NEW CHURCH MEMBERS AT HANLEY.

The Elders laboring at Hardey, Nottingham conference, England, report a baptismal service recently held at the Public Baths. Hanley, wherein three souls were added to the Church. A district meeting held in the Temperance hall was well attended by Saints and friends.

NEW BRANCHES IN SCOTLAND.

President Stewart Eccles writes from Glasgow that the work of the Lord in Scotland is prospering, and the Elders are meeting with encouraging success. Brunches have recently been organized at Cambuslang and at Kilmarnock. A Priesthood: Elders, 191; Priests, 143; Teachers, 96; Deacons, 101; members, 3,342; children, 744; total souls, 4,696, Raptizes, 602. Emigrated, 270; excommunicated, 11; died. 35. Mostings held: Indoor, 15,378; outdoor, 3,862.

President Grant said it seemed to him that with so many Elders in the field, and with such an organization as the Church has, it should demand an investigation. With all this, and the distributing of many thousands of tracts, we cannot get out over 300 or 400 to hear the true Gospel; but on the other hand. other hand, if we would start a revival or preach belief alone, we could get many thousands to come and hear us. That so few come out is no proof that we have not the truth. He also spoke upon the Book of Mormon, and gave his reasons for believing it to be a divine book. He finished by bearing a very

strong testimony to the divinity of the work of the Lord. lemial Star:

## nity and deep solemnity of the occa-sion. A splendid opening is presented to us in this part of the vineyard, and the prospects for the future are un-usually bright and encouraging. The Lord has opened more new homes to us than we seem able to visit from week to week to answer requests made of us for explanations on the plan of salvation." RETURNED MISSIONARIES

Elder Joseph Alfred Brunt of Idaho Falls, Bingham Co., Idaho, passed through this city April 18, 1905, on his return from the Southern States mission, for which he was set apurt April 15, 1902. The conferences of East Tennessee and Georgia were his fields of labor, in both of which he says the work is progressing nicely. Many are applying for baptism in the latter conference. In some parts of Georgia, At the London semi-annual conference, held April 2, 1905, in the Finsbury Town hall, London, there were present President Heber J. Grant of the European mission, President Heber J. Burgon of the Irish conference, Elder Webb of the Norwich conference, President Jesse W. Hoopes and 25 traveling Elders of the London conference.

The conference was opened at II o'clock by President Hoopes welcoming the Saints and presenting the general authorities of the Church, the presidents of the mission and conference, and traveling Elders, who were unmi-mously sustained. The clerk then road ference. In some parts of Georgia, however, it is very hard to got the Gospel before the people.

Elder William M. Egan of Salt Lake City returned April 16, 1905, from the Eastern States mission, where he has been laboring since May 3, 1904, in the Brooklyn and North Wost Virginia conferences. The Gospel is spreading and a good work is being done in both fields. The conference of North West Virginia has been lately districted and systematic labor taken up. A recent convert has donated lumber and land to build a meetinghouse in one of the districts. Elder Egan returned on account of the sickness of his mother and wife, but his mother died before his arrival home, rival home,

Beebe of Safford, Graham Co., Arizona, arrived in this elly April 14, 1995, on his way home from the Colorado mission, for which he was set apart Oct. 20, 1902. The conferences of Denver and West Colorado were his fields of labor. In both districts he made many friends and found some investigators. The Elders are doing a good work.
