Is Issued Mondays and Thursdays and Contains All the Cream of the Daily and Saturday News.

LOCAL BRIEFS.

Secy. Walter Scott of the Utah Mining Machinery and Supply company is suffering from a serious attack of weakness of the heart, but is now considered out of danger.

City Recorder-elect John B. Moreton has filed his bond with Recorder Critchlow in the sum of \$5,000, with the United States Fidelity and Guaranty company of Maryland as surety.

Five hundred money orders were cashed yesterday at the postoffice, but today the number is lessening, and by the end of the week the normal business of the office will have been resumed.

Justice S. C. Crowley of Idaho Falls delivered over to the military authorities at Fort Douglas yesterday afternoon an alleged deserter, George Grogan of the Twelfth heavy battery at Fort Wright, N. Y.

Alma D. Katz was made the happy possessor of a magazine shot gun as a Christmas present by the clerks in his office at Boise, on the occasion of his departure for Portland to be manager there for the insurance company which he represents.

Chairman George H. Maxwell of the executive committee of the Rural Settlements association of New York wants an automobile, and has been sent Salt Lake to the Yellowstone, thence to Seattle and thence down the coast to Los Angeles, a distance of 5,000 miles.

Private Robert E. Roth of the Twenty-ninth infantry band has been transferred to the Fourth Infantry band at Fort Thomas; and Private William F. Southerly of F company, Twenty-ninth infantry has been transferred to the Seventeenth infantry at Fort MacPherson.

On Friday night next a dancing party complimentary to Elders George P. Trayner and Charles E. S. Parsons, who leave soon on a mission to Europe, will be given in the Nineteenth ward hall. Friends of the departing missionaries are cordially invited to be present and are assured a most enjoyable time.

A dense fog spread over the city from 6 to 8 a. m., and this morning the train was covered with a frozen mist. Traffic was uncertain for a time, and many explanations made pointed references to the fogs in "dear old Lammun." These fogs are not uncommon in Salt Lake at this time of year.

For the three days ending last night, the coal receipts in this city amounted to 117 cars, 47 cars arriving from Wyoming. The receipts today are not very large, as the miners are not working on Christmas day. They generally take a three days' lay off at this time, but owing to the scarcity of coal waived the customary extension of holiday vacation.

Visiting Idaho Falls citizens report 15 brick business structures built there this current year, and it is pointed out to macadamize the principal streets of the city. A thousand cars loads of grain and produce were shipped from the Falls during the year, and farm lands have advanced from \$15 and \$25 to \$50 and \$75 per acre. The expectation of new railroads is also encouraging the citizens.

Fifty children of the Congregation B'nai Israel were entertained yesterday afternoon, by the ladies of the Temple auxiliary, in Unity hall. There was an orchestra and dancing, and afterwards refreshments were served. The entertainment was part of the "Feast of Lights" of the Jewish church commemorative of the struggle of Judaism against Hellenism, 180 B. C. The feast will be further observed next Friday night, in the Jewish Temple.

Lester Freed has taken charge of the Southern hotel and placed his brother, Claude Freed, in charge, as the lessee C. R. Bruket is indebted to Mr. Freed in the sum of \$15,000 for hotel furnishings which were to remain Mr. Freed's property until paid for. The hotel has been apparently doing a good business, but under present conditions has not proven a money making investment, and Mr. Bruket turned the hotel over to Mr. Freed. The hotel will reopen under the new management next Monday.

Zion's Savings Bank and Trust Company was organized in 1933; has opened over 40,000 savings accounts, and now opens an average of more than 10 new accounts every day. We want YOUR business. Joseph F. Smith, President; George M. Cannon, Cashier.

WHY NOT NEW YORK?

Colorado and Utah have had, during the past year, a large number of visitors from New York. Since then we have the compliment by visiting the American metropolis this winter. There is the grand opera for seventeen weeks, there are fifty-five theaters, scores of music halls, there is practically a new hotel opening every week, and there are a thousand and one attractions, the study of which will give one a liberal education.

The New York Central Lines have such attractive trains that it is a real pleasure to ride over them either from Chicago or St. Louis. From Chicago they include the "Twentieth Century Limited," the great eighteen-hour train to New York, the Lake Shore Limited, the Wolverine Limited and six other trains per day, and from St. Louis the "Knickerbocker Special," which is one of the finest trains on this continent.

The Denver office of these lines is at 1017 Seventeenth Street.

The numbers entitled to the dolls given away by the Paris Millinery are 11,759, 16639, 1651.

CHURCH DEMURS TO AMENDED COMPLAINT.

