A LUCKY FATHER AND SON.

The following narrative of the experience of a Father and Son, will prove interesting to the readers of this paper. G. C. Bartholomew, of Kalamazoo, Mich., says, I located in this place five years ago, having formerly resided in Troy, N. Y. My friends there as well as here know that I have been a great sufferer from what the Physicians of Troy called

Bright's Disease.

As a last resort I commenced the use of Dr. David Kennedy's Favorite Remedy, (made at Rondout, N. Y.) The result is little short of a miracle. All the terrible symptoms of this disease are gone. I do not have any more difficulty in voiding the urine, no pain or ache in the small of the back, no more soreness across the loins or over the bladder, no more Constipation of the Bowels, no swelling of feet, hands and legs, and many other symptoms of disease of the Kidneys, Liver or Bladder.

So You see, I owe my Life to me In Dr. Kennedy's Favorite Remedy.

Who would begrudge the cost of this medicine (One Dollar a bottle) for such a blessing, or refuse this simple though sincere token of gratitude, for being perfectly cured? I owe everything to Dr. David Kennedy's Favorite Remedy of Rondout, N. Y., and hope my writing this will induce others to use the medicine who suffer from a Kidney or Blood disorder. But my recovery was not more remarkable than that of my son George, who when a boy fell from a fence, bruising his leg, which was followed by disease of the bone. Large pieces were removed by surgical operations. His

Blood Was Impure,

and the future to him was dark and gloomy, expecting to be a helpless cripple for life. He was induced to try Dr. Kennedy's Favorite Remedy, made at Rondout, N. Y., and as sure as I am writing this grateful acknowledgement his leg is entirely healed up. He now works with me, doing a good man's work. He owes everything to

Dr. Prentice,

Recently from London, Eng.,

Whose unequaled success in the treatment of

EYE, EAR AND CATARRH

Astonishes Everyone,

Has been induced to again postpone his departure until

Sept. 1st.

The following are a few of the many cases of cross eyes Dr. Prentice has straightened in this city in less than one minute:

Geo. A. Smith, Salt Lake City.
Susie M. Shettler, Salt Lake City.
Frank J. Hocking, Salt Lake City.
Florence Peppers, Salt Lake City.
Lester Riggs, Salt Lake City.
Sarah Wilder, Salt Lake City.
Joseph McRae, Salt Lake City.
David M. Cambell, Providence, Cache County.
Catherine Bivens, eye turned outward.
P. Pugsley's grandson, totally deaf in one ear, restored to hearing, and many others.

PILES.

Piles are almost instantly and painlessly cured by Dr. Prentice, and the cause forever removed.

I have been afflicted with Hemorrhoids (or Bleeding Piles) for the past twenty-five years. For several weeks past the pain has been so intense that I was forced to quit work. I found no relief either day or night, and was frequently compelled to walk the floor all night long, as it was impossible for me to sleep. In this condition I called on Dr. Prentice at the Continental Hotel, who, after a painless operation of less than one minute, relieved me from all pain, and I have been able to sleep and rest well ever since.

I consider myself perfectly cured, and unsolicited offer this testimonial for the benefit of those who may be similarly afflicted. HENRY GREGORY, 149 N. West Temple Street.

Dr. Prentice can be found at the Continental Hotel, Salt Lake City, until

SEPT. 1st.

MADE HANDSOME.

Mr. B. H. Shettler, of Zion's Savings Bank, has a bright and intelligent little daughter nearly nine years old, that she has suffered the unfortunate disfigurement all her life of being badly cross-eyed. Susie M. Shettler's parents were very loath to trust any one to operate on her eyes. But they had faith enough to trust Dr. Prentice, and he has made the eyes perfectly straight, which was done in less than a minute, and Susie Shettler is now a handsome little girl, while her parents are well pleased.

JUDGE CARLTON'S LETTER.

SALT LAKE CITY, August 7, 1888.

Dear Doctor:—Before leaving for the east I wish to express my appreciation of your treatment of a complicated case of the eyes. I have tried for several years to get far-seeing glasses, and I had concluded that I could get none that would be of any benefit to me. But after I saw the wonderful benefit of your system, I take pleasure in saying that the glasses furnished by you have restored my vision both for reading and far-seeing to the same condition as in my boyhood. I resolved to have you furnish me glasses after I witnessed your system on a beautiful young lady of sixteen years, from Summit County, afflicted with a complicated condition of the eyesight. She told me she had never been able to distinguish one's face at a distance of six feet. With Dr. Prentice's glasses she could see as well as any one. As she looked up and down the street, and for the first time in her life saw the distant mountain tops, she was greatly delighted, and inquired with childish simplicity, "Do other people see this way?" It seemed that a new world was opened to her view, so novel and beautiful as "Eden's rosy bowers," appeared to our first parents.

