Boring Wells for Water for Sprinkling—Canyon Fence Building Postponed.

SESSION OF CITY COUNCIL.

Closing of Twenty-Eighth Street Under Consideration—Alleged Burglars Arrested—Home Robbed.

Ogden, July 30.—According to the report of Commissioner O. B. Maudson before the board, the experiment tried by the commissioners to bore a well to get water to use in sprinkling the road in the Wilson precinct has been so successful it has been decided to have another well near the west city limits of Ogden. The well made at Wilson was driven 160 feet at a cost of \$40, and flows sufficient water for the purpose for which it was made.

County Atty. Harris reported having filed two complaints in the municipal court against Kohn, the liquor merchant, charging him with violating the law by peddling liquors throughout the county.

The work of erecting the fence in Ogden canyon was postponed for a couple of months as it has been impossible to get men to do the work at the present time, there being so much work going on at other places at better wages.

Judge V. C. Gunnell appeared before the board and urged that the commissioners grant his request to pay to Probation Officer H. C. Jacobs \$25 per month for his services in looking after the delinquent youths of the county. The board took the matter under advisement.

Commissioner Moore reported having postponed the building of the proposed new bridge over North Fork, as the road supervisor has a move on foot to buy a strip of land along the side of the stream and thus save building the bridge, which would be much less expensive.

On recommendation of Overseer of Poor Joseph Stanford an appropriation of \$25 was made to buy an iron brace for a man named Butterfield, who was injured in a railway accident and was unable to get his work.

of the city council was occupied last night in the consideration of the petition of the Ogden Union Railway and Depot company to close Twenty-eighth street, and to open Third and Twenty-ninth streets. The petition cited as a reason for this request that the company could give better service to vehicles and pedestrians that crossed the tracks, if the last named street was opened in place of Twenty-eighth street, which intersects with 13 tracks and spurs. Many taxpayers from that district appeared with a liberally signed petition remonstrating against the closing of Twenty-eighth street. The matter was referred to the law committee and the city attorney. A meeting has been called for Friday evening, when the taxpayers interested will be given an opportunity to be heard.

The contract for building the new cement bridge across the Ogden river near the mouth of the canyon was awarded to the United Concrete company, whose bid was the lowest of three considered a week ago.

The contract for curbing and gutting Wall avenue from Twenty-fifth and Twenty-sixth street went to the Wheelwright Construction Co., and the contract for building a sewer on Monroe avenue from Twenty-sixth to Twenty-seventh street was awarded to J. P. O'Neill. Payrolls aggregating \$22,466.92 were allowed.

ARRESTED FOR BURGLARY.

Sheriff Sebring returned to Ogden yesterday afternoon having in custody Charles Mauripies, who will likely be charged with burglary. He was arrested at Elkhart by a deputy sheriff of that place. He was attempting to sell suits of clothing and underwear bearing the firm mark of "Watson-Tanner Clothing Company" of this city. He had three boys' suits in his possession and two union suits when arrested. Last evening Mr. Tanner of the clothing store called at the sheriff's office and looked at the clothing. He found that it belongs to the full stock of goods which has not yet been turned over to them but is still in the possession of the freight company. The supposition is that Mauripies burglarized a freight car and stole the goods, then took them south to Elkhart. He found that it belongs to the full stock of goods which has not yet been turned over to them but is still in the possession of the freight company. He found that it belongs to the full stock of goods which has not yet been turned over to them but is still in the possession of the freight company.

DEPRAVED YOUTH.

One of the worst cases of depravity that has been under the investigation of Sheriff Sebring has come to light in the arrest of an 18-year-old boy who

lived on Quincy avenue near Twenty-seventh street named John Drysdale, who was arrested yesterday afternoon by Deputy Sheriff Barlow Wilson, to whom he has made a full confession. The victim of his depravity is a girl less than four years of age, whose name is withheld by the officers.

HOME BURGLARIZED.

Another burglary was committed last evening at the home of Joseph T. Gould on Read's avenue. The family had gone across the street to visit a friend and were astonished on their return home to find every room in the house ransacked. Entrance had been gained through a window by cutting the screen. Once inside the burglar lost no time in thoroughly searching the house. It is evident nothing but money and jewelry was wanted by the thieves. A check for \$2,000 by C. A. Nelson and four dollars in cash were all the burglars secured. The police are of the opinion that it is some one living in the neighborhood who is well acquainted with the houses who is turning the tricks.

DESTRUCTION OF FISH.

A report was brought to the "News" by deputy county clerk F. F. Dalton that thousands of fish are being sacrificed every year through the neglect of some one to see that a screen is placed over the head of a canal that takes its water from the middle fork of the Ogden river. This canal takes most of the stream of water and makes it go with it and die in the laterals carrying the water to the various farms. This is a condition that should be remedied at once and that protects the trout and other fish as the law provides. There are few fish enough in the stream for the fishermen to catch without permitting many to die in the manner reported by Mr. Dalton.

STOLEN GOODS RECOVERED.

Last evening Chief of Police Browning and Detective Pender recovered all the goods stolen Saturday evening from the home of William Jenkins on Lincoln avenue. The officers learned that a man had shot in the haystack of a Mr. Olsen. They found all the stolen goods hid in the hay.

OLD FOLKS OUTING.

Conductor O'Keefe, in charge of the freight, did not know the Heber train was due.

SPRINGVILLE.

SHOCKING GUN ACCIDENT.

Miss Jessie Packett Instantly Killed Through Reckless Handling of Gun.

SPECIAL CORRESPONDENCE.

Springville, Utah, Co., July 23.—A shocking gun accident, resulting in the death of a baby boy, occurred here yesterday afternoon and as a result Miss Jessie Packett was instantly killed. A number of young people were at the house of Jonathan Lambson, and one of them, Earl Lambson, had a double-acting revolver which he was showing. Miss Packett grabbed the gun and in a careless manner fired it. The bullet struck her in the forehead and penetrated her brain, killing her instantly. The coroner's jury returned a verdict of accidental death. Deceased was the granddaughter of Joseph Boyak of Spanish Fork. Her mother died at Ashley a few years ago, leaving a young and helpless family, the father left for parts unknown about a year ago, leaving the family to shift for themselves. The grandfather has been caring for them. Miss Jessie was a clerk in a small notion store at Spanish Fork until a few days since, when she came to Springville.

STATE NEWS BRIEFS.

Alpine News Briefs.—Mr. and Mrs. Parley Moyle are happy over the arrival of a baby boy on Monday morning. Mr. and Mrs. Ernest Clark also welcomed a new arrival at their home on Sunday. James Healy, who is over 80 years of age, and who had the misfortune to fall and break his hip some weeks ago, is still in a bad condition, but bears the affliction patiently and courageously. Crops of all kinds are doing well here. Grain is being harvested. The first cutting of hay is up. It was very light this season on account of the cold weather. The farmers expect a heavy second crop and unless they get it will not be very plentiful here this year.

Panguitch Notes.—The rock foundation is laid for the courthouse and school work will be crowded. The Presbyterian church is also being pushed. . . . A lovely rain came
