A lady's watch and guard found. See advertisement.

"LIGHTS OF LONDON" at the Theatre again this evening.

THOS. A. SHREVE, Esq., of Ogden, was visiting the metropolis today.

J. H. BARKER, of Newton, Cache County, has been appointed a notary public.

There is a message at the Western Union Telegraph Office for Mrs. S. Wimmerholm.

The Home Dramatic Club will give its third performance of "Lights of London" at the matinee to-morrow afternoon.

SORENSEN & CARLQUIST's delivery team indulged in a runaway this afternoon. It ran into and capsized a light cart, but no serious damage was done.

Arrest at Nephi.

Mr. John Woodward, of Nephi, was arrested yesterday on the charge of unlawful cohabitation. He was placed under \$1,000 bonds to await the action of the grand jury.

Sunday School Practice.

The Sunday school choir of the twenty-one wards of this city will please practice for the Desert Sunday School Union meeting to be held in the Large Tabernacle on Friday, October 7th, the following songs from the Union Tune Book: No. 29, "The Coming Day"; No. 91, "Give us room that we may dwell"; No. 73, "Let the Holy Spirit guide." THOS. MCINTYRE.

Fined for Fornication.

To-day in the Third District Court, Mrs. Sarah Carver, who was the victim of the alleged rape at Lake Park last May, by Philip Dreamark, now of Pocatello, Idaho, and who was indicted for fornication committed with the same individual subsequently, pleaded guilty to the charge. She is a widow, her husband having died in Boston three years ago. She came to Ogden a year ago, with her two small children. The court inflicted a fine of \$20 and costs, and in default of payment she was placed in the custody of the United States Marshal.

Fine Peaches.

John Willoughby, of the Eleventh Ward, brought to this office this morning, a basket of orange peaches, the largest in size we have seen this season. The flavor of the fruit was excellent, and the sample lot proved the superiority of this section as a peach growing country. Since the foregoing was in type, Mr. Frederick Walton of Centerville has brought a basket of splendid peaches to this office, the name of which he could not state. They are white and freestone, very large and of a very superior flavor. He sold some to day at \$3 per bushel.

The Interest of the "Instructor."

A. M. Buchanan started yesterday on a tour through the southern country in the interest of the "Instructor." The reason for his starting so early is that all subscribers for this magazine may be able to commence with the new volume in January, and thus secure all the numbers for 1948. This year there are so many new subscriptions received after the volume had commenced that the publishers could not supply all orders for complete files, but an endeavor will be made to avoid this in the future.

We commend Brother Buchanan to the residents of the south as a periodical he represents should have reception in every home of the Saints, and be read by both old and young.

An Unpublished Rejoinder.

We are in receipt of another communication from David Craft, of Ingersoll, Millard County, relative to the destruction of fish in the Sevier River, and to water rights along its course. It is intended as a rejoinder to W. V. Black's reply to Mr. Craft's first letter upon the above subjects, and seems to make a tolerably successful attempt in that direction.

Mr. Craft's second letter is not published for the reason that it is a continuation of a controversy inappropriate to these columns. If he or any other person has been injured in the right to use water, means of redress for the wrong are accessible; and if there has been an unlawful destruction of fish, a method of preventing a repetition of the evil is available.

"A Tin Soldier."

Concerning this farcical comedy, which is to be produced in the Theatre next week, the Pittsburgh Commercial Gazette has the following to say:

Chas. H. Hoyt's farcical comedy, "A Tin Soldier," similar in construction to the "Bunch of Korys," was given to the large audience at Liberty Hall last night. Mr. Hoyt does not lack any element of consecutiveness in this extravaganza, for he could not but for brilliant satirical and comical sallies, coupled with some very vocal interpretations, the show can't be beaten. It is neither uncast, immoral nor suggestive in any of its excesses or eccentricities, but intensely amusing and recklessly funny. The company is well constituted and very even and regular. The singing, from a vocal standpoint, is excellent.

In the application for citizenship of Jens P. Christensen, the Judge called him very closely as to his belief and intentions in obeying the law and otherwise, especially after ascertaining that he was a Mormon, in the following manner:

Q—Is polygamy a doctrine of your church?

A—I believe it is.

Q—What standing do you hold in the church?

A—I am a Teacher.

Q—What is your duty as a Teacher?

A—to teach the people.

Q—You understand the doctrine of polygamy, what would you do, or suppose you were directed to enter into polygamy by the First Presidency of your church?

A—I would know; I intend to obey the law, and also to obey counsel.

Q—Well, suppose you were told to enter into polygamy?

A—I could not receive it, because the law of the United States forbids it.

Q—But the question is, which law would you obey?

A—I would obey the laws of the land.

Q—Suppose you were told to counsel?

A—I would not counsel it.

Court, to Mr. Hiles—Do you want to ask the applicant any questions?

