

LOCAL AND OTHER MATTERS.

NOTICE-POSTPONED.—The performance at the Theatre, to-morrow evening, is unavoidably postponed, on account of the severe indisposition of John C. Graham, Esq., and Mrs. Kiskadden.

SENTENCED.—John Corbett, whose burglarious attempt in Tooele city, a few days since, was recorded in the News day before yesterday, had his trial, at the Probate Court in Tooele, on Wednesday, and was sentenced to six months' imprisonment. Yesterday he was brought to this city in custody of Deputy Sheriff Wm. Brackon and others, lodged in the city prison last night and this morning was placed in keeping of Warden Rockwood at the Penitentiary.

TOMATOES.—We are under obligations to Brother H. S. Doremus for a quantity of fine tomatoes, of the General Grant, Fejee and Golden Cluster varieties. The first named are of very fine quality, ripening earlier and more evenly than the other kinds.

LIPPINCOTT'S PERIODICALS.—We have received from the publishers, Lippincott & Co., of Philadelphia, the September numbers of *Good Words* and the *Sunday Magazine*, both illustrated monthlies, combining useful with religious literary matter, designed especially for Sunday reading. *Good Words* is published at \$2.75, and the *Sunday Magazine* at \$3.50 per year.

The following is the table of contents of the former:

Fernhurst Court, Crime in the Army, Married Lovers, Wanderings in the Desert of the Exodus, Half-hours in the Temple Church, Not Alone, Dorothy Fox, From Calcutta to Alexandria, Simon the Cyprian, The Country of the Camisards, Letters from the Tropics.

In the *Sunday Magazine* will be found the following:

Episodes in an Obscure Life: being experiences in the Tower Hamlets; The Saving Power, On the Miracles of our Lord, The Lord Spelling Balm's Promotion, To Thee, The Call of the Child, In the Mount, the Lord it Shall be Seen, Passover, Observances, On Giving Holy Things to Dogs and Casting Pearls Before Swine, The Companions of St. Paul, Fading with the Snowdrop, Supplement—Notes for Readers of the Way.

ANNA LINDENBERGER.—Information is wanted of the whereabouts of the above by J. H. Isham. The lady inquired for was formerly of Mayaguez, Germany. Address J. H. Isham, at Townsend House.

"HARPER'S MONTHLY."—Harper's Monthly, for October, is for sale at Dwyer's Railway News Depot. It is a very interesting number.

A MONSTER'S JAW.—Numerous reports have been in circulation concerning monsters having been seen by one and another in Utah Lake and on its borders. Men, whom we would readily believe upon any other subject, have stated that they saw a monster, and have described it with a minuteness that has left their hearers but little foundation to dispute them. These reports were the topic of conversation a few years ago; but, latterly, we have heard but little about them; the interest in such things having been absorbed in the many statements which have appeared concerning the Bear Lake monster. We have received a letter from our correspondent at Springville, Utah Co., Bro. Charles D. Evans, a man of veracity and good judgment, which we herewith append. The interest that has been felt in this subject will now be renewed, and there will be a great curiosity to see the portion of the skull which has been found. It should find a place in our Museum, and undergo an examination from an experienced naturalist.

SPRINGVILLE, Sept. 7, 1870.
Editor Deseret News:—Dear brother, the Messrs Dallin of this place, well known for their fishing proclivities, while plying their favorite vocation on the shores of the lake, found a section of the skull of the Lake Monster, at least all who have examined it, thus far, so suppose it.

The portion of the skull, judging from the apertures, must have been as large as those of an ox. It has a snout projecting from the back teeth, five inches long; on the whole it is quite a curiosity. The skull is in my possession and can be seen at any time.

Yours,
C. D. EVANS.

SINGULAR DEATH.—A Mrs. Wells, who resides two miles from Omaha, was poisoned a short time since in a most singular manner. In administering restoratives to a cow which had a cancer, some of the poisonous substance was communicated to her face. At first the inflammation which resulted therefrom was supposed to be the result of a cold. Before a physician was sent for the deadly poison had infected the blood. She suffered terribly until last Saturday night, when, as the Omaha Herald says, she died.

REVOLUTION IN MEDICINE!
THERE is no disease but Walker's Vegetable Bitters will cure. Their great success in healing all ailments is proving to the world that Doctors are the greatest humbugs of the age. Mr. Walker challenges the medical fraternity to show him a disease for which his BITTERS are not a cure, and if it can be done he stands ready to donate FIVE HUNDRED DOLLARS to any benevolent institution in the United States to be named by the person who will prove that the above assertion is not true.
