LADIES' TIES.

The return of the well-known frontiers woman, "Calamity Jane," to Cheyenne, which took place yesterday, was one of the few events of a dull, sultry July day. She is known by all the old settlers from Texas to the Black Hills and from the Missouri as the Black Hills and In preference to from the Missouri to the Pacific CARRYING OVER INTO NEX slope. And yet how few in the Rocky Mountain region know her real history, In conversation last night at the Inter-Ocean, with Dr. A. R. Hendricks, of Des Moines, Iowa, the peculiarities of the West and some of the old characters to SEASON their Harman Sen ages OVERSTOCK

be found here were discussed, and Calamity Jane's name was men-"Why," said-Dr. Hendricks, "I was acquainted with her in Iowa, and knew her people well. Before I came West I learned that she had

acquired the sonbriquet by which she is now known."

The Sun reporter asked him to relate what he knew of her early history, with which request the Dostor complied, and is in substance as follows. as follows-

bistory, with which request the Doctor compiled, and is in substance as follows—
Calamity Jane, whose real name is Jane Coombs, was born at Burlington, Iowa, in 1847, and is therefore now about thirty years of age. She is the youngest of a family of four children, two boys and two girls. The father, B. W. Coombs, now dead, was fer many years pastor of the First Baptist Church of Burlington. In 1862 she fell desperately in love with a young man who was, with herself, a member of her father's church, and an engagement followed. The father looked with favor upon the proposed marriage, but the mother, also, had conceived a hearty dislike for the young man, and forbade him she house. All efforts at reconciliation failed, and the young couple, under cover of the darkness of a bitter winter's night, fled from their parental roofs and from the State of their birth. The young man, whose name was Washburne, took Miss Coombs to Galesburg, Ill., and there they were married.

Laving his wife, a young girl not yet sixteen, in that dity, Washburne entered the 6th Infantry as a private soldier, and finally rose by gradual promotion to a Captaincy. At the battle of Mill Springs, Ky., with Gen. Zollicoffer's forces, and in which that gallant Confederate officer fell, Washburne, now known as Calamity Jane, heard of his death, she recolved to avenge it. Leaving of 1863, she donned male attire and entered the Union army as a scout and spy, serving in that capacity until the close of the war in 1865. A portion of the time she carried a musket, and was in three of the sending and the proposed and susket, and was in three of the sending and the proposed and susket and was in three of the sending and the proposed and t until the close of the war in 1865. A portion of the time she carried a musket, and was in three of the severest er gagements, finally marchthe sea and back again, and stacking her musket within the shadow of the Nation's capital. It was

not until after the war that her sex was discovered. In the army she passed by the name of Frank Marden. At the close of the war, like Othello, her occupation was gone. She drifted EMBROIDERIES, to Texas, and there, attired in male clothing, hunted the wild horse with the lasso, becoming quite expert in that line. Since going to the Lone Star State in 1866 she has traveled all over the States and Territories west of the Missouri River, and her name is as well known to the frontieraman as are those of Wild Bill, Texas Jack or Buffalo Bill. She has hunted the red man of the plains, and the buffalo; served as a guide to inex-perienced miners and trappers and dresses in buckskin from top to toe a great portion of her time. She is one of the best horseback riders in the west, plays a good game of cards or billiards, and is at all times competent to get away with **ELBGANT**: 2-BUTTON KID

her allowance of spiritual suste-nance. Altogether she is a re-markable subject for the basis of a novel in the hands of Ned Bunt-line, Dr. Beadle or Sylvanus Cobb. —Cheyenne Sus. CHILDRENS' WREATHS
