## LOCAL AND OTHER MATTERS.

GOOD.—The 19th Ward Sunday School has purchased a hundred dollars worth of prizes from one firm for distribution among the children.

ANNIVERSARY.—The anniversary entertainment of the Fifteenth Ward Y. M. M. I. A. will take place to-night, at the 15th Ward Hall. It is to commence at six o'clock.

IMPROVED.—Messrs. Latimer, Taylor & Co., have stopped importing four light window sash. They make and glaze them at their factory. The commoner kind of small light sash are still imported, it being more difficult to compete with outside establishments in the latter class of article.

TYPE FOUNDRY.—In connection with the NEWS Office, we have again opened a type foundry. We have the necessary machinery for the manufacture of type, leads, slugs, quads, etc., and have secured the services of Thomas Slight, a type founder, formerly of London.

CENTRAL COMMITTEE.—We are requested to announce that a special meeting of the Central Committee of the Y. M. M. I. A., will be held in the Council House, on Saturday evening, [at 7 o'clock. All the members of the committee are requested to be present, as business of importance will be presented.

ENTERTAINMENT.—There will be an entertainment, consisting of dramatic performances, songs, recitations, etc., at the Third Ward School House, to-morrow night. The proceeds will be used for the benefit of the Sunday School.

On Sunday night there will be another entertainment, for the same object, at the same place, when the performers will be mostly juveniles.

DRAWING JURORS.—Following is an order of Court:

"Ordered, that on Monday, the 14th day of January, 1878, at 9.30 o'clock a. m., there will be a session of the Third District Court, in the Council House of said court, in Salt Lake City, for the purpose of drawing jurors for the February term of said court, for the year 1878, at which time there will be drawn 36 for a Grand Jury and 34 for a Petit Jury for said February term, 1878.

M. SCHAEFER, Judge.
Salt Lake City, Jan. 10, 1878."

OPERA.—Next Monday, Tuesday and Wednesday the famous Ilma de Murska and the Caroline Richings-Bernard English Opera Company will appear at the Theatre. With Mrs. Richings-Bernard the Salt Lake public are acquainted. The great prima donna with the foreign name is praised extravagantly by the press wherever she has appeared, and the music-loving theatre goers of this city will no doubt turn out *en masse* to hear her. "Lucia di Lammermoor" will be presented on Monday evening. See advertisement.

NORTH.—We learn from a gentleman from Logan that scarcely more than an inch or two of snow has fallen in that part of Cache, thus far this winter. The weather is exceedingly fine, and it is a general time of health among the people.

There are scarcely any whiskey drinking in Logan, there being no saloon or other regular place for the sale of liquor. There are one or two places where some is sold under cover by parties who seek to evade the law by labeling their bottles "bitters." However, the law can reach even dealers of that class, and we are informed there is an intention to make it applicable in such matters.

TWENTIETH WARD INSTITUTE.—Last night the annual election of the officers of the Twentieth Ward Institute took place, the following being the result:

President, C. W. Stayner; first and second Vice-presidents, W. G. Dunbar and Theo. B. Lewis; Secretary, F. Mitchell; Asst. Secretary, Chas. L. French; Treasurer, Chas. Sandgor; Librarian, Fred. J. May; Asst. Librarian, David C. Dunbar; Directors, Henry Pusey, Geo. Reynolds, C. R. Savage, Wm. Salmon and John Daynes.

During the proceedings Bishop Sharp presented to the Institute a full set of Chambers' Encyclopædia.

A STRANGE COMMUNITY.—Bro. Paul A. Schettler informs us that when he was in Palestine a few years ago he met with some members of a colony of Germans from Wurtemburg, who had settled in the Valley of Jaffa, and were engaged in agricultural pursuits. They form a kind of religious sect, who had emigrated to the "Promised Land" to await the building of the "New Jerusalem."

Bro. Schettler explained the views of the Latter-day Saints in relation to the re-building of Jerusalem in Palestine and the building of the New Jerusalem on this continent, citing the various prophecies on the subject, and some of them were very favorably impressed by the views he enunciated.

HANDSOME PRESENTATION.—Quite recently E. R. Park, secretary of the Salt Lake Medical Society, was taken agreeably by surprise by the members of that association. At a late meeting, while engaged in the duties of his office, he was requested by Dr. Williamson, to stand up. He did so, wondering what next, when the gentleman who addressed him, with a few appropriate remarks, presented him, in behalf of all the members of the society, with a handsome gold-headed walking cane, as a token of the esteem in which he was held by the donors, and their appreciation of his valuable services. Dr. Park made a fitting response.

The cane is one of the handsomest we have ever seen, the head being gold, very beautifully ornamented with chased work, and the other portion is polished ebony.

MEDICINAL.—Some time since Messrs. R. Matthews & Co. procured a large quantity of Indian Root or Pe-ar-nah-su, which is used to a great extent by tribes of Indians in this region for medicinal purposes. In fact many of them have such faith in its beneficial properties that they apply it almost to the exclusion of everything else. The object of the purchase of a quantity of the article by the firm named was to produce from it a medicine of presentable shape to the public. This has been done by Prof. J. L. Barfoot, who, by skillful chemical process, has enabled Messrs. Matthews & Co. to place on the market "Barfoot's Balsam of Indian Root." We are cognizant of several cases where it has resulted in great benefit to persons affected with chronic stomach, liver and kidney complaints, and with coughs and colds. It is claimed that it also gives great relief to children affected with sore throat, although we are not cognizant of any cases where it has been tested for the latter affection.

"INTERNATIONAL REVIEW."—The *International Review* for January-February, 1878, has been received. A very excellent, ably conducted periodical.

D. A. & M. SOCIETY.—The directors of the D. A. & M. Society are requested to meet at half past six, to-morrow evening, at room No. 18, City Hall.
JOHN R. WINDER,
President.
