

## WANT BOAT LINES OF GREAT LAKES

Syndicates Endeavoring to Gain  
Control of Them.

## OPERATING MAKES TROUBLE

Annual Meeting of the Southern Pacific  
Company Will be Held in  
San Francisco.

The Chicago Chronicle this morning says: Another field of transportation to be covered by the syndicates that are working for the control of the great lakes is the control of the water lines and are working on a plan to combine the large boat companies on the great lakes with the intention of placing them in the big pool with the railroads.

All the big lines are to be brought into the fold and a common set of rates agreed upon that will not conflict or cause trouble in the all-rail lines from here to the East.

It is said that Morgan, Rockefeller, Harriman and Hill are the prime movers in the lake deal.

In the lake pool, Mr. Rockefeller will have his big fleet of ore boats operating between Cleveland and Buffalo and the ore ports of northern Michigan and Wisconsin. Hill will add the big liners of the Northern S. S. Co., including the passenger boats, the Northwest and the Northland. Morgan will contribute the vessels owned and operated by the Erie and Lehigh Valley roads, and Harriman will turn over the steamers in connection with the New York Central railroad system.

This will include ninety-five per cent of all the big boats on the great lakes, both freight and passenger.

## Trouble Over Pro-Rating.

The New York Times this morning says: Although at a conference of representatives of the trunk lines on Thursday it was agreed that the trunk line notice of abrogation of pro-rating on points west of Chicago, and the Missouri should go into effect on March 1st, it was learned yesterday that some of the lines are still accepting and pending freight to those points on the old plan.

These lines are the Chesapeake & Ohio, the Norfolk & Western, and the Atlantic City. The excuse given by them is that they being differential have not yet received notice from the trunk line connections that such an agreement has been made. They say that as soon as such notice has been received they will follow the new plan.

The attitude of these lines is causing considerable dissatisfaction among shippers which have already notified the differential connections of this attitude, as they fear that the western lines will throw their business to those lines which are still pro-rating.

## Will Meet in San Francisco.

The San Francisco Chronicle says this morning that the annual meeting of the Southern Pacific Company will be held in San Francisco this year as usual and not in New York. President S. P. Huntington will come out from the east to attend the annual meeting and several other New York directors are expected to be present. Only three of the eleven directors of the Southern Pacific are now residents of California. They are H. E. Huntington, Julius Kruttschnitt and J. C. Rube.

## Creighton's Letter.

Following is a copy of a letter which is being sent to all ticket agents in the country by H. S. Creighton, secretary and treasurer of the Western Council Ticket Agents' association:

Dear Sir:—You are well aware of the action of the various passenger associations in discontinuing payment of commissions.

We are making an organized effort to overcome this recent ruling and if promptly and properly handled in an unusual and systematic manner we have every assurance of success.

Various weaker lines that have here-

tofore enjoyed an increased revenue by the payment of a commission were not desirous of entering this compact and will naturally allow the ticket agent that small compensation to secure the traffic. Commissions have always been a nice increase in our monthly salary and is only a just compensation for services rendered.

The action of this association will necessarily be for the benefit of those who are members and are willing to assist in a substantial manner. Every possible action in a legitimate manner will be taken to bring about our ends and secure results.

Under existing conditions commissions cannot be paid as formerly through the various general offices and this office will be an agency for adjusting commissions for the various lines that so desire.

Members will be advised of all lines that desire commissions handled in this manner. Inclosed you will find a blank application for membership which you are requested to fill out and forward to us with \$5 (money order or draft), payable to the order of the treasurer of this association.

The membership of this association will be kept inviolate, but should you desire your name to appear the application sent is numbered and is recorded in our office. Mail the application with membership fee and you will be entitled to the benefits of this association.

This proposition is being placed before every coupon ticket agent in the United States, Canada and Mexico. Further correspondence will be confined to members only.

Have your reply reach us before March 10th, that we may know by that time our full strength.

We desire your hearty co-operation and if handled promptly before affairs adjust themselves we are assured of success.

