

courts of the United States, and prohibiting any court from declaring any action in a joint resolution of Congress invalid on account of its supposed unconstitutionality.

Williams introduced a bill regulating the importation of Chinese, and making it a penal offense for any party to enter into a contract for bringing Chinese into this country; but the bill does not forbid their voluntary immigration.

Several bills regulating the admission of Georgia was introduced, also one removing all political disabilities incurred on account of participation in the rebellion when the Fifteenth Amendment shall be duly ratified, and become a part of the Constitution.

The unfinished business pending at the close of the last session will be called up, being a question of compensation to the North Carolina Senators.

The President's Message was received and read and Sumner moved to print ten thousand copies, which was referred to the committee on printing.

The Senate held a short executive session and soon afterwards adjourned.

CHEYENNE, 6.—The Female Suffrage Bill has passed both Houses of the Wyoming Legislature.

MEMPHIS.—Louis Bagg, the oldest citizen of Arkansas, who was Indian Agent under the French Government in that territory, died last night.

Colonel Sharpe, late of the Arkansas militia, was waylaid by a party in Lawrence county last week and shot almost to death; he succeeded in escaping to his home, but there is no hope of his recovery.

WILLIAMSPORT.—John Field, who murdered his brother-in-law, General Mettlers, in May last, was executed today.

PHILADELPHIA.—This evening, while the building of the Commercial Exchange Association was being lit up, a large chandelier in the upper hall fell, allowing an immense rush of gas, which ignited. In a few minutes the whole structure was in flames; nothing now remains, except the walls and tower only, which were fire proof. It was erected on the site of the Pennsylvania Museum, and was dedicated in March last, and cost a quarter of a million dollars. The story occupied by the officers had a large number of persons inside, who had a narrow escape, some leaping through the windows.

NASHVILLE.—Gov. Senter has sent a message to the legislature stating that there are 658 convicts in the penitentiary, and that said institution is \$80,000 in debt and cannot now purchase the necessary supplies of provisions for its wants.

CHICAGO.—A rotary bleacher in Black's paper mill, in Marseilles, Ill., exploded yesterday, entirely demolishing the building, killing two women, and wounding fifteen other women and seven men.

NEW YORK.—The election for Mayor, aldermen, etc., occurred to-day. Little interest was manifested and the vote was light, Tammany being victorious in every quarter. Mayor Hall continues in office for two years more.

The Spanish gunboats will probably be released on Wednesday.

The Postmaster General's report shows that the ordinary revenue of the Department for the fiscal year ending June 30, '69, was \$18,344,510; expenditures \$23,698,181. Mr. Creswell holds that the deficiency is due to three causes; namely, depreciation of paper currency, unpaid postage on printed matter, and the franking privilege; the first he regards as a temporary evil which cannot now be remedied, the second can be regulated by a stringent law, the passage of which he recommends; and the third should be abolished. By these means he believes the Department can be made self-supporting.

PITTSBURG.—A mail train on the Pennsylvania Railroad, while standing on the track, near the station, this morning, was run into by a freight train smashing the three rear coaches, ten freight cars and the engine, killing the brakeman of the freight train, and mortally wounding one passenger and slightly wounding four others.

SAN FRANCISCO, 7.—The Legislature organized to-day. The nominees of the Democratic caucus were duly elected and installed.

Another expedition sailed to-day in search of the distressed ship *Orion*. The captain of a schooner, just arrived, reports observing rockets and blue lights burning in the night time, off Monterey Bay, and he believes the signals were from the *Orion*. The conduct of the captain of the ship *Arkwright* in not rendering assistance and promptly reporting the *Orion* on his arrival is strongly condemned.

MONTGOMERY.—At the city election Glascock, republican, the present incumbent, was re-elected Mayor by 616 majority; all the republican Aldermen were elected, two of whom are colored.

ST. LOUIS.—L. Moses, of Sedalia, Mo., Deputy United States Marshal, was shot and killed at Camden, Mo., by a desperate character, whom he went to arrest for illicit distillation.

BOSTON.—Last evening two large buildings on the Commercial wharf, known as the Boston Flour Mills, were entirely destroyed by fire; a large quantity of wheat and flour were burned, and much valuable machinery was ruined. The mills were owned by Marsh and Etting. The loss is estimated at one hundred and fifty to two hundred thousand dollars, insured in the Western Offices. The origin of the fire is unknown.

NEW YORK.—John Eckert, after being told that he was about to die, said he had nothing to do with the Burdell murder, but he told facts that point directly to Mrs. Cunningham as the murderer. It is said that Mrs. Cunningham and daughter were both present at his funeral yesterday.

It is stated that Pere Hyacinthe has received a dispatch from Rome, to come there immediately.

It is stated in official circles here that the Spanish gunboats will be released. Judge Pierpont says he has not sufficient evidence in his possession to warrant their further detention.

Collector Mathews, yesterday, seized the wholesale liquor establishment of J. Ritterman, of New York, for frauds upon the revenue, and arrested the proprietor.

WASHINGTON.—The Postmaster General sent to the House of Representatives to-day the estimates for his department for the next fiscal year. Twenty-five and a half million, will be required, of which 13,507,000 are for the transportation of the mail inland, and 480,000 for foreign transportation; also the following sums additional for steamships between San Francisco, Japan and China, half a million; between the United States and Brazil, \$150,000; between San Francisco and the Sandwich Islands, \$75,000.

