for the use of R. R. employes and travelers yet introduced. The following are presented as speciment of these testimonials. TESTIMONIAL. UNION PACIFIC R.R., OFFICE OF GEN'L SUP'T, OMAHA, Dec. 16, 1885. Hon. T. M: AVERY, President National Watch Co., Chicago, Ills. Dear Sir:-During the month that I have car-ried one of your "B. W. Raymond" Watches it has not failed to keep the time with so much accuracy as to leave nothing to desire in this regard. For accuracy in time keeping, beauty of movement and finish, your Watches Challenge my admiration, and arouse my pride as an American, and I am confident that in all respects they will compete successfully in the markets of the world, with similar man-ufacturers of older nations. They need only to be known to be appreciated. Yours most respectfully, TESTIMONIAL. Yours most respectfully, C. G. HAMMOND, Gen'l Sup't. OFFICE OF THE HUDSON RIVER RAIL ROAD, Gen'i Sup't, New York, Jan. 17, 1870. T. M. AVERY, Esq., President National Watch Co.: Dear Sir.-The Watch made by your company which I have carried the past two months, has kept excellent time. I have carried it frequent-ly on engines, and have been on the road with it almost daily. During this time it has run uniformly with our standard clock. Truly yours J. M. TOUCEY, Gen'l Sup'L The following dealers also, in various parts of the country, have certified that they consider the Eigin Watches to be all that the company have advertised them, as better finished, more correct and durable, than any in market of similar price, and that they have great confi-dence in recommending them to the public, on account of their general merit.
