#### HE KEPT HIS PROMISE

HE KEPT HIS PROMISE.

No one ever thought that May Fuester would heavy Joint Chartrogion, but he thought differently, and things whima John Chartrigion; intended had a squeer way of conting to peas. He adold her to marry him before he went up to Oakhel. He he largiful and befored her to marry him before he went up to Oakhel. He he largiful and befored her him. Again she languagh, fusued her dainty Obseil head and again retused. A third time he adold her, thought made in the head of the head of the was becoming a confirmed back mild, and laughed out to marry her, the was the belief of our fillings colorie, and we were all he her with her notes or long it was a out of fashion, his masker unlars or Inverses which amongs a surprised when John Chartragoes where her was much amongs. Therefore we were as much amongs. Therefore we have as much amongs and invited much to his welding.

"Yene medding?"

John Charrington filled his pipe and pitted it before he replied. Then he

tired it before he repute.

The sorry to depirty was follows of an early jobs—but Mus Prester and I a to be married in September.

The dear is mean it?

They can the main it?

They can the main it.

They can be main it.

They can the main it.

They can they can the main it.

They can they can they can the main it.

They can the
