MORGAN.

FOUR INCHES OF RAINFALL.

Local Telephone System for Morgan County—Election Contest.

Special Correspondence.

Morgan City, Morgan Co., Nov. 27.—During the recent seven days storm nearly four inches of water fell in this vicinity, and more snow is predicted for the last week, while there last winter, and oh, what mud we have now! The health of the people in this place is phenomenally good.

Telephone System.

Morgan county is to have a local telephone system in the near future, a company is to be incorporated with a capital stock of \$25,000, divided into 500 shares of the par value of \$5 each, when 50 shares are taken, the officers of the company will be elected, the poles are being all up in south Morgan and to Milton, four miles distant. They are also being erected from Porterville to Morgan, and will continue on from Milton to Peterson. This will be a great local benefit.

In the contest case of G. Helmer, Republican, vs. J. R. Rawls, Democrat, who were tried in the recent election for the office of treasurer, attorneys are making investigations, and if sufficient grounds are found, application will be made for opening the ballot boxes in this county.