## Narrow Escape.

A miner from Eureka, named Frank Englewood, attempted to "beat" his way to Butte last night, and for that purpose he "jumped" a Rio Grande Western freight train for Ogden. The train got as far as the copper plant when, in attempting to go from one car to another, he fell between the cars and struck his head on the rails, falling backward and outward. This saved his life, but three of his fingers were crushed and they bled profusely.

Two companions who were with him picked up the unfortunate young man and started to carry him to the city. He recovered consciousness, however, and painfully walked to the police station, where his injuries were attended to.

## The Line Turned Over.

The Carson & Colorado railroad was turned over to the Southern Pacific officers yesterday. The railroad officials stated that the Virginia & Truckee railroad had not been included in the sale, but left the impression that negotiations for the sale were pending. Regarding the cut-off from Wadsworth to Churchill, the officials declared that they could not confirm or deny the report. D. O. Mills and other Southern Pacific directors are expected to arrive early next week to make a tour of the newly-purchased road.

## Changes in Classification.

A number of changes, to take effect March 10th, have been made by the reclassification committees of the trunk lines and the Central Traffic association. The changes, in many cases, restore rates to the same basis that obtained before January 15th last. Cotton goods are reduced 15 per cent, and agricultural implements and vehicles, 20 per cent. It is said that further changes are contemplated.

## Electrolysis Case.

Final arguments were heard at Chicago yesterday before Master in Chancery Frank Wren in the famous Peoria electrolysis case, in which evidence has been taken during the past year. The master is expected to present his report to Judge Grosscup in a few weeks.

Street railway officials all over the country have been watching the case with great interest, as the decision will affect all the electric railways in the United States and will settle the question of whether or not there is any legal ground for forcing them to construct their electric lines on the "double overhead-current" plan.

## RAILROAD NOTES.

George F. Baker is now traveling freight and passenger agent for the Burlington at Denver.

Mr. Eccles of the Short Line is back from the North.

A relief department will be established on the Southern Pacific railway, and placed in charge of A. F. Hess, with headquarters at San Francisco, whose direction will be subject to the control of an advisory committee composed of representatives of the employees and of the company.

## THE OLD METHOD

Of Treating Pile and Hemorrhoid Diseases Now Discarded.

Thousands of sufferers bear witness to the value of the Pyramid Pile Cure and even in cases where a dangerous surgical operation has failed to cure, surprising results have been obtained from the new remedy after a few weeks' use.

Relief from pain is so immediate that patients sometimes imagine that the Pyramid Pile Cure must contain some form of cocaine or opiate, but a careful analysis shows it to contain no opiate, cocaine or any injurious drug whatever, in fact it is guaranteed absolutely free from any deleterious substance.

The old methods of treating piles by ligature, knife or the still more cruel treatment by dilatation, besides causing intense pain and frequently collapse and death, are now known to be practically useless as far as a permanent cure is concerned.

Nearly every case of piles may be traced to faulty action of the liver and it is a mistake to treat the trouble entirely by local applications of salves and ointments or by any kind of operation. The new treatment by the Pyramid has clearly demonstrated its superiority over all of these.

The Pyramid Pile Cure is strictly scientific both in its composition and in its therapeutic action and the best feature of it is that it is perfectly safe and harmless. No ill effects ever result from its use.

The cure is accomplished gradually and painlessly by the astringent properties contained in it, which cause the little tumors and congested blood vessels to contract and the obstruction to the circulation to be removed.

In view of the immense number of patent medicines on the market, it is a singular fact that the Pyramid is the only pile cure of note, the only one that is sold and recommended in every drug store in the United States.

The remedy is in suppository form and far superior to any salve or ointment for convenience. It is applied at night and absorbed into the sensitive rectal membrane, acting both as a local and a constitutional treatment. The treatment is effectual even in cases of many years standing.

Complete treatment of the Pyramid Pile Cure is sold by druggists everywhere at 50 cents and a little book on cause and cure of piles will be mailed free by addressing Pyramid Drug Co., Marshall, Mich.

## FAIRBANKS'S LATEST.

Painting of Ogden Canyon is Much  
Admired by Visitors.