A—I think as in all other cases I have given my opinion in; if they hold obedience to a higher power than the government, or the United States, I would refuse him.

Judge—that is the question—whether he does or not.

The matter was taken under advisement.

COURT AT BEAVER.

Andrew Calton's Trial—A "Mormon" Acquitted.

Beaver, September 22.—The case of Calton, charged with the murder of Mike Cullen was called to-day. Dickson and Kane represented the people and Denny and Campbell the defendant. Twelve jurors were called, and all carefully examined by Dickson. Counsel for the defense challenged eight for cause. On Dickson's cross-examination of the challenged jurors, he denied three of the defendant's challenges, and the court sustained the defense. The defense then exercised six peremptory challenges, and the prosecution none. At this stage, counsel for both sides seeing that it was very doubtful if a jury could be secured from the number remaining in court, agreed on another venire being issued for fifteen more. The venire was granted, and made returnable forthwith. The nine remaining jurors were called to the box, and after examination by both sides, the defense challenged two more, for cause, the prosecution assenting. Seven now being obtained to try the case, they were duly sworn. One gentleman hesitated about taking the oath and was excused. Another, who held that marriage was a civil contract, and adultery a crime, was also excused. At this point, court adjourned until 2 p.m.

At the opening of the afternoon session, five more jurors were called to the box, making twenty-six in all. Of these the defense challenged three, for cause and implied bias, and the defense exercised one peremptory challenge.

Dickson appears to be leading in the prosecution, and is apparently conducting the case with great care, and with ideas of obtaining a legal jury. Calton maintained his blasé unconcern, and was not at all nervous, yet manifested considerable nervousness while in the courtroom. His eyes were light blue and his complexion dull and glazed through confinement. His countenance was very pale.

David W. Young brought to trial yesterday afternoon. A road jury was secured—composed mainly of young men, and the defense exercised one challenge. The case was continued to the next day.

The defendant was arraigned and pleaded guilty. He promised to obey the law in future, and was fined \$25.

The case of the People vs. Isaac Bullock; unlawful cohabitation, is in progress, and will occupy the rest of the day at least.

In the application for citizenship of Jens P. Christensen, the Judge called him very closely as to his belief and intentions in obeying the law and otherwise, especially after ascertaining that he was a Mormon, in the following manner:

The Alcazar Company.

This favorite dramatic combination are billed for two nights at the Theatre next week. In regard to one of their pieces, we have the following from the New York World:

"Last night, Clay Greene's new drama, 'The Golden Giant,' was presented for the first time here, before a large and thoroughly delighted audience. It is a well-knit, intensely absorbing, skilfully arranged drama, depending for effect not upon the adventurous aid of the carpenter and house painter, but upon the strong human interest, quick action, clever dialogues and genuine dramatic merit. The author, Clay Greene, possesses rare constructive skill and facility for writing telling dialogue. His characters are drawn boldly and offer a variety of contrast. The situation is fresh and about as dexterously and without apparent design, it contains all the elements of a successful play. The theatre during the evening at brief intervals, and the spectators dispersed, leaving every reason to be gratified with the hearty enjoyment it had afforded. The cast was excellent throughout, and the success of the play is assured. Mr. George Osbourne, as Jack Mason, gives a representation of an entirely new stage character, which is to be framed and hung in a gallery of dramatic art."

TWO ACQUITTALS.

The Petit Jury Vary the Monotony in Verdicts.

At the opening of the Third District Court this morning, the case of the United States vs. Nels Anderson, indicted for unlawfully fencing the public lands, was passed for the present.

The trial of the case of the United States vs. JAMES BISHOP, of this city, was then taken up, and a jury impaneled. The defendant was indicted for the offense of unlawful cohabitation with more than one wife, and entered a plea of not guilty.

Mr. Bishop was himself sworn as a witness, and testified that in the defendant in this action, live in the Sixteenth Ward, Salt Lake City; have lived there twelve years; married my first wife, Zina, in 1851, and have lived with her ever since; I have a plural wife, Rachael, who has lived in the same house with us for twenty years; have been married to her twelve-four years.

To Mr. Moyle—My wife Rachael has been an invalid for twenty-three years, and has never been able to be out in public during that time; her health has been such that she could not be left alone for a moment; I have not been able to provide another home for her, nor would it have been possible for me to do so under the circumstances; my first wife's family nurse her constantly; I still recognize her as my wife.

The defense presented a physician's certificate as to the condition of Mrs. Rachael Bishop, and showing that she was a confirmed invalid. The case was submitted to the jury on the Judge's charge, who returned a verdict of not guilty, and Mr. Bishop was discharged.

The trial of unlawful cohabitation against WM. H. HAGUE, of Taylorsville, followed that of Mr. Bishop, and a jury was called and sworn. There were three indictments in this case, and the prosecution elected to proceed on that covering a period from January 1, 1885, to December 31, 1885.

The others were dismissed.
