## FLOTTING FRAGMENTS.

County Liquor License Blanks for sale at this office.

Regular weekly meeting of the City Council to-morrow night.

The funeral services of Dr. F. D. Benedict, held yesterday, were very largely attended.

A situation as housekeeper is wanted by a middle-aged woman. Also suitable employment for her ten-year-old son.

The trial of Leonard Stephenson, charged with the murder of Henry White, for housebreaking, was progressing in the District Court to-day.

In the District Court, the case of the People, etc., vs. Wm. Brennan, for murder, was, by consent, placed at the foot of the calendar.

All the duels fought in Paris last year only resulted in serious injury. Duelling is still considered safer than polo or base ball.

The big snake killing has opened and last year's items are reappearing in country papers, a few more being added to the length of snakes by way of variety.—Ex.

Prize of Wales' wedding present to Leopold is a \$25,000 piano. The manufacturer had a hard time trying to make a piano worth \$25,000, but by estimating each coat of varnish at \$500, he finally succeeded.—Ex.

When reprimanded by his employer for absenting himself from the office for two entire days, Foggy calmly replied that he believed in the office seeing the man and not the man seeking the office.—London Transcript.

An eminent scientist says that when a lady cannot sit down without her nose becoming red, it shows that there is imperfect circulation of the blood, caused by tight lacing, same with gentlemen. A red nose is a pretty sure sign of tightness somewhere.

The weather indications are of the greatest importance to the agricultural class. By watching them carefully the honest farmer knows when it is going to rain and can therefore prepare to have his hay laid down in the down-pouring showers. Wet hay makes a good showing on the scales.

The case of the People vs. Fredrick W. Mann, charged with receiving stolen property, was called on for trial on the 24th of January, 1887, came up for trial this morning (yesterday) P. T. Van Zile and F. S. Richards for the People, and J. H. Smith for the defense. The sentence was deferred until Saturday.—Ogden Herald.

LOCAL AND OTHER MATTERS.

An Ineffective Effort.—A priest, acting in the custody of the United States Marshal, made an effort to escape this morning. He bolted from the Federal Court House and managed to reach the street, where he was soon captured and returned to official custody.

"Utah and its People."—Having the exclusive agency for Utah for the sale of this valuable and instructive pamphlet, we will, within a few days, have a large supply on hand. Retail price, 25 cents a copy; lower terms to dealers and wholesale purchasers.

Theatre to-night.—The "Comely Broom Opera Company" have arrived in excellent trim. They have the reputation of not only being an unusually numerous, but a remarkably capable troupe, comprising some superb singers. To-night they will open a four-night engagement at the Theatre with Audran's opera of "Olivette".

Selling Liquor on Sunday.—For some time past a number of saloon keepers have been totally disregarding the law in relation to selling liquor on Sunday. The unwholesome sight of drunken men on the streets on the Sabbath has been a consequence of this infraction. The police authorities have commenced a prosecution of the guilty parties.

Burglary in the North.—The jewelry store connected with the peddlers at Blackfoot, on the line of the Utah & Northern R.R., was burglarized on Friday night. Seth Oliver, who sleeps in the store, woke up about eight and went down town, returning about 11, he found one of the rear windows had been lowered from the top. The thieves must have been frightened away without getting all they intended to, as they only took some watches and chains. The total value of all taken was from \$150 to \$175.

A Belligerent Bugle.—On Saturday night John Hennessey, bugler from Fort Douglas, struck John Hughes on the cheek with a pistol, inflicting an ugly cut. He also, near the Theatre, knocked down a man named Strayer, and when the police arrived upon the scene was engaged in giving him an unmerciful kicking. When the officers attempted to arrest him he made a movement to shoot them. They, however, at once disarmed him and conveyed him to the lock-up. He was released and taken to Camp this morning.

A Confession House.—To-day we received a call from Mr. W. J. Cochran, connected with the houses of John O. Neuman & Co., manufacturing confectioners of 28, 30, 32 and 34 Michigan Avenue, Chicago. This firm ranks amongst the best in America as manufacturing pure candies and everything in the confectionery line. They have been supplying several of our business houses for many years and are highly spoken of for their fair dealing. Mr. Cochran will remain in town for some time, attending to the business of his firm. We hope his visit will prove in every way satisfactory.

Missionary Returned.—This morning we were pleased to receive a call from Elder John W. Taylor, just returned from a mission to the Southern States.