A demurrer to the second amended complaint in the tithing case of Don Carlos W. Musser and C. A. Smith, waiters against President Joseph F. Smith and other Church officials has been filed in the district court by the attorneys for defendants. The demurrer alleges that the complaint does not state facts sufficient to constitute a cause of action and that part of the complaint, particularly the ninth paragraph, is unintelligible, ambiguous and uncertain in that it fails to give the names of persons who bequeathed property to the church and the dates of the same. Plaintiff's in their complaint seek to compel defendants to account for the tithing and other Church funds and to restrain them from investing the same in commercial enterprises. Judge Morse recently sustained the demurrer of defendants to the first amended complaint whereupon plaintiff filed another amended complaint which is also demurred to.

VISITED HILL CUMORAH

Church Officials Stop at Palmyra and Hold Service.

Rochester, N. Y., Dec. 26.—A party of 30 "Mormons" from Salt Lake City, arrived in Palmyra this morning in a special car, having come from Utah to inspect Mormon Hill, located near Palmyra, village. The party was in charge of George Albert Smith. When they arrived at the place where it is claimed Joseph Smith dug up the golden plates on which were the inscriptions that formed the "Mormon Bible" a short service was held.

MISS KELLY LAID TO REST.

Funeral services over the remains of Miss Cecelia Kelly were held in the Seventh ward meetinghouse Tuesday, Dec. 26, at 1 p. m., under the direction of Bishop Charles P. Margrett. Beautiful music was furnished by the ward choir, with Miss Grant and Miss Cooper as soloists. The speakers were Elders Joseph L. Horne and J. H. Paul of the L. D. S. University and Elder David McKenzie, they testified to the purity of life of the deceased and to the glorious future awaiting her in the life beyond. The opening and closing prayers were offered by Elders William McLachlan and A. C. Thorn, respectively, and the grave was dedicated by Elder Charles H. Hyde.

FIRE LOSS ADJUSTED.

Home of James G. McDonald Came Near Being Destroyed.

Fire insurance underwriters today adjusted losses to James G. McDonald whose residence had a narrow escape from destruction on Sunday night. The matter was not reported to the fire department, as through the promptness of the owner the flames were readily overcome.

Mr. McDonald was leaving his home, 22 east Fourth South, when he smelled something burning. He investigated, and upon entering the kitchen found a lively blaze in progress. Without any delay he seized the extinguisher in the hall and started into work. After considerable effort he subdued the blaze. Considerable clothing, a week's washing and some furniture were burned while the woodwork of the kitchen was badly scorched. Had not the fire been discovered when it was the chances are that the house would have been badly damaged, if not destroyed.

THE DRESS OF CHRISTMAS.

Yesterday afternoon was a busy one for Judge Diehl. When he took his place on the bench for the afternoon grind he was faced by 60 defendants. The charges included drunkenness, vagrancy, petit larceny, fighting and indecent conduct. Henry Smith, for the latter offense was sent up for 25 days, and Jim Wilson was given 30 days for stealing an overcoat.

In Praise of Chamberlain's Cough Remedy.

There is no other medicine manufactured that has received so much praise and so many expressions of gratitude as Chamberlain's Cough Remedy. It cures, cures, and cures. It follows its use. Grateful parents everywhere do not hesitate to testify to its merits for the benefit of others. It is a certain cure for croup and will prevent the attack if given at the first appearance of the disease. It is especially adapted to children as it is pleasant to take and contains nothing injurious. Mr. E. A. Humphreys, a well known resident and clerk in the store of Mr. Lock of Alice, Cape Colony, South Africa, says: "I have used Chamberlain's Cough Remedy to cure my croup and colds in my family. I found it to be very satisfactory, and it gives me pleasure to recommend it." For sale by all druggists.

NEW HYMN BOOK AND PSALMODY.

A new edition of the L. D. S. Hymn Book (the twenty-fourth), revised under the direction of the Church Authorities, has just been issued by the Deseret News. Many improvements will be observed. The names of the authors, as far as they could be ascertained, have been appended to each hymn. Special type was selected for the edition, to secure a large, plain and bold print, without increasing the size of the book. Thirteen new selected hymns have been added to the collection, among which are "Onward, Christian Soldier," "Peace Be Still," "Rock of Ages," "Abide With Me," the two National anthems, "America" and "The Star Spangled Banner," and several others.

NEW PSALMODY.

A new edition of the L. D. S. Psalmody has been issued to correspond with the revised Hymn Book. It also contains the music for the additional thirteen hymns. New plates have been made throughout. The book, though enlarged in its number of pages, has been somewhat reduced in form, making it more convenient for choir use. The price has also been reduced in the various binds, as follows: Cloth, \$1.25; half leather, \$1.50; limp leather, \$1.75; and full morocco gilt, \$2.50. Both Hymn Book and Psalmody are now ready at the Deseret News Book Store.