The Republican Senatorial caucus agreed to propose Poole, of North Carolina, on the committee of appropriations, to fill the vacancy caused by the resignation of Grimes.

The National Convention of colored men, to-day received the following telegram from the Secretary of State, elect of Mississippi, dated Jackson: "To the President of the Colored Men's Convention: seven thousand and triumphant colored Radicals send greeting." This was greeted with long continued applause.

CLEVELAND.—The dead bodies of an aged couple, named Mr. and Mrs. Van Dusen, were found in the smoldering ruins of their dwelling, near Meedville, Pa., on Monday morning; the prevailing impression is that they had been murdered in order to obtain a large sum in gold of which Van Dusen had possession.

NORFOLK.—The British Steamer *East Indian* has arrived from Aspinwall. She brings a report that rich gold discoveries have been made in the district of Cantatton, Nicaragua, by a party of Englishmen; 200 pounds, aggregate weight, in nuggets, had already been taken out.

WHEELING.—The steamer *Rebecca* struck the pier of the new Railroad bridge at one this morning, and sunk immediately in twenty feet of water. Four or five lives were lost, it is supposed, but the deck hands and passengers were all saved.

#### FOREIGN.

MADRID.—The Carlist Chief Paus, has been convicted of treason, and sentenced to death.

Rumors of Carlist insurrections continue.

In the Cortes yesterday General Prim stated that since the commencement of the Cuban rebellion fourteen vessels, including two iron clads, sailed for Cuba, transporting nearly 40,000 troops.

SUEZ.—The bark *Noel*, bound for Bombay, the first mercantile vessel that passed through the Suez Canal with a cargo, has been wrecked in the Red Sea, eighty-six miles from here.

PARIS, 5.—The Empress Eugenie has arrived. The elections are being held to-day for deputies to the Corps Legislatif in the districts where the result was not decided at the last elections.

A dispatch from Rome says that all the Italian Bishops, except five, have taken the oath of fidelity to the Pope.

TORONTO, C.—A special from St. Paul to the *Globe* gives the latest intelligence from Fort Garry, which indicates that

the insurrection is dying out, there were only fifty insurgents under arms. They held a council on the 10th ult. and adjourned to the 22nd. The result of their deliberations is unknown, but it is believed they will vote for McDougall to come and assume the reins of Government.

LONDON.—The correspondent of the *Times* has been prohibited from entering the Papal States.

The remains of Peabody will be removed from Westminster Abbey to the ship *Monarch*, on Friday, and will sail on the following Sunday.

DUNDEE.—A large Fenian amnesty meeting was held here last night. The usual speeches and resolutions were adopted. Everything was quiet.

PORT AU PRINCE, Nov. 24, via Havana.—The revolutionary army now hold possession of the whole northern part of Hayti. Cape Haytien was taken by assault on the 13th of November. The followers of Salnave took refuge in the American Consulate. The loss of Salnave's steamers, under his situation, and the precarious nature of matters in the South, look bad. Salnave has caused himself to be proclaimed President for life. It is reported that the revolutionary fleet intend to blockade Port Au Prince.

KINGSTON, JAMAICA, Nov. 25, via Havana.—The Government authorities have captured a large lot of arms at Port Maria. It is reported that they were landed by a boat which intended to take them to Cuba, but was pursued by a Spanish cruiser to Havana.

PARIS.—Aman has reported to the Austrian Government that he has overwhelming proof of the participation of Prussia in the recent Delmatian insurrection.

The proprietors of the radical journal *Leraffet*, have been prosecuted on account of a recent libellous article on Charles Hugo.

CONSTANTINOPLE.—A despatch from Calcutta announces that the French Envoy in Aram had asked the authorities to cede to France the districts occupied by the French in that country.

NEW YORK.—The *Herald's* special at Havana sends advices from Hayti to the 26th ult. Gen Vittaber, who a short time since was declared provisional president by the insurgents and subsequently joined Salnave, is at Port au Prince with 2,000 men. Salnave is making vigorous preparations to stand against the combined forces of the revolutionist leaders. A Steamer purchased by ex-Minister Laroche, for the Haytien government, engaged and sunk the steamer *Arebonet*, belonging to the revolutionists of St. Marie. The insurgents were still in possession of Cape Haytien, where they also hold the captured steamers *Petion* and *Salnave*.

LONDON.—The Message of the President of the United States was transmitted by the Atlantic cable last night and is published this morning in the *Pall Mall Gazette*. In its comments on President Grant's reference to the *Alabama* claims it says the Americans are ready to accept an apology in lieu of all the damages they demand, but England cannot do more than she has already done. Time will amend American sensitiveness. Such events as the demonstrations in honor of Mr. Peabody will tend to instigate imitation. The *Gazette* concludes that the message, on the whole, is friendly, and thinks that the President's suggestions that new negotiations be entered into, will be approved of by England.

ST. PETERSBURG.—The Czar has granted a concession for the formation of a company with the right to lay a sub-marine telegraph cable, or cables, from some point on the coast of Asiatic Russia to establish telegraph communications with China and Japan, the consent of the authorities of these countries having been first obtained.

PARIS.—The *Siecle* to-day, prints a large portion of Boutwell's report, and says an American promise is equivalent to a fulfillment.

The Prince of Montenegro has protested against the intention of Austria to occupy his territory with troops, and the Prussian Government sustains him.
