HOSIERY.

This stock is now complete, with full lines of Cotton and Woollen Hose and Half Hose, Shirts and Drawers, Cardigans, Hoods, Nubias, Scarfs, etc.

OUR LINE OF

SOMETIMES there is a degree of convenience in people generally purchasing things on credit, but there is always a great deal of inconvenience about it, and not unfrequently it entails much trouble and considerable injustice. The short time, does not seem to us to be commendable, but we believe it is conducent of much anxiety, privation, suffering, and injustice, Mr. Haskell, chairman of the dem-

will proceed to show. 1. It is a delusion to think that men who lend their capital, for in other words give credit, do not do it with the express view of being paid therefor, over and above the actual value of the goods consideration, for the use of the capital lent, the purchaser has to pary, either directly in the shape of interest, or indirectly in the shape of fenhanced prices on the goods so of enhanced prices on the goods so of the county commissioners and in that city. Hardly a democrat purchased. Thus, in one way or those of the inspectors or man- can be found about here who pro other, the purchaser pays more to agers of the alaction. It appears mises to submit to Hayes' in augur goods bought on credit than he examining the returns they comparwould for goods bought for ready ed those of the commissioners with

pay. In some instances the use of the managers', but finding it was gooverbalance the enhanced prices went, however, the discrepancies ces this is not the case, or, if it is, the purchaser is not able to pay for the increased convenience so obtained, and therefore is not morally warranted in increasing the obligation, and he and his family, for their when they did so it would be time present gratification, suffer after- enough for counsel to object to the ward in consequence.

2. It is a delusion to think that paying in the future is actually ensier than paying in the present. Objection. In answer to an in-quiry, the Court was informed that the board had not completed the examination of the returns for after the 5th of March next, and As a rule, to pay as you go is the members of the legislature and even longer if its successors in office could, therefore, only make a after that day do not order other partial report. chase anything you cannot pay the nature and intent of the order for, and if you purchase on credit issued by the court on the 17th inyou will be likely to buy things stant, the coart finally decided to an adjournment till to-morrow at an adjournment till to-morrow at steps been taken, that orders which time all the steps been taken, that orders which to the steps been taken, that orders which the steps been taken, the steps been taken, that orders which the steps been taken, the steps been taken ta you really cannot afford, and when, one o'clock, by which time all the the time of payment does come returns will have been canvassed generally it is just as hard to find by the board and they will be prethe pay as it was when you bought the goods, and the higher price and the interest on the price make it opinion, counsel had mistaken the still harder.

3. When you feel tempted to pur-chase things on credit, before you do purchase set upon the set of the woold bring the whole record of the board do purchase, act upon the supposi- before the court. He did not think ment. That will open your eyes a powered to issue a certiorari, and