The last work of the artist Mr. J. B. Fairbanks, of the Latter-day Saints' College, attracts the attention of all the visitors to the college art room in the Temple. The picture measures about 40x60 inches and is a morning scene in Ogden canyon. This canyon, as is well known, is one of the most picturesque scenes of mountain, river and gorge in the West, and the artist has chosen one of the most attractive portions for illustration. The scene is one in which the rising sun is just beginning to display its brilliance over the great hills, and the shadows in the canyon are suggestive of the impressive repose of nature's solitude. The deep green foliage and the blue and purple hills, give the painting a singularly cool effect, suggestive of the canyon's breath at morn and the bracing breeze of a sunrise in the mountains. The artist has caught both the true inspiration of a canyon scene and the painting is a very beautiful one, highly characteristic of western mountain scenery.

## OLD SETTLER PASSES AWAY

Demise of Alexander Watson, After  
Several Weeks' Illness.

At 4:50 a. m. today, March 3rd, Alexander Watson died at his home in the Sixth ward of this city, in the 65th year of his age. The cause of death was an attack of asthma, from which he has suffered all winter. The deceased was a native of Scotland, which county he left in 1848, coming to America in company with other Mormons, and locating for a time in St. Louis. He has resided in Utah fifty years, having reached Salt Lake City in 1850. For many years past he followed the business of grading contractor, and was well and familiarly known as "Sandy" Watson. His health has been failing for about two years past. He was a quiet, unobtrusive man, well respected by his acquaintances. He had a large family, his wife and eight of their children surviving him.

The funeral services will be held in the Sixth ward assembly hall on Tuesday next, March 5th, commencing at 1 o'clock p. m.

## POLITICAL DOINGS ARE INTERESTING

James T. Hammond Nominated by  
the Republican Party.

## POPULISTS ENDORSE KING.

They Urge Members of the Party to  
Support Him—Judge King  
Holds a Reception.

At 5 o'clock yesterday evening Chairman Arthur L. Thomas of the Republican State convention announced the selection of Hon. James T. Hammond to be the nominee of the party for Congressman. One ballot was taken in which Garfield cast one vote for Judge Sutherland, with detailed results as follows:

COUNTIES.	Hammond	Sutherland
Beaver	9	0
Boxelder	20	0
Cache	28	0
Carbon	10	0
Day	7	0
Emery	10	0
Garfield	8	1
Grand	1	0
Iron	1	0
Juab	19	0
Kane	1	0
Millard	8	4
Morgan	1	0
Plute	1	0
Rich	1	0
Salt Lake	109	4
San Juan	24	21
Sanpete	11	7
Sevier	21	0
Tooele	12	0
Utah	54	0
Wasatch	8	0
*Washington	1	0
Wayne	4	0
Weber	44	0
Total	398	91

## NOMINATE KING.

Populists Pledge Themselves to Support  
the Democratic Ticket.

At the last election the Populists of Utah cast 278 votes. Last night, at a convention of the party, the Populists endorsed as their nominee Hon. Wm. H. King and Messrs. Henry W. Lawrence and L. E. Hall were selected as a committee to acquaint Mr. King with the action of the convention.

## JUDGE KING'S RECEPTION.

Large Number of Friends Gather  
Around the Democratic Nominee.

At the Knutsford hotel last night Hon. Wm. H. King held a reception to which his numerous friends took advantage in order to shake hands with their favorite. Nearly all prominent Democrats of the State were present and speeches were made by Judge O. W. Powers, Hon. James H. Moore, Judge King and Hon. Moses Thatcher. Mr. King goes into the campaign with confidence. The following dispatch from Hon. Wm. J. Bryan is self-explanatory:

"Houston, Tex., March 2, 1906.  
"Salt Lake Herald, Salt Lake, Utah:  
"I hope to visit Salt Lake latter part of this month, but cannot answer positively at present. Will know by March 12."  
"WM. J. BRYAN."

## CAR SERVICE DISCUSSED.

Members of the City Council Say It Must be  
Improved.

Companies Given Fifteen Days in  
Which to Provide More Accommodations for Patrons.

The council committee on municipal laws took up, last evening, the resolution introduced by President Buckle instructing the city attorney to bring actions against the two street railroad companies for the providence of better facilities for the traveling public. Superintendent W. P. Read and Attorney E. B. Critchlow were present in behalf of the Salt Lake City company, while President Cameron, J. M. Richards and Attorney Charles Baldwin appeared for the Rapid Transit.

