## THEN YOU CAN EAT NEW BREAD

You Like it but Don't Dare Eat It For Fear of Indigestion or Other Stomach Distress.

### RID YOURSELF OF DREAD.

Begin Today to Eat Your Favorite Foods Without Dread of Stomach Misery—Diapiesin Will Take Care of Your Meals by Digesting Everything Perfectly.

You can eat anything your stomach craves without fear of a case of indigestion or dyspepsia, or that your food will ferment or sour on your stomach if you will take Diapiesin after eating.

Your meals will taste good, and nothing you eat will be digested; nothing can ferment or sour on your stomach or stomach gas, which causes belching, flatulence, a feeling of fullness after eating, Nausea, indigestion (like a lump of lead in stomach), Hiccups, Heartburn, Water brash, Pain in stomach and intestines or other symptoms.

Headaches from the stomach are absolutely unknown where this effective remedy is used. Diapiesin really does all the work of a healthy stomach. It digests your meals when your stomach can't. Each triangle will digest all the food you can eat and leave nothing to ferment or sour.

Get a large 50-cent case of Diapiesin from your druggist and start taking today and by tomorrow you will actually breathe about your healthy, strong stomach, for you then can eat anything and everything you want without the slightest discomfort or misery, and every particle of impurity and gas that is in your stomach and intestines is going to be carried away without the use of laxatives or any other assistance.

\$52.96 on hand. Seven cases of contagious diseases were reported. The half-monthly salary of Professor L. O. Steele, who left so unexpectedly, was ordered paid. Superintendent John M. Mills reported he had finished visiting the schools; that he had held a meeting of the principals during the week and also a meeting of the teachers. He recommended that the salary of T. P. Horne, teacher of history, economics and physics in the high school, be increased from \$50 to \$65 per month. The board acted favorably on the recommendation and dated the increase back to Feb. 1. The salary of Mrs. Lillian A. Farnsworth, who is filling the vacancy in the high school caused by the departure of Steele, was fixed at \$25 a week. The sum of \$125 was voted to hire the agency house to pay the expense of high school graduating exercises.

The committee on buildings and grounds was instructed to confer with the city in the matter of securing free

water for the schools. Architect Hodgson reported that the progress on the high school building was the best of any week since it was started.

**STREET RAILROAD WORK.**  
The Ogden Rapid Transit company is pushing with vigor its work of extending its lines. By Monday night the Twenty-fifth street extension of a block and a half will be finished as far as grading is concerned and will be ready for the immediate laying of the ties and rails. The poles and wires are already in place.

A force of 15 men are hard at work on the Five Points improvements. This lowering of the track is being done in anticipation of the Plain City extension and will eliminate a considerable grade at that point.

The canyon work is also progressing rapidly, a full force of men being employed on the various jobs. The blasting is not yet over, but the grade between the mouth of the canyon and Billy Wilson's place is rapidly bearing completion.

**WIDOW GETS DAMAGES.**  
Mary E. Neesley was paid \$8,869.95 by the Southern Pacific Railroad company yesterday. This is in satisfaction of a verdict rendered a year ago last February for \$8,000, with interest at 8 per cent from the time the verdict was rendered. The suit was for damages for the death of Mrs. Neesley's husband on the railroad.

An appeal was taken to the supreme court after the verdict was rendered in the district court and the case has been before the supreme court ever since. The verdict of the lower court was upheld a few days ago.

**PROFITS FROM LIGHT PLANT.**  
City Furnishes Lights at 10 Cents Per Month and Then Makes Money.

Special Correspondence.  
Logan, Cache Co., April 9.—The Logan City electric light committee has just completed its financial report for the year 1908 which shows that it is not only paying expenses with lights selling at 10¢ per 16-candle power, but that it is making money. This is gratifying to the persons directly responsible for the condition of the plant. The receipts for the year for heating, lighting and power amounted to \$24,522.97, and the disbursements amounted to \$22,622.47 thus leaving a balance in the treasury of \$1,900.50. It should be remembered that Logan furnishes light cheaper than any city in the Union. 10¢ per light per month and a person can burn the light continuously if he chooses.

At the regular meeting of the city council, Justice William Bringham was appointed special license collector for the city.

