Clipped His Finger—There was considerable excitement in the office of the Seeing Salt Lake car on West Second South on Saturday occasioned by an inquisitive youngster and a cigar clipper. The boy, the 12-year-old son of Wynne Winslow, the soprano who sang at the Orpheum last week, comes from the effete east and ought to be old enough to know better, but he apparently was not. While waiting for the car the lad took in the Indian curiosities displayed and then watched a gentleman purchase a cigar and proceed to clip off the end with the patent snapping clipper. This interested him mightily and as soon as the gentleman left the counter the boy proceeded to examine this wonderful machine. After awhile the lad inserted his finger and pushed with his digit. The next minute there was an agonizing howl and a frantic mother to the rescue. With the blood dripping from his injured finger the boy was chased around the store and finally caught when first aid to the injured was in order. The clipper did its work with dispatch and the youngster lost the tip of his finger.

JACOB H. SCHIFF IN SALT LAKE CITY

Widely Known Financier and Party Arrived in Special Train.

THEY ARE BOUND FOR JAPAN.

Attended the Tabernacle Services and Were Eentertained at Alta Club—Trip Not a Business One.

Jacob H. Schiff, head of the banking firm of Kuhn, Loeb & Co., which is heavily interested in the Harriman and other railroad systems, arrived in Salt Lake yesterday in a special train over the Union Pacific and Oregon Short Line. Accompanying Mr. Schiff is a party of relatives and friends with a retinue of servants, all of whom are bound for Japan via Los Angeles, Santa Barbara and San Francisco. The party left at noon over the Salt Lake Route for southern California.

With Mr. and Mrs. Schiff were Mr. and Mrs. Henry Budgenard, of Hamburg, Germany; Mr. and Mrs. Alfred S. Heidelbach, of Paris, France; Mr. and Mrs. S. Neustadt, of New York, and Ernest H. Schiff, of Frankfort-on-the-Main, Germany. Ernest H. Schiff is a nephew of Jacob H. Schiff. Not the least interesting member of the party is Mizutani Yushizo, a Japanese boy of about 14, who is on his way to his home in Tokyo, Japan.

As soon as the train arrived, the party, with the exception of the Japanese boy, went up town and registered at the Knutsford. They were met here by Vice President and General Manager W. H. Bancroft of the Oregon Short Line, who later escorted them to the Tabernacle, where they attended services, and the Alta club. This morning the party was tendered a private organ recital in the Tabernacle and later drove around the city.

When seen by the representatives of the press, Mr. Schiff begged to be excused from discussing anything. He asserted that he was on his way to Japan and proposed to leave business cares behind him. He denied that the trip had any business significance and asserted that it was being taken solely for pleasure. Mr. Schiff said that the movement for collecting subscriptions for the persecuted Jews in Russia was a grand work of charity and was meeting with success. Subscriptions were coming in regularly and were being distributed to the best advantage.

Mr. Schiff appears to be about 60 years old, somewhat under medium height, with a tendency toward portliness. His hair and neatly trimmed beard are white. He has visited Salt Lake several times and expressed himself to the effect that he believed there was a great future ahead of this city.

Mr. Schiff is one of the foremost financiers of the country and is in a measure associated with the Rockefeller interests. He was a director in the Equitable, and is also connected in a similar capacity with the Harriman lines, Western Union Telegraph company, Morton Trust company, Northern Securities company and a number of the leadign big corporations of the country.

Mizutani Yushizo, the Japanese boy in the party, was brought to America by E. H. Harriman some months ago when he returned from Japan. Mr. Harriman took a fancy to the lad on account of his cleverness in fencing and brought him to the United States so that he could be educated. However, the boy developed homesickness, and is now returning to his native land with the Schiff party.

The special train, which came through from New York, is comprised of a combination baggage car, a dining car, the apartment car "Guadaloupe," and the drawing room and observation car "Teutonic," the two last named cars being the acme of modern Pullman effort and the very latest up-to-date palaces on wheels.

SUPT. C. B. HORTON HERE.

Officials of Western Union Speak of Proposed Improvements.

Supt. C. B. Horton of the Western Union Telegraph Co., of Omaha, and Electrician Kissick of Chicago, arrived yesterday from the east and registered at the Knutsford. They corroborated what appeared in the "News" last week relative to the physical improvements now being made in the Salt Lake office, and also stated that the business between the city and Los Angeles had increased so that it was found necessary to string a third wire between those two places. They said further that it would probably be necessary to string a wire between Salt Lake and Tonopah, and a direct wire for local business will be strung between Salt Lake and Pocatello.

BIG MEETING OF BOYS AT THEATER

Fully One Thousand Youngsters Listened to Good Advice Yesterday.

ADDRESSED BY GOV. CUTLER.

Judge Willis Brown Spoke Entertainingly, His Subject Being "Swiping"—Musical Program.

There was a great meeting of the boys of the city yesterday afternoon in the Salt Lake theater at which fully 1,000 of Salt Lake's future citizens were present. The boys were there with all their youth and vigor and likewise their strongest voices as was clearly demonstrated when they broke loose with cheers and applause at frequent intervals during the addresses delivered by the various speakers.

The meeting was held under the auspices of the Y. M. C. A., and the speakers were Gov. John C. Cutler and Judge Willis Brown. After an invocation by Rev. D. A. Brown of the First Baptist church, the boys sang "America," led by the boys' orchestra. The verses were repeated several times and each time the singing would gain in volume until the roof was literally "raised." After that patriotic demonstration Gov. Cutler was introduced, and was greeted with hearty applause, lasting for fully a minute.

Gov. Cutler told the boys that he was a great advocate of physical training, but he thought that the mind and heart should receive equal cultivation. He impressed upon his young hearers the duty which each one owed to the state, and emphasized the fact that drunkenness, idleness and licentiousness are the greatest enemies a boy has. He urged them to learn the great lessons of honesty, love and straightforwardness, and their positions in life would be assured.

Judge Brown made one of his characteristic talks, in which he referred to his listeners as "kids" and used the language of the street liberally. The subject of his address was "Swiping." He told the boys that there are three things they must not swipe, property, time and virtue. He was liberally applauded by the boys as he told of various experiences he had had with boys during his connection with their training. In closing his address he stated that a club had been proposed for the upbuilding of manliness among the boys of the city. The name of the organization, he said, was the Boosters' club, and a meeting of the club will be held next Sunday afternoon at 4 o'clock in the Y. M. C. A. auditorium. Application blanks were circulated among the boys yesterday and were freely signed.

One of the distinct hits of the meeting yesterday afternoon was the cornet solos by Owen McAleer, a 10-year-old boy. The young musician was accompanied by his mother, and rendered a medley of patriotic airs, which brought forth the heartiest applause of the meeting. He was compelled to respond to an encore.

LAME BACK.

This ailment is usually caused by rheumatism of the muscles and may be cured by applying Chamberlain's Pain Balm two or three times a day and rubbing the parts vigorously at each application. If this does not afford relief, bind on a piece of flannel slightly dampened with Pain Balm, and quick relief is almost sure to follow. For sale by all druggists.

A Warning.

To feel tired after exertion is one thing; to feel tired before is another. Don't say the latter is laziness—it isn't; but it's a sign that the system lacks vitality, is running down, and needs the tonic effect of Hood's Sarsaparilla.

It's a warning, too—and sufferers should begin taking Hood's at once.