President Buckle, in support of his resolution, stated that the condition of the city road on the east Second South street line was bad. The cars on that line were packed every evening from 5 to 7 o'clock, and passengers were compelled to stand up wherever they could obtain a footing. Frequently he had counted as many as forty-two passengers on one car.

Attorney Critchlow said it was true the cars on the line named were generally crowded during the hours specified. The crowd did not, however, run a main long and usually after passing Fourth East there was plenty of room. Superintendent Read said that so far as standing on the platform was concerned many persons insisted on doing so even when there was plenty of room inside. Every city throughout the United States street cars were crowded during certain hours of the day. His company gave a twelve minute service on Second street which was impossible to improve. Superintendent Read intimated that President Buckle's grievances were purely personal, which the councilman vigorously denied.

Robertson said the First South street line was just as bad.

Chairman Thomas suggested to Superintendent Read the putting on of trailers.

Mr. Read said that was impracticable on that line for the power was insufficient to pull a car and a trailer at the same time up the east bench hill.

Whittemore and Cottrell complained of the West Temple street service and said cars only ran every hour which was not often enough.

Superintendent Read intimated that something might be done on this line.

## RAPID TRANSIT HAS A TURN.

When the Salt Lake road was turned over to the Rapid Transit Company was called. Attorney H. J. Dinniny protested against the hourly service to Perkins' addition and declared the company had broken faith with the public who had helped build the line. President Cameron denied the allegation and said his company did the best it could by its patrons.

The committee voted to instruct the city attorney to notify both companies that if a better service was not provided inside of fifteen days, an endeavor would be made to compel them to do so.

## CASE OF POLICEMAN DAVIES.

Question of His Removal Before Council Committee.

The removal of Bicycle Officer E. C. Davies by Chief of Police Hilton came up before the Council police and prison committee last evening, and after a discussion action was deferred for one week.

The chief of police, who was present, declined to file any specific charges against Davies, but insisted that his removal was for the good of the service. His action, he claimed, was made in good faith.

# \$3 a Month FOR ALL Catarrhal Diseases

## TO ALL WHO APPLY DURING MARCH.

## ALL MEDICINES AND TREATMENT FREE.

Drs. Shores, realizing the fact that there are still many people in Salt Lake City and vicinity who are sceptical as to whether CATARRH can be CURED PERMANENTLY have decided to overcome this prejudice and to demonstrate that "THE DR. SHORES' TREATMENT" POSITIVELY DOES CURE CATARRH IN ALL ITS COMPLICATED FORMS. PERMANENTLY—and to this end Drs. Shores have decided to take all cases of a Catarrhal Nature that apply another month and treat them for the low fee of \$3.00 A MONTH. ALL MEDICINES FREE.

**\$3.00 You Must Accept This Offer At Once. \$3.00.**

This is purely a test treatment offer to demonstrate Drs. Shores' skill in curing Catarrhal Diseases PERMANENTLY. IF YOU ARE DEAF, IF YOU HAVE CATARRH IN THE HEAD, STOMACH, LIVER, KIDNEYS AND BLADDER—CATARRH OF THE BRONCHIAL TUBES OR LUNGS, OR ASTHMA, NO MATTER WHAT FORM OF CATARRH YOU MAY HAVE IF A DOZEN ORGANS ARE AFFECTED FROM THE BLIGHT OF CATARRH, \$3.00 IS ALL IT COSTS FOR ONE WHOLE MONTH, OR UNTIL CURED, ALL MEDICINES FREE TO ALL WHO APPLY BEFORE APRIL FIRST.

**You Get Drs. Shores' Regular \$5.00 a Month Treatment for \$3.00.**

Provided you begin your treatment before April 1st. Don't wait until the last day of the month to begin and be lost in the rush, but COME TODAY—\$3.00 IS ALL THE MONEY YOU NEED FOR ONE WHOLE MONTH PROVIDED YOU BEGIN TREATMENT THIS MONTH.