He left this city for his field of labor in November, 1880. The first three months of his ministry was in South West Georgia, where he baptized two persons. Letters have since been received from that part of the country since he and Elder M. F. Cowley left it, stating that, as a further result, others are ready for baptism.

Elder Taylor next proceeded to a district 200 miles further north and labored three months more in Henry, Fayette, Clayton and Campbell Counties, where one was added to the Church.

He next proceeded to Western Georgia—Harrison, Polk and Floyd Counties, where he operated in the ministry one year, fifteen additions to the Church being made during that time.

His next field was in Kentucky, where he remained three months, during which period eighteen persons were brought into the fold. In Mulenburg and Butler County, of that State, much interest is manifested, the prospects being excellent for increase in that section. The opposition in that part is not so general as in some other places.

The Elders are treated with great kindness. One gentleman named W. Hunt, furnished them a house to preach in when they were turned out of the place in which they previously held forth.

The Saints in the Branch of the Church in that section purpose erecting a house and establishing a Sabbath School in addition to the usual religious services. Elder Jacob G. Bigler, Jr., presides over the Conference at present and Elder Walter G. Paul takes the place of Elder Taylor as his associate in the ministry.

Concert for a Worthy Purpose.—Among the Saints who arrived from England last fall was Miss Nellie Lamb, from Newcastle Conference, who embraced the Gospel a short time previous, leaving her parents, who are not in the Church, behind. The young lady possesses a contralto voice of remarkable power. She sang four seasons in English provincial concerts as a professional singer, before joining the Church. She has been enabled to procure some means toward paying for the emigration of her sister and family, including her brother-in-law, Elder William Garrett, President of a Branch of the Church in the Newcastle Conference. To enable her to secure the balance of the money needed a few friends have kindly volunteered to give the young lady complimentary benefit concert, among whom are Brothers Beezley, Daynes, Owen, Malben, McAlister, Stephens, Slater Osen, the benefice herself, taking a leading part; the quartette company consisting of Messrs. Spencer and Whitney, and Misses Olsen and Wells; the Azzis and Edmunds Clubs; also Miss Dinwoodey and Messrs. Paul, Dunbar, Snow, and Burrows, who will give recitations.

The concert will come off on the 24th inst. The place has not yet been decided upon, but will soon be announced.

The Next Old Folks' Affair.—Brothers George Goddard and C. R. Savage are springing another conspiracy upon the "old folks." They have waited upon the Superintendent John Sharp, of the Utah Central R. R., who generously proposes, when the proper time arrives, to carry all the veterans over seventy from Ogden and intermediate points and Nephi and places between, to this city and return, free of charge. Those whose ages are more juvenile feeling to make the trip will be enabled to do it at excursion rates.

The affair is to come off on the 28th and 29th of June, the first day to be entertained by a never-before-equalled Musical Jubilee in the Tabernacle, and the second day by a grand feast in Liberty Park, none younger than seventy to be permitted a seat at the banquet table of the veterans. During the two days, the "Old Folks' will, by a mutual understanding with the population of the Metropolis, be quartered upon the generous-hearted people of this City.

Funeral Services.—The obsequies of Dr. F. D. Benedict were conducted at his late residence, in the 12th Ward, yesterday. They were attended by a large concourse of relatives and friends of the family. The house was filled with people, and the porch and lawn in front and surrounding the residence were also covered with those who attended the ceremonies. Captain Croxall's silver band was in attendance and played a number of sacred pieces. The opening prayer was offered by Bishop L. D. Young, and Apostle John Henry Smith delivered the funeral discourse. The closing prayer was offered by Elder Hammond. The singing exercises were rendered by a select quartette, led by Professor George Carless.

At the close of the services the people passed through the room where the body was lying and took a last view of the face of the deceased.

The remains were followed to the cemetery by a very large cortege. Bishop R. T. Burton offered the dedicatory prayer at the grave.

A Home Composition.—About two months since Mr. Pederson, a member of Croxall's band, composed a very fine funeral march. After completing the composition he said he would call it by the name of the person at whose funeral it was first performed. It was played for the first time, in excellent style, at the close of the services held yesterday over the remains of the late Dr. F. D. Benedict, and will consequently take the name of that deceased gentleman. It is an excellent piece of music, and with the additional merit of being a home production.
