Let it be forever remembered that the

is the best and shortest route to and from Chicago and Council Bluffs (Omaha), and that it is preferred by all well posted travelers when passing to or from

CALIFORNIA AND COLORADO.

It also operates the best route and the short line between

Milwaukee, LaCrosse, Sparta, Madison, Fort Howard (Green Bay), Wis., Winona, Owatonna, Mankato, Minn., Cedar Rapids, Des Moines, Webster City, Algona, Clinton Marshalltown, Iowa, Freeport, Elgin, Rockford, Ill., are amongst its 800 local stations in its lines.

Among a few of the numerous points of superiority enjoyed by the patrons of this road are its DAY COACHES which are the finest that human art and ingenuity can create; its PALATIAL SLEEPING CARS, which are models of comfort and elegance; its PALACE DRAWING ROOM CARS, which are unsurpassed by any; and its widely celebrated

NORTH-WESTERN DINING CARS,

the like of which are not run by any other road anywhere. In short, it is asserted that IT IS THE BEST EQUIPPED ROAD IN THE WORLD.

All points of interest North, Northwest and West of Chicago, business centres, summer resorts and noted hunting and fishing grounds are accessible by the various branches of this road.

Ask your ticket Agents for tickets via this route. ASK FOR NONE OTHER. All leading ticket agents sell them. It costs no more to travel on this route, that gives first-class accommodations, than it does to go by the poorly equipped roads.

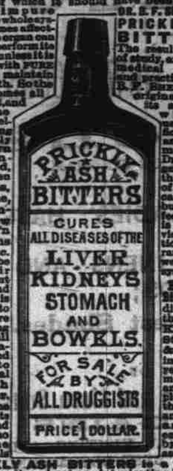
THE LIVER AND ITS FUNCTIONS.

It has become a well established fact that the largest portion of diseases to which the human family is subject arise from a torpid condition of the Liver. This organ is not only the largest, but at the same time one of the most important. The venous blood, on its return to the heart, passes through this organ, and in its passage the impurities, as also the properties which is necessary for digestion and purification of the blood, are eliminated. From this it is easily seen that the Liver is liable to get out of order to a greater or less extent, and when this occurs it is impossible for it to properly fulfil its office of removing all objectionable matter from the blood, and allows it to pass through, carrying with it the poisons of which it should have been relieved.



A PURE blood the whole system becomes adorned, and no organ can properly perform its function unless it is supplied with pure BLOOD to maintain its strength. Both become important, and when one is the cause of being continually tired, worn out, in constipated, with feelings of weariness, Dizziness, Eruptions of Skin, etc., they may be sure their Liver is out of order, and a remedy is required to enable it to perform its part in relieving itself of all these conditions, and restore it to its original Strength and Vigor. For all the complaints of this kind there is no medicine that equals

PRICKLY ASH BITTERS,

The result of years of study, experiment and medical research by DR. H. F. WALKER, its originator. A trial is only needed wherever used to satisfy the most skeptical that this is by their nature to act directly on the Liver, Kidneys, Stomach, & Bowels, in a mild yet effectual manner, and is so pleasant to the taste as to be taken by children as readily as adults.

PRICKLY ASH BITTERS is a medicine of rare merit, and not an intoxicating beverage, and being purely vegetable in its composition can be used at all times with beneficial results. It is not claimed as a cure-all, but for derangements of the organs mentioned, it is a specific, and, as a BLOOD PURIFIER ranks above all other preparations. Ask your druggist for it, and give it a trial. If he has none on hand, can send it to be ordered for you.

EVENING NEWS.

Friday, - July 25, 1884.

SUMMIT COUNTY CONVENTION.

Minutes of convention of the People's party of Summit Co., held in the County Court House, Coalville, July 19th, 1884.

Called to order by Alma Eldredge, chairman of central committee.

A. L. Smith was elected temporary chairman.

O. F. Lyons was elected temporary secretary.

The chair appointed a committee on credentials, who reported the names of delegates entitled to seats in the convention.

