

CARLSILE TEAM BEAT CALIFORNIA.

Reliance Eleven Puzzled by Many
Tricky Plays of Willy
Redskins.

THE SCORE WAS 23 TO 0.

Captain Johnson of Indians Was Tri-
umphantly Carried Off Field and
Embraced by Women.

San Francisco, Dec. 25.—Superior team-
work and an abundance of tricky plays,
coupled with more thorough training,
gave the Carlisle Indian football team a
decisive victory over the All-California
eleven this afternoon, at one of the most
spectacular games ever played on the
coast. The score was 23 to 0. Ideal
weather conditions prevailed and the field
was in splendid condition for snappy
playing.

Captain Johnson of the visiting eleven
proved to his reputation as being one
of the greatest quarterbacks and foot-
ball generals in the country, and the star
aggregation of coast players was not
much for his well-drilled men. The at-
tendance was about 7,000, less than half
the number of spectators that usually
congregate for the annual match between
the teams of the University of California
and Stanford. The partnership was
equally divided as to the admiration for
the Redskins grew so intense that
Captain Johnson was carried aloft on the
shoulders of the strong, after several
women had become so enthusiastic as to
embrace him.

During the first few minutes of play
the All-Californians swept the Indians be-
fore them and a few moments later
scored as though the home team would
have a walkover. But the ball moved to
the Carlisle territory as soon as the
hands were released to trick plays, after
finding that they could not successfully
buck the line of a team that weighed
twenty pounds heavier to the man.

Captain Johnson made the first touch-
down about the middle of the first half,
but failed to kick a goal. The sufficiency
of the Indians puzzled the California men
greatly, and they were utterly unable to
penetrate the generalship of the redskins
captain, between Johnson and Williams,
the Carlisle fullback, the local men were
out of the game.

During the second half the Carlisle
men resumed their shifty tactics and
hundred yards between the Salt Lake
Elks team and the Blacks and Whites of
the Garden City, the result being a vic-
tory for the home team. The Carlisle
first half the Salt Lake team made
the touchdown, and after that the Provo
team led them down and neither side
could score. Both sides put up a vigor-
ous fight making the game very inter-
esting. The teams lined up as follows:

L. D. S. U. Basketball Team Trims Them
By Score of 120 to Nothing.

The Soldiers basketball team from Fort
Douglas was overwhelmingly defeated by
the L. D. S. U. team in the latter's gym-
nasium, the score being 120 to nothing.
Twenty-minute halves were played and
no time were the champions in
danger of being scored against while they
scored almost at will. The L. D. S. U.
team was not composed of its regular
crack players, but used two substitutes.
The team work is of the highest or-
der, not much could be expected of the
Soldiers for the reason that it was the
game they have played this year. They
did fairly well and promise to do
better with a little more practice. The
teams lined up as follows:

JOY IN COLON.
Over England's Recognition of
Panama.

Colon, Dec. 25.—Colon just now is in
a state of joyful excitement following
upon the news that the British govern-
ment had recognized the republic of
Panama. The news, which was con-
veyed early in the day by the British
consul at Panama to the junta, was
received here late last evening and im-
mediately circulated. The foreign
population of Colon is largely com-
posed of natives of Great Britain and
the Britishers joined the natives in
their jubilation.

Senor Porfirio Melendez, the civil
and military governor of Colon, right-
ly interpreting the feelings of the com-
munity, gave permission to the inhabi-
tants to celebrate the event without re-
striction, and full advantage was taken
of this permission.

At 8 o'clock last night Gov. Melendez,
accompanied by a band and military
escort, together with a great crowd of
the inhabitants, assembled in front of
the British consulate, where the band
played old English airs and the crowd
cheered most enthusiastically. A
torchlight procession was afterwards
formed, the crowd marching through
the streets singing "God Save the
King." This sentiment, "God Save
the King," is heard everywhere to-
day.

RAN INTO A DITCH.

Automobilists Had an Exciting Time
At Murray Thursday Night.

"Red Devil," the big automobile
owned by Samuel Newhouse, was
steered into a ditch Thursday night at
Murray as the only alternative to the
prevention of a collision with a nearby
telegraph pole. The accident happened
just as H. Irwin, Alma D. Kats, Mr.
Brown and Chautau B. C. Fuller began
to return home from a visit to the Mur-
ray smelter. It was about 8 o'clock
and quite dark and the travelers were
speeding along at the rate of perhaps
20 miles an hour when Mr. Fuller
noticed a team directly in front of him.
He immediately turned out and in do-
ing so headed the machine straight for
a telegraph pole. Instinctively the
chauffeur heaved the danger ahead and
barely had time to apply the brake and
adjust the steering gear when the pole
was reached, the big machine missed it
by a hair's breadth, and dashed into a
ditch which contained four feet of wa-
ter. The impact threw all four of the
occupants out, but only one, Mr. Irwin,
reached the water, this gentleman es-
caping with a severe wetting. The oth-
ers were unhurt, though badly shak-
en up, while the machine suffered a
broken front axle. A Murray car
pulled it out of the ditch, after which
it was laid up for repairs while the
gentlemen named returned to the city,
thanking Mr. Fuller for the manner in
which he handled the big auto, which,
had it struck the pole, would undoubt-
edly have resulted disastrously to all
four.

