Applies
to Employer and Employee.

JUSTICE BASKIN DISSENTS.

Does Who Work Longer Than
Eight Hours do so at their Risk
— R. T. Pyle Says.

The supreme court delivered an opinion today on the eight hour law, which has a long history in this state. The law was passed in 1917, and has since been amended several times. The case before the court was brought by a woman who claimed that her employer violated the law by making her work more than eight hours a day. The court, in a unanimous decision, held that the law applies to both employers and employees. Justice Baskin dissented, arguing that the law should only apply to employers.

off and R. T. Pyle was surprised that the law was not applied to the employer. He said that the law was passed to protect workers, and that it should be applied to both sides. He said that the law was not intended to be a one-sided law, and that it should be applied to both employers and employees.

THE PHILIPPINE ISLANDS.

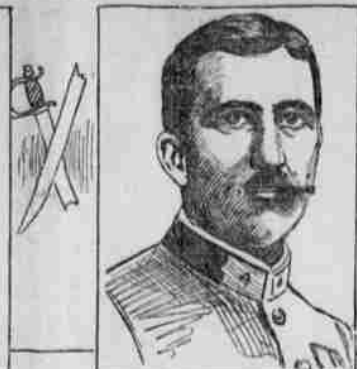

What Shall be Done with Them—An
Important Question Looms.

The question of the Philippines has been a long and difficult one for the United States. The islands were taken from Spain in 1898, and have since been under American rule. The question of whether the islands should be kept as a colony or whether they should be given independence has been a matter of debate for many years. The United States has a large population of people living in the Philippines, and many of them are American-born. This makes the question of independence even more difficult.

EMILE ZOLA.

Col. PICQUART.

TWO MEN WHO HAVE AIDED DREYFUS AND HIS DEVIL'S ISLAND PRISON.

Captain Dreyfus, who is now in prison on Devil's Island, was a great deal of trouble to the French government. He was accused of being a spy, and was sentenced to life in prison. Two men, Emile Zola and Col. Picquart, have aided Dreyfus in his fight for freedom. Zola wrote a famous article in 1896, in which he accused the French government of a cover-up. Picquart was a military officer who had evidence that Dreyfus was innocent.

From these illustrations, it is clear that Dreyfus was a great deal of trouble to the French government. He was accused of being a spy, and was sentenced to life in prison. NEW YORK LAWYER.

Introduction of Eastern Style of Filing
in Police Court.

John Smith, a well-known lawyer in New York, has introduced a new style of filing in the police court. This new style is based on the Eastern system, and is designed to make the filing process more efficient. Smith said that the new system would save a great deal of time and money for both the courts and the lawyers. He said that the new system would also make it easier for the public to understand the legal process.