If you live away from the City and Can't Call at Drs. Shores' offices, WRITE for their new symptom list and take advantage of this Grand Special Offer to treat all Catarrhal Diseases until cured for the low fee of \$3.00 a month, medicines free, to prove to the public that "DRS. SHORES' TREATMENT" masters Catarrh in all its forms.

DON'T GET LEFT THIS TIME IF YOU WANT THAT CATARRH CURED FOR \$3.00, but start treatment at once. If you start in at this low rate, it will apply to you until you are cured.

CONSULTATION FREE FOR ANY DISEASE.

WILLIAM A. JONES, 404 SOUTH GRANT, DENVER.

## Catarrh of Head and Throat.

Hard, rough catarrhal mucus sticking in his throat, was the condition of William A. Jones, when he came to Drs. Shores for their treatment. Read the result of that one week's treatment, and come and try it in your own case. It's results, that's it. Drs. Shores, the people's specialists, is where you can get cured.

Mr. Jones says: "I have suffered for the past year from a bad case of Catarrh in my nose and throat. My nose was constantly closed up, and the hard, tough mucus would fill up my throat so that it would choke me, and I would spit up hard chunks from my throat as large as the end of my finger. My sleep was poor, and after eating my stomach would feel heavy."

"After one week's treatment with Drs. Shores I can say that my nose and throat are clear. I sleep well and my stomach feels all right. In fact, I am feeling splendid, and would be glad to have anyone call on me if they doubt the genuineness of this statement."

(Signed) WILLIAM A. JONES, "404 South Grant, Denver."

DRS. SHORES & SHORES not only Cure Catarrh and Stomach Troubles, but they Cure Nervous Diseases, Kidney Diseases, Bladder Troubles, Heart Disease, Diseases of the Stomach and Bowels, Piles, Pimples, Rheumatism, Female Complaints, Diseases of Women and Children, Rickets, Spinal Troubles, Skin Diseases, Deafness, Asthma, Bronchial and Lung Troubles, Consumption in the First Stages, Ovarian Diseases, Sciatic Rheumatism, Hay Fever, Neuralgia, Hysteria, Eye and Ear Diseases, Goitre (or big neck), La Grippe, Lost Manhood, etc., Blood Diseases, Private Diseases, Scrofula, all Forms of Nervous and Chronic Diseases that are Curable.

DRS. SHORES TAKE NO INCURABLE CASES. Diseases that have baffled the skill of other Doctors and Specialists and stubbornly refused to yield to the ordinary methods of treatment in most cases are quickly subdued and mastered by these noted Doctors. Prices and terms within the reach of all. Everybody who has a symptom of disease should call and consult these noted specialists free. CONSULTATION AND EXAMINATION FREE, whether you take treatment or not, for any disease.

If you live away from the city and can't call,

**WRITE Drs. Shores & Shores for their new Symptom List and get their Advice Free, and take advantage of this Special offer.**

Office hours: Daily, 10 a. m. to 5 p. m. Every evening, 7 to 9 p. m. Sundays, 10 a. m. to noon.

## DRS. SHORES & SHORES,

### EXPERT SPECIALISTS,

HARMON BLOCK, Salt Lake City, Utah.  
Entrance, 210. 34 East Second South Street.

that if a better service was not provided inside of fifteen days, an endeavor would be made to compel them to do so.

## CASE OF POLICEMAN DAVIES.

Question of His Removal Before Council Committee.

The removal of Bicycle Officer E. C. Davies by Chief of Police Hilton came up before the Council police and prison committee last evening, and after a discussion action was deferred for one week.

The chief of police, who was present, declined to file any specific charges against Davies, but insisted that his removal was for the good of the service. His action, he claimed, was made in good faith.

Hartenstein, Cottrell and Fernstrom claimed that the removal of Davies was due to politics. This was denied by Chief Hilton, who said Davies was a Democrat as was Howard Wilson, the man he desired to succeed Davies.

Chairman Thomas believed in sustaining the chief in matters of this kind. Hewlett did not express himself.

