What might Have Been Her

What Hight Haye Been Heard. Almost any day during the Centennial, a knot of physicians might have been seen rathered around the closant glass case, standing in the Main Building in which Benson's Capcine Porcus Plaster was ex-hibited. discussing its merits and superi-ority over other porcus plasters, and the praise fall from their lips as they spoke of the revolution it would likely effect in re-medies for discases treated externally, such as rheumatism, lame and weak back, spi-nal and kidney discuse, schattics, lumbago, sprains and bruises, and all aches and pains of a ford instruct. With these opinions the contemnal lurors, who were also learned physicians, were in perfect accord, and awarded the manufacturers of Benson's Cupcine Plaster the only medal given to paire Spine is cut through each pias-ter. Sold every where, Price 25 cents. BENSON'S CAPCINE POROUS

was invented to overcome the great objec-rion ever found to the old style of porous plasters, that of slow action in bringing re-lieves pain at once and cures quickly. It imparts a sensation of gentle and slimu-lating warmth and brings re t and comfort to the sufferer. Omaha.
