She had not been able to dress herself or comb her own hair for months. A friend of ours came in and seeing her suffering offered her some Dr. Miles' Anti-Pain Pills. She laughed at the idea of relief from such a source after doctoring for so long, but took one one of the tablets with the remark that it would at least do her no harm. She took another that evening, and the next morning she was so elated that she went to the druggist's and got a package and took them home with her. ## OPPOSED TO EDUCATION BILL.

London, April 11 .- Thirty-two bishops of English and Welsh dioceses, at a meeting today in Lambeth place, ex-pressed the conviction that the education bill as it stands, must be unhesitat-lingly opposed. The Roman Catholic hierarchy will meet on April 24 to consider the bill, and simultaneously the Catholic education council will meet under the presidency of the Duke of Norfolk to discuss means of opposing the measure. It is probable Catholics will meet in all the large towns for the purpose of protesting against the en-NEURALGIA, ACUTE CATARRH etment of the bill.

Walter Runcimann, a ministerialist member of parliament, alluding to the meetings mentioned above, said in the course of a speech at Newcastle tonight that if the archbishop of Canter-bury used the house of lords to defeat the education bill, it would mean not only the shaking of that house to its foundations, but would render dises-tablishment inevitable.

New York, April 11.-By the score of 500 to 382. Willie Hoppe of this city, who holds the world's championship title for 18.1 billiards, defeated Albert G. Cutlet of Boston in the first game of the world's 18.2 Championship tournament at the Madison Square Garden concert halt tonight. CUTLER LOST ON FREEZE.

Hoppe and Cutier banked for the lead and the young world's champion won. He chose the white ball and made four carons but missed on a single cushion bank shot. The Boston man got his stroke at once and sent the globs merrily clicking around the table. As soon as he got them under control Cutier began a series of nursing shots until he had run up 37 points. At this stage the three balls were close together with the cue ball frezen to the red one. Referre Edward McLaughtin spotted the balls and Cutler failed to make the caron. Hoppe premptly started off at a tapid pace, driving for position with scuracy and sursing gently as occasion required. Two of his masse shots, one on the real and another in the center space, were faultlessly executed, but he tripped up on an easy single cushion shot after he had mide 40.

Cutier failed to count in the second bring, and Hoppe made only a single carem in the third. In Cutler's half of the inning the Boston man gave the spectators another exhibition of his ability in a grand all-around run of 60 points, which was abruptly ended in a futile try for a masse close to the bottom rail. Hoppe made 13 in the fourth inning and missed a single cushion bank. Cutler replied with 7, and then Hoppe gathered in 36 through some sterling work, when again a slingle cushion bank miss was his undoing.

HOPPE TAKES LEAD. Cutler ran up 16 and the score at this stage was 120 to 94 in Cutler's favor. Hoppe turned his first 100 with 10 in the sixth, and after Cutler falled to respond with a count Hoppe hegan to creep up in a timely manner. He made 22 points, which placed him in the lead with a margin of 6. Cutler again got a cipher, and Hoppe went still further ahead with 16 more. A double kiss spoiled a good chance of a long run by Hoppe, in the ninth inning, when he tailled 68. Cutler only guthered 4 in his next two turns, while Hoppe added 31 and 9, bringing his total score up to 250 with a run of 60. Cutler's total was 198 at the close of the eleventh inning, 32 points behind Hoppe, At the end of the sixteenth inning the score stood: Hoppe, 301; Cutler, 255.
