Miss Levenda Crofton, the young woman who disappeared from home several days ago and who could not be found by her mother, has returned to her home. She explained that on Sunday she called on a friend, an elderly woman, and that while there she was taken suddenly ill and could not leave. The girl's mother stated to the "News" today that while she was in ignorance as to her daughter's whereabouts she felt no anxiety regarding her welfare, as Levenda was a good, steady girl. It appears that while visiting with a friend she developed a sore throat which