WRESTLING CONTEST.

Charley Rose Agrees to Throw Garvin
Three Times in 30 Minutes.

On the evening of Dec. 31, at Prof. Eu-
gene Thompson's gymnasium, there will
be a wrestling match between Charley
Rose, the well known Utah wrestler, and
a knight of the mat named Garvin, who
hails from Vancouver. In the articles of
agreement, which have been signed by
both men, Rose agrees to throw his op-
ponent three times in thirty minutes, and
if he fails to govern, there will be a side
bet of \$100. No holds will be barred. As
Garvin is a much larger man than Rose,
the latter has a big job on his hands.

RACES AT INGLESIDE.

Christmas Handicap Was Captured by
Proper—Worth \$3,015.

San Francisco, Dec. 25.—Proper, the fa-
vorite, won the Christmas handicap at
Ingleside today in the presence of one of
the largest crowds of the season. Per-
fect weather prevailed and the track was
in good shape. The handicap was some-
what marred by an accident at the start,
which resulted in the death of the sec-
ond choice, being practically left. Forest King
collided with him, and Wonderly was con-
tent to skip him after the field, as his
chances were ruined. Otherwise the sport
was very satisfactory and three favorites
were defeated. Proper, a three-year-old
colt, made most of the running in the
handicap, but Proper moved up at the
stretch and won easily, with Falcon sec-
ond. Divina beat Claude, the top weight
a head for third money. The event had
a value of \$3,015. The winner's share being

ASCOT PARK EVENTS.

M. F. Tarpey, a 20 to 1 shot, is Easy
Winner of Hollywood Handicap.

Los Angeles, Dec. 25.—A perfect day
and a good crowd attracted 7,500 people to
Ascot park today and the majority of
the spectators were from the Hollywood
odds-layers' cash as Christmas. The
Hollywood handicap, the chief feature
of the day, was won by M. F. Tarpey at 20
to 1. The race was a poor race yesterday,
but today it was a hot struggle between
Tarpey and a pair of favorites, Robinson
and the stand to make for the horse show-
ing and out running was not to be deter-
mined until the last furlong, when Tarpey
disqualified for fouling and placed last.
Robinson placed second and Colonel
Bogey third. The race was a hot struggle
between Robinson and a pair of favorites,
Robinson finished second and placed last.

W. I. BUCHANAN'S CREDENTIALS.

United States Minister to Panama
Presents Them to Provisional
Government.

HIS RECEPTION ENTHUSIASTIC.

Met by Guard of Honor and by All the
Dignitaries of the New
Republic.

Panama, Dec. 25.—W. I. Buchanan,
United States minister to the republic
of Panama, presented his credentials
to the provisional government today.
His reception was most enthusiastic
and was carried out in accordance with
the program outlined in the Associated
Press dispatches of yesterday, being
met at the palace by a guard of honor
and by all the dignitaries of the new
republic now in Panama. In present-
ing his credentials Minister Buchanan
said:

"I am deeply sensible of the honor
conferred upon me by President Roose-
velt and profoundly grateful for the
opportunity I am afforded of meeting
your excellencies and the people of
Panama and of studying the conditions
existing in and the possibilities of the
republic of Panama."

"The advent and future development
of this new nation is the subject of
keen and kindly interest on the part
of the people of the United States, all
of whom wish your excellencies, your
people, and your country that wide
progress and advancement which peace
and economy bring to nations."

"I am charged by President Roose-
velt to express his fervent wish that
these benefits shall come to the repub-
lic of Panama and that happiness and
contentment shall abide with your ex-
cellencies and your people."

Senor Jose August Arango, president
of the junta, replied to Minister Bu-
chanan's address. He said that the
provisional government had received
with great satisfaction President
Roosevelt's letter accrediting Mr. Bu-
chanan as a special envoy to the repub-
lic of Panama, which was "proof
of the spirit of justice which animates
the great people of the north, for whom
the people of Panama have the best
wishes."

Senor Arango said that the junta
considered the selection of minister a
man of Mr. Buchanan's attainments
to be a good omen, and he believed the
new minister would succeed in binding
still closer the ties of friendship which
now united the two republics.

Wife of the Massachusetts Senator
Dies Very Suddenly.

Washington, Dec. 24.—Ruth Miller

time, but an improvement in her con-
dition had been noted recently and her

family and friends.

The body will be taken to Worcester
tomorrow for burial. No funeral ser-

ached here tonight of trouble at the vil-

among the blacks.
