GENERAL REPRESENTATION.

POLITICAL affairs in this country are nature alone. Men are prone enough operated on lines that are altogether to evil when constantly surround too stiff. The injection of a little ed by good examples and in the midst more liberality would be refreshing of the best counsel. We must be even and wholesome. The saying that ma- on the alert against the insidious work jorities rule receives an application of the tempter and destroyer, and with a great deal toj rigid. Majorities are all our watchfulness we still require. an agency of the government, but they | the strengthening hand of a power beshould not, except for necessary pro-tection, draw party lines so tight as to entirely shalout minorities from offic-ial representation. This is only justi-fiable when minorities conduct them-control when minorities conduct them-conduct the provided states and the party of the vicselves foward majorities vindictively tim to endless treasons, stratagens and maliciously and manifest a genius and crimes.

highly detrimental to the walfare of the commonwealth.

Few men in positions of extraordinary power have shown a more commendable disposition to liberatity Ir is a little singular that while th

----DUTY AND HAPPINESS.

THE APPLE.

Duty and happiness sustain the relation to each other of cause and ef-

> by every intelligent being. How to obtain it, is the lesson to be learned. To be permanently happy, the conditions must be of a nature corres-ponding with the period of duration

can obliterate. Life's pleasures of sensual nature, flitting and transient passing with the nour, do not consti

tute happiness. This condition of the human soul only exists when there i nothing opposed to it that can give pala, sorrow and afflict either body or feelings.

CONSCIENCE MUST BE AT REST, which condition can only be realized by a faithful performance of duty. A

and covering all the wants of his spir-itual nature. This demands a knowl-edge of and the faithful performance of spiritual duties. The lesson of duty is the great and important one which has to be mast red to secare that happlness which is an element of intelli-gence, light and love, and co-existent with them. It may truthfully be said,

TO-DAY'S TELEGRAM family in reaching this place stood some distance from this sod house. It was finally decided that three of the party advance and dig down into the clace while the other four covered the house with their guns. Accordingly, this plan was adopted, thit the three delegated 1 r Details of the Loss of an American Ship off Ireland with a Crew of 25.

A MAN WITHOUT FAITH

in God-wishout any idea of his spiritual relation and consequent obliga-tion, fails in all the conditions of permagent or endless enjoyment. He has no nope of a final reward, no assur-ance of bliss beyond the present, no capacity to enjoy something which he is not in the least prepared to appreciate, having never sought for nor desired it.

Man must not only have faith in God, but he must make his acts an expres-sion of the divine will; they must be in harmony with the divine law. That law is founded in love, and the keeping of it produces love, which is ever the result of all right, moral action. Love is the emotion that produces happi-sees, and our evidence of love to God is in the keeping of his law—which is our duty.

The injunction to leve our enemies is one for our happiness, as hate is in-consistent with peace of mind, with cappiness. If envious of another's complains that vagrants are put in field with our own, and necessarily

TO SECURE HAPPINESS he moral powers must be cultivated on the divine plan, and man must live up to his moral judgments. He must Once in a wane, in the way of change. Quaha hight profit by following Sait Lake's example in the treatment of the vagabond class. When an un-fortunate workman comes along he is given board and lodging for his work, but when a tramp is taken in, he soon finds his way to the chain gang, either exclude all that train of evil passions sult of right moral action, and when

finds his way to the chain gang, either on the streets or at the gravel bank. When the Police Justice inaugurated the rule of giving vagrants from 40 to 69 days of this treatment there was a sudden failing off in the visits of members of that order to Sait Lake, and the warning, "Sait Laken.g. 60 days hard work," was posted outside of town by those who had had experience, for the benefit of the fraternity. As a result our city is