Yours truly,
C. B. CARLTON, Chairman Utah Commission.

HOME.

A man can build a mansion,
And furnish it throughout;
A man can build a palace,
With lofty walls and stout;
A man can build a temple,
With high and spacious dome;
But no man in the world can build
That precious thing called Home.

So 'tis a happy faculty
Of women far and wide
To turn a cot or palace
Into something else beside,
Whe e brothers, sons and husbands, tired
With willing footsteps come,
A place of rest, where love abounds,
A perfect kingdom, Home.

SUNDAY DISPATCHES

Liquor Dealers of St. Louis Organize to Fight the Whisky Trust.

Fears of an Indian Attack on Tongue and Powder Rivers.

The Rawlins Posse is Hot on the Trail of the Union Pacific Robbers.

Congressman Matteson, of Indiana, Displays Unusual Conscientiousness.

By Telegraph to the NEWS.]

Successful Conference.

STOCKHOLM, Aug. 19.—The World's Conference of the Young Men's Christian Association closed today. It has been a most successful one, and will greatly advance the cause, especially on the continent.

To Fight the Whisky Trust.

ST. LOUIS, Aug. 19.—Twenty-four wholesale liquor dealers of St. Louis have formed a corporation to build a gigantic distillery in this city. The purpose of the organization is to directly oppose the whisky trust, which has put the price of high wines at a figure which the organization claims altogether too high in comparison with distilled goods.

Cattle Tax Difficulty Settled.

ST. LOUIS, Aug. 19.—Information comes from Indian Territory that the tribal stock tax difficulty which has caused so much trouble has been settled. Commissioner Breglove decided, at Fort Smith, that the Chickasaw Nation had no jurisdiction over people or property of non-citizens, and therefore no right to collect a cattle tax of $1 per head from them.

Will Ask for a Subscription.

NEW YORK, Aug. 19.—The Central Labor Union meeting today decided in the cases of two girls discharged by their employers because of their testimony before the emigration investigating committee to ask Mayor Hewitt to take up a subscription for them, as he did for Hartt, the victim of labor organizations.

Congressional Programme.

WASHINGTON, Aug. 19.—It is probable that the fisheries debate in the Senate will be suspended on Monday for the presentation of the conference report on the navy appropriation bill. When the treaty is disposed of it is to be followed by the Washington Territory bill, which has been for some time, unfinished business on the legislative calendar. Bills to admit North Dakota and Montana are next on the republican programme. During the week Senator Wilson will seek an opportunity to speak on the Jackson, Mississippi, election riots, and Senator Chandler will make a speech on the Louisiana election.

A Conscientious Congressman.

WASHINGTON, Aug. 19.—Congressman Matteson of Indiana, has declined to accept a silver service presented to to him yesterday by employes of the government printing office, on the ground that it is not proper for him to accept any reward for the performance of a duty imposed on him as a member of Congress, and that it would set a very bad precedent.

The attendance of members in the House has fallen off to a point where a quorum can be obtained only with difficulty, and a single objection is usually sufficient to defeat legislation. For this reason little can be done this week beyond disposing of appropriation bills. The effort to pass the general deficiency appropriation bill will be renewed tomorrow or Tuesday. Conference reports on the army and navy appropriation bills are also ready for action, and they will be followed by a conference report on the sundry civil appropriation bill.

Not Epidemic.

JACKSONVILLE, Fla., Aug. 19.—Five new cases of yellow fever were reported today and one death, William Adams, at Sand Hills. All new cases are traceable to two known foci of infection, showing the disease is not epidemic.

Parnell Innocent.

DUBLIN, Aug 19.—*Freeman's Journal* gives prominence to an authorized paragraph declaring Parnell is able to make the clearest case of disproof of the charge that he was the author of the *Times* letters by a chain of evidence most perfect in its character. The *Journal* has opened the defense fund with a subscription of £500. Archbishop Walsh, with a similar subscription, sends a warm letter endorsing Parnell's action.

An Indian Alarm.