A number of reports were received and filed. The report of the city sexton showed that during the past three months there had been 25 deaths in the city. Marshal Peterson's report recorded 16 arrests. Justice Bringham reported that 94 persons had been brought

before him and all were convicted as charged. His report showed that he had collected in fines during the quarter, \$32.24.

The regular convention of the Religion classes of the Cache stake will be held at Nibley hall, April 11, at 2 p. m. Members of the Church board of education will be present to address officers and teachers.

Orin Hansen left yesterday for a mission to Scandinavia.

**Celebration Postponed.**  
At a committee meeting of the Boost-

ers' club this afternoon it was decided to postpone the celebration of Pioneer day from April 18 to May 2, in order to have time to prepare a fitting celebration. A further reason for the postponement is that many citizens hold that the latter date is the one on which the city was founded.

The regular bi-weekly meeting of the "Aggie" club of the A. C. was held yesterday. It was opened with a solo by M. J. Reid, followed by a debate upon the relative importance of agriculture and industry. Decision was referred to the club, which, on the whole, favored the industry side. After the business of the meeting had been taken up, it was announced that Dr. Thomas would talk on the commercial side of agriculture at the next meeting.

The B. Y. C. placed the second victory of the basketball season to its credit today by defeating Hyde Park, 9 to 5, in a hotly contested game.

Saltair tonight, train at 8.

**BRIGHAM CITY.**  
JUSTICES OF PEACE RESIGN.  
Fire in Mortenson Meat Shop—Burglars Sentenced.

Special Correspondence.  
Brigham City, April 9.—Monday morning the stock visited the Knudsen farm and left a fine baby boy with Mr. and Mrs. Jesse Knudsen.

Mr. William H. Rowe of this county has been appointed director general of Utah's exhibit at the Alaska-Yukon-Pacific exposition by Gov. Spry, and expects to leave for the north in a few days.

Bishop Lorenson N. Stoddard of the Third ward was again elected president of the board of trustees of the Agricultural college, a position he has held for the last two years.

Mr. Thomas Cottam of southern Utah and Miss Anna Larsen of the First ward of this city were married in Salt Lake temple last Wednesday.

Miss Phoebe Matheson and Miss Laura Matheson, two of Brigham City's lady

missionaries, returned home during the week well pleased with their missionary experiences.

**JUSTICES RESIGN.**  
There is not much doing in Justice's courts in Boxelder county, so at the meeting of the county commissioners last Monday, a number of justices of the peace sent in their resignations, among them being the following: J. P. Hansen of Manila, Philip Barker, Thomas Creek, and Albert E. Holmgren of Bear River City. Alfred Jensen was appointed to succeed Mr. Holmgren, and W. H. Caspell of Tremonton to succeed Mr. Johnson.

**FIRE IN MEAT MARKET.**  
The firemen were called out early Saturday to put out a blaze at the Ellis meat market, owned by N. C. Mortenson. Before the fire was subdued much damage was inflicted. This is the second fire for Mr. Mortenson during the last year. This fire was caused by the explosion of a gasolene stove. The building and contents were insured.

**ABHORR DAY PROGRAM.**  
Mayor Thomas H. Blackburn recommends that the people of Brigham City remember Arbor day, April 15, and carry out the suggestion of Gov. Spry in planting trees and beautifying their premises, and recommending that the stores close on that day and that all who can go to the high school campus and assist the workers in laying off the grounds and putting them into proper shape for a high school track and athletic field, do so.

**SENTENCED FOR BURGLARY.**  
In the district court last Saturday, Harry Brown and Will Reynolds pled guilty to the charge of burglary. Judge Maughan gave them one year each in the state prison. Deputy Sheriff Charles Wright took them to Salt Lake City last Wednesday.

**DEATH OF SAMUEL WARNER.**  
Mr. Samuel Warner of Willard, who has been ailing for some time with dropsy and heart trouble, was taken to the Brigham City hospital about two weeks ago. His condition, however, continued to grow worse until he passed away Thursday afternoon.

# NICK VACOS IS HELD FOR MURDER

Story of the Tragedy as Told at The Preliminary Hearing.

## CITY SCHOOL BOARD AFFAIRS

Business in the District Court—Activity on Street Railway Extensions—Widow Gets Damages.

Ogden, April 10.—The preliminary hearing of Nicholas Vacos, for the murder of John Contos on Saturday night last, was concluded last evening before Judge Murphy and the accused was held to the district court without bail to answer for murder in the first degree.

