T. B. Hard of Central City, Neb., a prominent cattleman and extensive shipper, is at the Kenyon en route to the southern part of the state to buy cattle. He says the past feeding season has been a very good one in Nebraska, and that the stock have now been almost entirely shipped out. The spring has been wet, cold and backward; but aside from that there are no discouraging features in the outlook.

Music was a feature of the program, which included also the blessing of the children by the Rabbi, and the acceptance into the church of six new members. The condition of little Grant Strong, the six-year-old son of Alma Strong of the Tenth ward, who was so severely injured by a live electric wire the latter part of last week, is still very unfavorable, and it is feared that the lad may lose some of the fingers of his right hand. The accident occurred during a thunderstorm, at which time a telephone wire broke and fell to the ground. The child began playing with the wire, and it finally came in contact with a street car feed wire. Instantly the child was enveloped in smoke and flames, being unable, of course, to let go of the wire. An older sister grabbed him, but she was hurled to the ground and her clothes were burned through. Little Owen Bailey, a 10-year-old cousin of the boy, rushed to him and endeavored to pull the victime away from the wire, and was himself twice knocked down. Just as he took hold the third time, the wire burned in two, and the boys fell unconscious together. The little hero Bailey did not regain sensibility for two hours, but was otherwise not injured.

The loss was about $350.

NOW A MARIST PRIEST.

Michael Haggerty Took the Vows With Solemn Ceremony Sunday.

The ordination service was preceded by the reading of Latin documents, notifying the people and the candidates to prepare for the ordination, and asking for any objections to this candidate serving, should there be any.

There being no objections, and the candidate putting forth no reason why he should turn back, the ordination service was completed, the chalice being placed in the candidate's hands after vestments had been placed upon him.