E. R. Young was elected permanent chairman. Thos. Alston, permanent secretary, and R. Salmon chairman.

E. M. Allison was elected sergeant-at-arms.

The chair appointed a committee on resolutions, pending deliberations of which the convention took a recess.

The committee reported the following resolutions:

Resolved, That we the members of the People's Party in Summit County, in convention assembled, reaffirm the principles adopted at the Territorial Convention of the People's Party held in Salt Lake City Oct. 13, 1882.

2nd. We point with pride and satisfaction to the faithful and economical administration of the county affairs by the People's Party, no instance can be truthfully brought of any charge of embezzlement or defalcation of the public funds, nor of any act of public dishonor.

3rd. We denounce as false and utterly unfounded the charges made against the People's Party by a faction of the "Liberal" party of Summit County at their recent convention held at Coalville, and have satisfactory reasons for believing that the charges and sentiments expressed in the resolutions adopted at said convention are not entertained by the better element of the "Liberal" Party.

4th. We assert that many of the sentiments set forth in the "Liberal" resolutions are in direct violation of some of the most sacred and cherished principles of the American people, and inimical to the spirit and genius of the Constitution of our country.

5th. We hold the charge made by the "Liberals" of Summit County that "the Mormon Church under the name of the People's Party enslave the souls and bodies of men, women and children," to be unworthy of serious thought or consideration and could only be made by wilfully ignorant and unprincipled persons.

6th. We most emphatically and unreservedly deny the accusation that the tenets of any church, or that any doctrines antagonistic to American institutions, are taught in the Public Schools of this County; but we do affirm that the course of instruction followed in our Public Schools is of the same character, and that the class of text books used are the same that are in use in many of the Public Schools in the Union.

7th. We affirm that proper and correct reports of the receipts and disbursements of the public funds have been published and furnished as required by law.

8th. The People's Party, being of the people and for the people, favor such legislation as will give to the people the greatest degree of liberty, and preserve to them the institutions of local self-government, and afford the greatest and best protection to life, liberty and property.

The resolutions were adopted and the committee was discharged.

A motion that nominations be made from the body of the house was carried. Also the motion that a majority of the votes cast constitute an election.

The Chair appointed R. Wickle and T. L. Allen tellers, and proceeded to ballot with the following result:

For Probate Judge, Alma Eldredge, of Coalville.
Selectman, W. W. Cluff, of Coalville.
County Clerk, Thomas Alston, of Hoytsville.
Sheriff, E. M. Allison, of Coalville.
Coroner, James McCormic, of Kamas.
Assessor and Collector, A. L. Smith, of Coalville.
Recorder, John Boyden, of Coalville.
Prosecuting Attorney, O. F. Lyons, of Peoa.

The following were appointed members of the People's Central Committee of Summit County for the ensuing year:

Coalville, Alma Eldredge, T. L. Allen, Geo. Beard, W. W. Cluff; Peoa, O. F. Lyons; Wanship, E. R. Young, Sr.; Kamas, John Pack, Jr., W. E. Pack; Grass Creek, E. W. Reese; Hennefer, Wm. Brewer; Parley's Park, William Archibald; Upton, L. L. Randall; Echo, Richard Wickle; Park City, A. E. Keeler; Hoytsville, Thos. Alston; Rockport, John M. Malin.

On motion the Chairman and Secretary were authorized to publish the minutes of this convention. After a vote of thanks extended to the officers, the convention adjourned.

E. R. YOUNG, SR., Chairman.
THOS. ALSTON, Secretary.

From these sources arise three-fourths of the diseases of the human race. These symptoms indicate their existence: Loss of Appetite, Bowels costive, Sick Headache, fullness after eating, aversion to exertion of body or mind, Eructation of food, Irritability of temper, Low spirits, a feeling of having neglected some duty, Dizziness, Fluttering at the Heart, Dots before the eyes, highly colored Urine, CONSTIPATION, and demand the use of a remedy that acts directly on the Liver. As a Liver medicine TUTT'S PILLS have no equal. Their action on the Kidneys and Skin is also prompt; removing all impurities through these three "scavengers of the system," producing appetite, sound digestion, regular stools, a clear skin and a vigorous body.