The county attorney conducted the examination of witnesses and J. P. Pichon acted as the Greek interpreter.

Gus Christensen was the first witness. He testified that Vacos told him Saturday afternoon about 4:30 o'clock that he intended to kill Contos, if Contos did not allow him to open his store on Monday morning.

Dr. H. B. Forbes stated that the body was found in death upon his arrival at the store. He also testified the manner in which the bullet passed through the body.

Thomas Traaschus gave a minute account of the events occurring immediately before the murder. He testified that he and Contos and Bookes were sitting in Contos' store, when Vacos entered, shaking hands with them. He appeared to be intoxicated, as he commenced telling of his friends, although he said he had no money. The murdered man and Vacos talked about the foreclosures of the fruit stand, and Contos said: "I have given you plenty of time, but you have not paid me a nickel. You ought to pay me." Vacos then asked how it was he owed only \$85, and that over \$200 had been charged against him. Contos told him it was legal expense, but that he would stand for that should Vacos pay the principal. Then Traaschus said Vacos got up from the stove where he had been sitting, and walked out to the door, peering up and down the street as if looking for some one. At that moment a customer entered the store, requesting that a bill be changed. As Mr. Contos was making the change, Vacos came back and drew his gun, firing the shot which resulted in the death of Contos. He also described Vacos' flight after the shooting. Bookes corroborated in every detail the evidence of Traaschus.

F. Cannon, O. O. Oldham and E. O. Elster were called, they telling that they heard the shot shortly before midnight, and that they had rushed to the scene and had seen the murderer fleeing down the street, although when called upon to identify Vacos, who stood up, they could not positively do so.

J. H. Conomos, Contos' partner in business, merely testified to incidents leading up to the crime, not having been present at the murder.

**DISTRICT COURT.**  
In the district court before Judge Morse, in the case of J. H. Kurtz vs. the Ogden Canyon Sanitarium, it was ordered that the sum of \$800 be paid to Charles H. Harton for services rendered as receiver, and \$300 to Richards, Davis & Boyd for legal services. The order provided that the money to pay these claims shall be taken from the proceeds of the sale of the Sanitarium two weeks ago. It exempts, however, the sum of \$2,000, obtained from the sale, which the court directs shall be paid to Rudolph Kuebler to reimburse him for services rendered in the premises.

The case of the state against Daniel McVey, charged with burglary, was called this morning, but was postponed until Monday morning on account of the disappearance of the principal witness for the prosecution.

**EASTER SERVICES.**  
All of the churches of the city have prepared special services for Easter Sunday. All churches have arranged special Easter music programs for morning, afternoon and evening services.

In the morning high mass will be observed at the St. Joseph's church, and for which will be special music. At the First Presbyterian, the First M. E. church, the Church of the Good Shepherd, the Congregational and the Baptist have planned elaborate services for the morning and afternoon.

At the Tabernacle at 2 p. m. Elder Heber J. Grant will be the speaker. The Tabernacle choir, under the direction of Prof. Joseph Ballantyne, will render special music.

**INCORRIGIBILITY CHARGED.**  
Before Judge Gunnell of the juvenile court late Friday afternoon, Thomas McCrory, charged with being incorrigible, was given a hearing and the passing of the sentence will be announced on Monday. It is very probable that the boy who is slightly delinquent, will be committed to the State Mental hospital at Provo.

**COUNTY TREASURER'S REPORT.**  
County Treasurer Chambers has completed his report for the quarter ending March 31, 1909, and the same will be presented to the county commissioners at their meeting next Monday. The report shows: Receipts and balance on hand, March 31, \$46,446.41; expenditures, \$25,777.41; balance on hand, March 31, \$20,669.00. Warrants outstanding, \$14,028.94. The report shows an increase in receipts over last year of \$4,100.

**SCHOOL BOARD AFFAIRS.**  
At the meeting of the city school board Arbor day and its proper observance by the school children was up for consideration when it was decided to leave the question of a school holiday to the decision of Superintendent M. Mills. The sentiment seems to favor closing the schools from Wednesday evening until Monday morning. This would add one week at the end of the school year. The day will be generally observed by the schools.

The finance committee reported \$119.

water for the schools. Architect Hodgson reported that the progress on the high school building was the best of any week since it was started.
