FORTY-SEVENTH CONGRESS.
SENATE.

WASHINGTON, 2.—Ferry, from
the Postal Committee reported ad-
versely the joint resolution granting
Congressional franking privileges in-
definitely.

The Three Per Cent. bill was con-
sidered.

Plumb's amendment to the sur-
plus revenues, \$100,000,000, the
reduction of the public debt was de-
bated.

After some debate Plumb's
amendment was lost, 37 to 52.

Plumb's amendment was re-opened
on an amendment by Teller declar-
ing new bonds legal and valid obli-
gations.

Vest opposed the ratification of
Windom's act. He wanted the
country to pass on the validity of
the bonds, and the republican party
to take the responsibility. He wanted
Windom, who asked what was the
particular act, the unconstitutionality
of which he objected to.

Windom said the Senator him-
self was the act by which the Sec-
retary of the Treasury, without an act
of Congress, authorizing him to do it,
called on creditors holding 5 and 6
percent. bonds, and said to them,
I will treat with you with regard to
the terms on which these bonds shall
be continued.

Treasury did not such thing.

Vest—The whole country knows
the position of that matter, and there
can be no mistake about it.

Windom said the Senator him-
self does not know it? Does he know
it?

Vest—I will not let the Senator
judge that for me. I believe he has
violated the Constitution, and I am
willing to leave that to the people.

Congress had pointed out
the way to meet the emergency of
bonds falling due.

Windom, interrupting at that
point—I say the bonds did not come
due. They were payable at the
pleasure of government, and they
so stand to-day.

Madame Janaschek, attended by
a number of her dramatic company,
with the prisoner, who, treated her
very courteously.

Franking.
The adverse report by the com-
mittee on postoffice and post-roads
on Senator Logan's bill to restore
the franking privilege, occasioned
a discussion in the Senate.

The prisoner became very much
excited during the interview, in which
he denounced both the attorney and
Scoville.

Madame Janaschek, attended by
a number of her dramatic company,
with the prisoner, who, treated her
very courteously.

Temporary Appointment.
Senator Miller, to-day, by request
introduced a bill providing that in
case of a vacancy in the office of
District Attorney or Marshal in any
circuit, a temporary appointment
may be made by either the Supreme
Court Justice or the Circuit Judge.

until the vacancy is regularly filled
by presidential appointment and
confirmation by the Senate. This
amendment of the present law,
which confirms the power to make
such temporary appointments in the
Supreme Court Justices, was sug-
gested by the actual condition of
affairs in California when Marshal
Poole's term expired, and with it
the temporary appointment of all his
deputies.

Miller said he had been re-
sponding to the President it became
necessary to communicate with
Justice Field at Washington for an
advised appointment.

Miller said he had been re-
sponding to the President it became

Justice Field at Washington for an
advised appointment.

changed the outlook in regard to
the measure, and the universal be-
lief to night is that the bill will be
passed to-morrow.

Opposing Admission.
New York, 2.—The Herald has
an editorial on the admission of Da-
kota to statehood, wherein it says:
With the rotten borough of Nevada
before the eyes, as a monument of
deceit, the New York senator or
representative who votes to invest
the 185,000 inhabitants of Dakota
with equality with the 5,000,000 in-
habitants of New York in the Fed-
eral Senate, lately de-fraud and be-
trays his own constituents, unless
he can find a better reason for his
vote than the fact that the new
two senators to be elected from the
new State will be republicans in
their partisan politics, and so will
give the republican party control of
the upper branch of Congress. Is
there any other reason? None is
advanced in any quarter. It is not
alleged that Dakota is suffering in
any particular reason by a territorial
government.

The Mexican Railway Co.
At a meeting of parties most in-
terested in the Mexican National
Railway, held to-day, it was an-
nounced that of a total of 729 miles,
802 are being constructed, including
the Corpus Christi connection, and
550 graded. Ties are provided and
paid for 582 miles, and rails and roll-
ing stock on hand and paid for to
cover the 229 miles. The work is con-
siderably more than was covered by
previous subscriptions. It was decid-
ed to increase the stock of the Con-
struction Company by \$300,000, one-
third of which was subscribed at
the meeting. The remainder was
assured, but has first to be offered
pro rata to existing stockholders.

