BUSINESS NOTICES.

THEATRE at eight o'clock to night. FOR SALE One hundred and twenty fine Missouri Mules. WASHBURNE & LERY, California Corral, 2nd South Street.

d126 tf The following prescription was adopted by the College of Physicians in Philadelphia in 1866. It has stood the test of many years of experience, and will bear republication at this time. It is regarded by many as probably the very best prescription that can be used for cholera in its incipient stages:— Laudanum, 2 ounces; spirits of camphor, 2 ounces; tincture of capsicum, younce; tincture of ginger, ounce; essence of peppermint, 2 dion, although we believe matters have ounces; Hoffman's anodyne, 2 disproved somewhat since we last alluded to the subject. We are of opinion that readily obtained, substitute sulphuric ether—half the quantity. Mix the remedy we suggested, or another the continue to exist till the remedy we suggested, or another the continue to exist till the remedy we suggested, or another the continue to exist till the remedy we suggested. thoroughly, and shake well every time it is used. Give or take from ten to twenty-five drops, according to age, condition, and violence of attack. Repeat every twenty minutes till relief is obtained. In a desperate case take a tablespoonful atonce. Take it in an equal quantity of water, and lie on the back quietly or in an easy sitting pos-ture, with the back supported, till it has full opportunity to work. Carry a small vial in the pocket, with a few lumps of white sugar on

JUSTICE OF THE PARCE SUMMORSE or sale at this office. aw Capt. Jack after his capture rethe services of those Ward watermasters marked that his appearance would have been improved if he had been washed before he was ironed. 127 SEE estray notices, Grantsville and

which to drop it, to be used in sudden emergencies. N. Y. Graphic.

Charles Robins, a young man, we sarrested in Boston last week on a charge of being drunk, and satisfactorily proved on the trial that he never drank a glass of or system observed in the matter, and the liquor in his life. STRAYED or stolen, Read Thos. F. H.

At a late convention in Cincinnati the Spiritualists succeeded in giving a reason for the faith that was in them which did not, to say the least, define their position very accurately to the outside world. One of the speakers said: "Our religion, thing connected with it run along like in the speakers and the speakers and the said water for their orchards and gardens while daily flowing from City Creek into the Jordan River. The matter only needs a little management, which would make everything connected with it run along like in the speakers and the said of the speakers. then, is this: The grand ultimate of all thought to bring all to a higher ultimate. Hence we are brothers."
This is about as intelligible as the ordinary manifestations of inhabitants of the spirit world.

water privileges with those who live nearer to the main water sects to be deprived of their rights, and all caused by mismanagement and a lack of system. WANTED .- A House, with two to four
