In consequence of a somewhat pressing inquiry by England, the Bey of Tunis admitted the cession of all the principal Esparto grass districts to French capitalists. The value of exports from Esparto is estimated at 6.250,000 francs yearly. It appears that Roustan used great pressure with the Bey, and intropressure with the Bey, and introduced to him a person named Duplessis, to whom the conces-sion was granted, as a particular friend of Gambetta.
