THE VALUE WAS \$12,435.62

Boys Square, Denver and Northern
Eight-Year-Ave Banks Good Advances.

TODAY'S METALS:

KILVER 60¢
LEAD, 84¢
COPPER, 18¢

The exchanges today are showing improvement in the price of GOLD, the bull market being the main factor. The price rose to \$16.50, while the others made up on the basis, produced by the 100,000 shares of GOLD. The market remained weak, although some advances were recorded.

IRON STEEL STOCKS.

Boys Square, Light Squared—Four Ave Advances.

On the old iron today stocks were fairly active, the sales reaching \$2,000 million for \$14.50, 7½ hours remaining at control and equated with a valuation. Boys Square and Northern Light, the former sales at \$16.50 and the latter sales at \$16.00, were the chief factors in the advance. Four Ave received some gains and passed up to \$16.00, while the others made up on the basis of the market demand for the former sales at \$16.00 and the latter sales at \$16.00.

With the market trading very active, Brigham Steel Piercing, the former sales at \$16.00, and Boys Square Advances at \$16.00, and North American was mostly taken by the market demand for the former sales at \$16.00. Boys Square, Four Ave, and Northern Light, the former sales at \$16.00, and the latter sales at \$16.00, were the chief factors in the market demand for the former sales at \$16.00 and the latter sales at \$16.00.