## FEDERAL COURT AT OGDEN.

The regular March term of the Federal court will be held at Ogden, beginning on Monday next, at 11 a. m. The only case subject to call for trial is that of the United States vs the United Order Manufacturing and Building company. The other cases are:

Crown Point Mining company vs Ontario Silver Mining company.  
Geddes-Seerie Stone company vs Pioneer Electric Power company.  
Shidner vs Stewart et al.  
Ludwig vs Ogden State Bank.  
Levy vs McCune; motion for a new trial.

Nugent vs Garland.  
Kinney vs Columbia Building and Loan association.  
Utah Canning company vs Pacific Sheet Metal Works.  
In re Samuel Woolf, bankrupt.

When it was announced by the authorities at Mercur yesterday that on the morning the town would be placed under strict quarantine, and going to or from the place would be positively prohibited, about forty people took up their beds forthwith and walked. They drew up to the depot and boarded the train for Salt Lake City and when they arrived here they segregated about the town. Secretary Beatty, of the State board, had given orders that the quarantine was to be established yesterday, but the local authorities for some reason put it off till today, which left the bars down for a herd of people to get out, and they got out with due alacrity.

It was ascertained that there was only one instance where any of the

## Stomach Trouble.

In many cases diseases of the nose and throat, if neglected and unchecked, instead of extending down into the bronchial tubes, extend along the oesophagus, or swallow, into the stomach.

The mucous discharge is dropped in the throat from the back part of the nose, and in the daytime is hawked up and expelled.

At night the nauseating material still continues to drop into the throat. It first collects in the pharynx, then it is brought into contact with the food and impure air from the lungs, and is mixed with the germs of decay.

Decomposition results, and in this condition the vile material is swallowed while asleep and goes to the stomach.

The decomposing discharges so swallowed are poisons—not deadly ones, but poisons nevertheless, which act slowly but surely, undermining the patient's constitution.

The thousands of little glands situated in the lining are free to pour out the juices that are needed to digest the food in the healthy stomach.

With disease attacking the lining of the stomach, the little glands are choked up by the swelling, and their exit is blocked by the sticky mucous which has resulted from the inflammation.

As a consequence there is not enough digestive juice formed and poured out into the cavity of the stomach.

The food, not having the necessary materials to dissolve it, lies in the stomach like lead.

Instead of being converted into nourishment for the blood it is changed into poisonous gases, which distend the stomach, dilating it so that the organs press upward on the heart and lungs.

This causes a sense of smothering, relief from which is only obtained by belching up the gas, or its passage along the bowels, where it causes a sense of distension and rumbling.

There is nausea, and sometimes vomiting, in the morning, with hawking and gagging upon arising, and it requires quite an effort to free the stomach of the mass of mucus that has accumulated in it during the night.

In some cases there is waterbrash or heartburn, with constipation to complicate matters.

The old plan of doctoring for stomach troubles consisted in purges and emetics.

Drugs that irritate or inflamed the stomach.

Drugs that increased the suffering rather than allayed it.

Under the Drs. Shores' treatment the inflamed and diseased lining of the stomach is first soothed and quieted by the use of proper remedies.

The sore and inflamed spots are healed, and the lining of the organ is restored to its wonted tone and healthy condition.

Under this plan healing drugs quiet the sore and inflamed spots, and have been throwing out quantities of sticky, slimy mucus that is mixed with the food and has coated it over, thus preventing the gastric juices from dissolving and digesting it.

When once healed the lining of the stomach is enabled to serve the purpose that nature intended it to serve.

The hawking and spitting in the morning becomes less, the appetite for breakfast returns, there is no more nausea, where there should be desire for food, the heartburn and waterbrash pass away, the bloating in the stomach after taking food gives place to the pleasant sense of fullness and accompanies the taking of a full meal.

"The foul gases that were belched up are no longer formed and the bowels become regular."

The entire system experiences new vigor from the abundance of nourishment absorbed into the blood, where for persons had previously been offered it.

## HORSE THIEF ABROAD.

H. J. Tarrant Mourns the Loss of  
Two Valuable Equines.

H. J. Tarrant of North Salt Lake made the discovery about eight o'clock last night that some "enterprising" individual had purloined a couple of his valuable horses. The animals are two gray and were staked out not very far from the house.

The thief didn't stop to untie the equines, but simply cut the ropes and levanted.
