It is indeed a high compliment they pay to the machines add by us, when they can find no defects to tak about, but a very poor compliment to their own machines when they have to lie about others in order to sell their own. It would be well for intending purchasers to be careful how they trade with those who sitempt to deceive them. We still have the celebrated Deering All Steel Binders and New Deering Mowers for sale, and will sell them as kow or lower than other machines in the market. ATHEISTICAL TENDENCY.

The world is fast becoming nonreligious, and Atheism is finding an entrance into many hearts. The peoentrance into many hearts. The peo-ple today are commencing to reason as the Epicureans and Academics did in Christ's day. The former maintained that "the world arose from chance; that the sonl was mortal; that pleasure was the ultimate end of man, and that virtue was neither worthy of esteem or choice." The latter asserted the impossibility of arriving at truth, and held it uncertain." Just so today, the held it uncertain." Just so today, the world is distracted about religion, not for the lack of it byt at its amount, and LAST Thursday evening Mr. Frank A.
