AGOOD DEAL OF NONSENSE.

About "Blood Purifiers" and "Tonics." Every drop of blood, every bone, nerve and tissue in the body can be renewed in but one way, and that is, from wholesome food properly digested.

Stuart's Dyspepsia Tablets cure indigestion, sour stomach, gas and bloating after meals, because they furnish the digestive principle which breaks down the food, and unless the deficiency of pepsin and diastase is supplied, it is useless to attempt to cure stomach trouble by the use of "tonics," "pills" and "cathartics" which leave absolutely no digestive power and their only effect is to give a temporary stimulation.

On the grade of the active principle in Stuart's Dyspepsia Tablets will digest 3,000 grains of meat, eggs and similar foods, and experiments have shown that they will do this in a glass bottle at 99° or temperature, but of course are much more effective in the stomach.

There is probably no remedy so universally used as Stuart's Tablets, because it is so effective in the sick and ailing, but well people who use them at every meal to insure perfect digestion and assimilation of food.

People who enjoy fair health take Stuart's Tablets as regularly as they take their meals, because they want to keep well, prevention is better than cure, and Stuart's Dyspepsia Tablets do both; they prevent indigestion and they remove it where it exists.

HEAD SOLID SORE

Awful Suffering of Baby and Sleepless Nights of Mother.

CURED BY CUTICURA

Skin Fair as a Lily with no Scar to Recall Awful Sore Writes Mother.

"I herewith write out in full the beginning and end of that terrible disease eczema," says Mrs. Wm. Ryer, Elk River, Minn., "which caused my babe untold suffering and myself many sleepless nights. My babe was born seemingly a fair, healthy child, but when she was three weeks old a swelling appeared on the back of her head, and in course of time broke. It did not heal but grew worse, and the sore spread from the size of a dime to that of a dollar. I used all kinds of remedies that I could think of, but nothing seemed to help; in fact, it grew worse. Her hair fell out where the sore was, and I feared it would never grow again. It continued until my aged father came on a visit, and when he saw the baby he told me to get Cuticura Soap and Ointment right away.

"To please him I did so, and to my surprise by their use the sore began to heal over, the hair grew over it, and to-day she has a nice head of hair, her skin is as fair as a lily, and she has no scar left to recall that awful sore, and it is over eight months and no sign of its returning."

CURE PERMANENT

"Your letter of the 19th inst. received, asking in regard to the cure of my baby some six years ago. Well, the disease has never returned to her head which at that time was a solid sore on top and down the back."

Mrs. Wm. RYER, Elk River, Minn., Feb. 25, 1903.

Advertisement for Ligozone. We Will Buy A 50c Bottle of Ligozone and Give it to You to Try. We want you to know about Ligozone, and the product itself can tell you more than we. So we ask you to let us buy you a bottle—a full-size bottle—to try. Let it prove that it does what medicine cannot do. See what a tonic it is. Learn that it does kill germs. Then you will use it always, as we do, and as millions of others do. This offer itself should convince you that Ligozone does as we claim. We would certainly not buy a bottle and give it to you if there was any doubt of results. You want those results; you want to be well and to keep well. And you can't do that—nobody can—without Ligozone. We Paid \$100,000 For the American rights to Ligozone. We did this after testing the product for two years, through physicians and hospitals, after proving, in thousands of different cases, that Ligozone destroys the cause of any germ disease. Ligozone has, for more than 20 years, been a constant subject of scientific and chemical research. It is not made by compounding drugs, nor with alcohol. Its virtues are derived solely from gas—largely oxygen gas—by a process requiring immense apparatus and 14 days' time. The result is a liquid that does what oxygen does. It is a nerve food and blood food—the most helpful thing in the world to you. Its effects are exhilarating, vitalizing, purifying. Yet it is a germicide so certain that we publish on every bottle an offer of \$1,000 for a disease germ that it cannot kill. The reason is that germs are vegetables; and Ligozone—like an excess of oxygen—is deadly to vegetable matter. There lies the great value of Ligozone. It is the only way known to kill germs in the body without killing the tissue, too. Any drug that kills germs in the body and it cannot be taken internally. Every physician knows that medicine is almost helpless in any germ disease. These are the known germ diseases. All that medicine can do for these is to help Nature overcome the germs, and such results are indirect and uncertain. Ligozone attacks the germs, wherever they are. And when the germs which cause a disease are destroyed, the disease must end, and forever. That is inevitable. Shortly after he had left Hall became so exhausted that his companions were forced to take him back over the trail to a road house. Here they were put in by a fierce storm from 26 hours. As soon as possible they set out to look for their companion but up to the time the man bringing the tip left, had not found a trace of him and it is believed that the man perished in the storm.