PINE RIDGE AGENCY, Dak., Aug. 19.—There was a great commotion here yesterday, when it was learned a large band of Sioux had gone to the Cheyenne country on Tongue River in defiance of the objections of Agen Gallagher. They claim to be going to a sun-dance, but it is feared they have more serious intentions. They have often threatened to join the Cheyennes and murder unprotected whites along Tongue and Powder rivers. Col. Dudley at Fort Custer has been ordered to send out troops to intercept them and two companies of the First Cavalry started in pursuit this afternoon. It is believed a bloody battle will be fought before the Sioux are taken back to their reservation.

A White-Cap Reign of Terror.

CHICAGO, August 9.—A dispatch from Indianapolis says Attorney-General Michener, who had been investigating "White Cap" outrages in the southern portion of the state, is preparing a strong report to the governor. To a reporter he said he had found things in some localities worse than anticipated. Not nearly all the outrages have been made public, simply because of fear on the part of all classes of people that they might be visited. Even the press of that section is muzzled by the organization, and publishes its warning notices whenever so ordered. It is thought rigorous measures will be recommended by the attorney-general to the governor.

After the Train Robbers.

RAWLINS, Wyo., Aug. 19.—The latest dispatch from the train robbers is that they are fifteen miles north of Medicine Bow river, having crossed Cottonwood Ford. They are aiming for Shirley Basin and surrounding timbered mountains. The Rawlins posse is twelve miles behind and hot on the trail. If the robbers get into Shirley Basin their capture will be almost impossible. A reward of $1000 has been offered by the Union Pacific for each robber, dead or alive. The probabilities are if caught they will be lynched.

Constantinople, Aug. 19.—Mahmoud Pasha, ex-minister of finance is accused of embezzling 15,000 pounds. An inquiry will be held immediately.

Beauty.

Is desired and admired by all. Among the things which may best be done to enhance personal beauty is the daily use of Ayer's Hair Vigor. No matter what the color of the hair, this preparation gives it a lustre and pliancy that adds greatly to its charm. Should the hair be thin, harsh, dry, or turning gray,

Ayer's Hair Vigor will restore the color, bring out a new growth, and render the old soft and shiny. For keeping the scalp clean, cool, and healthy, there is no better preparation in the market.

"I am free to confess that a trial of Ayer's Hair Vigor has convinced me that it is a genuine article. Its use has not only caused the hair of my wife and daughter to be

Abundant and Glossy,

but it has given my rather stunted mustache a respectable length and appearance."—R. Britton, Oakland, Ohio.

"My hair was coming out (without any assistance from my wife, either). I tried Ayer's Hair Vigor, using only one bottle, and I now have as fine a head of hair as any one could wish for."—R. T. Schmittou, Dickson, Tenn.

"I have used Ayer's Hair Vigor in my family for a number of years, and regard it as the best hair preparation I know of. It keeps the scalp clean, the hair soft and lively, and preserves the original color. My wife has used it for a long time with most satisfactory results."—Benjamin M. Johnson, M. D., Thomas Hill, Mo.

"My hair was becoming harsh and dry, but after using half a bottle of Ayer's Hair Vigor it grew black and glossy. I cannot express the joy and gratitude I feel."—Mabel C. Hardy, Delavan, Ill.

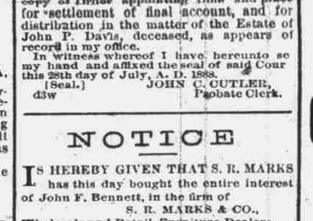
THE PATENT

Wire Gauze Oven Door

IS THE LATEST IMPROVEMENT ON THE



It Produces Practical Results in Baking and Roasting never before attained in any Cooking Apparatus, and will

Revolutionize the Present Methods of Cooking

ITS THEORY

Is that all Food Bakerd or Cooked, should be cooked in fresh air freely admitted to the oven. This is done by discarding the close oven door heretofore used, and substituting for it a door containing a sheet of Wire Gauze nearly as large as the door itself.

Through this Gauze Door the air freely circulates, facilitating the process of cooking, and producing food that is unequalled in flavor and nutrition, and actually cooked with less consumption of fuel than in an oven with a closed door.

It makes an enormous saving in the weight of meat.

It also produces larger Loaves of Bread, requires less attention from the cook, and promotes the health of the family by the SUPERIOR QUALITY OF THE FOOD COOKED IN IT.

OPINION OF AN EXPERT.

MRS. MARY B. WELCH, Teacher Domestic Economy, Iowa State University, says: "My deliberate judgment is that the oven of the Range, as compared with others, is not only more equally heated in every part—front and rear—but as a result of its superior ventilation the food placed therein is better cooked, while retaining a sweeter flavor, and a larger proportion of its best juices. I find, also the consumption of fuel in this Range is much less than any other for same work."