Belong's Record.
The Herald furnishes the follow-
ing:
Paris, Feb. 2.—The following im-
portant dispatch was received direct
this morning from Lieut. Danen-
hauser at Irkutsk: Our three boats
left Verkhne-Irkutsk on the morn-
ing of September 12th, bound
for Barknot, 95 miles distant. We
got clear of the ice at noon. There
was then a heavy gale from the
north-east, and the river dispersed.
During the night the captain's boat,
which was loaded heavily, lost her
mast and sails. We made land on
the evening of the 17th, in shallow
water. The boat was abandoned
two miles from the beach and our
party waded and reached the de-
serted village of Sagapp. We saved
the boat and proceeded south Sep-
tember 18th. Lieutenant DeLong
lost record, which we have found,
reads as follows:

Saturday, October 1, 1881.
Fourteen officers and men of the
Venezuela reached this port Wed-
nesday morning, 28th, having been
forced to wait for the river to freeze
over, are proceeding to cross to the
west side this morning on their
journey to reach some settlement
on the River. I have two day
provisions, but having been fortu-
nate thus far to get game in our
present needs, we have no fears for
the future. Our party are all well,
except Hans Erikson, whose toes
have been amputated in conse-
quence of frost bite. Other records
will be found in several huts on the
east side of the river, along which
we have been from the north.
(Signed) GEORGE W. DeLONG.

Three other records have been
found. Erikson died October 7.
The party were in great distress for
want of food. Norwood and Nidde-
mann were sent ahead for relief Oc-
tober 9. They marched south for 15
days, and were found in a starving
condition October 24 by three na-
tives who took them to a settle-
ment. They could not make them-
selves understood. News of them
reached us October 28. Immediate
search was commenced and the
party were traced to the wilderness
of the west bank of the Lena. Na-
tives refused further work and re-
turn to Collanga was necessary to
get Russian assistance on Nov. 23.
A large force was now searching for
them to dig out everything, as the
ground is deeply covered with snow.
The wilderness is devoid of game.
Very prompt and efficient action
was taken by the Russians. Every
effort is being made. Jack Cole is
tranquil to-day; he is violent at
times. He has softening of the
brain. My left leg is ruined and
my right one badly impaired. Other
men well.
(Signed) JOHN DANENHAUSER.

Jewish Sympathy.
Chickering Hall was densely pack-
ed to-night by citizens, friends and
daughters, who came to listen
to addresses by eminent men, with-
out distinction of creed, expressing
sympathy with the persecuted Je-
ws of the Russian Empire. Mayor
Grace presided and a large num-
ber of New York's most dis-
tinguished citizens were chosen
vice-presidents, and many occupied
the platform. Among the ad-
dresses were Hamilton Fish, Ex-Mayor
Riley, Robert Bonner, J. L. Kennedy,
Hugh Amos, Edward Pierpont
and Wm. Dowd. Fitting res-
olutions were adopted, friendly
protestant against recent inhumanities
toward the Jews. Everett, Noah
Davis, and several clergymen spoke.

Finby.
CHICAGO, 2.—A lot of canned sal-
mon has been uncovered in the pos-
session of or belonging to J. K.
Armstrong & Co., the label of which
indicated that it was packed by
Lans, Pike & Nelson; Fraser & Iver,
British Columbia, and as such to be
liable to a customs duty if not al-
ready. The customs department
have determined the investigation.
The goods are to be held intact
pending such investigation. The
firm of J. K. Armstrong & Co. claim
that the fish are the pack of a San
Francisco packing establishment,
who running out of labels, bought
the Fraser River Company in San
Francisco. There are other features
about the matter that have an odd
look, but the fact will come out soon,
in tone towards Russia but earnestly.

Libel Suits.
DENVER, Col., 2.—The Denver &
New Orleans Construction Co., to-
day brought suit against the Denver
Republican Publishing Co., for libel,
alleged to have been committed in
publishing articles stating that the
company was financially embarrassed.
The Republican will file an
answer to-morrow, giving allega-
tions on all points. They authorize
the statement that they have di-
rected attorneys to bring ten suits
of libel against John Evans, president
of the Denver and New Orleans Co.,
for ten different publications in Den-
ver dailies over his own signature,
these suits to be in the sum of \$100,
000 each, and to be followed by
criminal suits.

The Sherman Bill.
The sub-committee of the House
committee on judiciary, in charge of
the bill to prevent persons living in
bigamy or polygamy from holding
offices of trust in the United States,
has decided to report the bill to the
full committee, as amended by Rep-
resentative Culverston, so that the
provisions of the bill shall not apply
