Beet digging will be suspended about a week, on account of the accident. The infant child of J. D. Nuttall, which was burned so frightfully by sit-ting down in a pot of boiling jelly, is said to be slowly improving.

If the coal famine continues until cold weather begins there will be great deal of suffering for want of fuet as very few of the people are supplied. Threshing is still going on, and will continue for three or four weeks to

SAD GUN ACCIDENT. Benjamin Robinson Fatally Injured

While Handling Shotgun.

Special Correspondence,

Fillmore, Millard Co., Utah, Oct. 1 -A fatal shooting accident occurred acre Friday evening. Benjamin Rob-ison, son of of the late B, H, Robison, ison, son of of the late B, H, Robison, and Susanna T. Robison, was at his mother's residence and while in the act of taking a shotgun from a buggy it was accidentally discharged and the entire contents passed into the lower part of his body and he died in about three hours.

three hours. Funeral, was held in the Central schoolhouse yesterday, the large audi-torium being crowded with relatives and friends. The speakers were B. S. Hinckley, President T. C. Callister and Bishop C. Anderson, all of whom bore testimony to the pure life of the de-ceased and of his untiring care and support of his widowed mother. He was 32 years old and had made all the was 32 years old and had made all the preliminary arrangements to be mar-ried to a Miss Farnsworth of Beaver Utah, who is prostrated by his sudden death.

NOTHING TO FEAR.

NOTHING TO FEAR. The question of injurious substances in medicines which has been agitating the minds of many people, does not concern those who use Chamberlain's Cough Rem-edy. Mothers need have no hesitancy in continuing to give it to their little ones, as it contains absolutely nothing injuri-ous. This remedy is not only perfectly safe to give small children, but is a medi-cine of great worth and merit. It has a worldwide reputation for its cures of coughs, colds and croup and can always be relied upon. For sale by all druggists.

The vegetables that go into MOUNT'S pickle stuffs were grown for the purpose on the best farms in Utab.

CONTAGIOUS BLOOD POISO THE WORST DISEASE IN THE WORLD

Contagious Blood Poison is the worst disease in the world; not only those who contract it suffer, but the awful taint is often transmitted to innocent offspring whose lives are blighted and bodies diseased because the virus of Contagious Blood Poison has been allowed to remain in the family

blood. The first sign of this disease is usually a little pimple or blister, by using a towel used by some infacted person and had every sym, tom of the vile disorder. Itried every thang I heard of but he disease got worse until I heard of S. S. which I commenced, and con-tinued the treatment until was entirely the limbs, back and breast; and as the blood, sores and ulcers form and if blood, sores and ulcers form and if the frouble is not checked the finger nails dron of and the soft hones

The velocity became so great that a number of large cast iron pulleys were City broken in pieces. Large pieces of iron were thrown in every direction, some of them passing through two cement floors and damaging things in general

ed knocked things right and left, and the large engine is almost a total wreck. One engineer was thrown vilently to the floor, but received no se

rious injury, and strange to say, al-though the men were working around in the factory no one else received a

peropriated for repairs to the city jail, petition was received requesting the loval of the signboard at Twentysixth street and Wall avenue on the ground that it is a nuisance, and the atter was referred to the city attor-y for a legal opinion as to the counthe authority. The resolution was dopted providing against the blocking of railroad crossings for more than five minutes at any one time. It was or-dered that an addition of eight acres e added to the city cemetery.

WEBER COUNTY AFFAIRS.

Frank Hendershot Made a Deputy Clerk-Trout Fry for Ogden River.

Ogden. Oct. 2 .- On recommendation Orden. Oct. 2.—On recommendation of County Clerk Mattson the vacancy in his office force was filled by the appointment of Frank Hendershot. The county commissioners at their meeting yesterday confirmed the ap-pointment. He takes the place for-merly fitted by his sister, who resigned two weeks ago to go east to study. I. L. Clark appeared before the beard and asked permission to use the county road along the west of the courthouse to get to the rear of his store. The request was granted at a nominal annual rental.

Commissioner Wilson reported hav-ing received a shipment of 100,000 tiout fry from the state hatchery which he had planted in the head waters of the Ogden river. He also reported that the repairs of Ogden canyon road are being made as fast as possible with the little help obtain-able.

Arrangements for the pesthouse site are been completed and a building III be built as soon as possible. A unber of other road matters were onsidered.

REPUBLICAN CAUCUS.

REPUBLICAN CAUCUS. The candidates on the Republican licket after caucusing together last evening for over two hours, adjourn-ed to meet some other time to try and agree on who they want for chair-man, secretary and central committee. After the meeting they stated there was nothing to give out to the public. The purpose of the meeting, it is un-derstood, was to select the campaign officers, but as they were not united in their deliberations they will have to meet again to make a decision.

meet again to make a decision. HUNTER LOSES FINGER.

HUNTER LOSES FINGER. While out duck hunting yesterday ditemoon Frank Eggington, son of Dr. Renjamih Eggington, met with a pain-ul injury by the accidental discharge of a shot gun. The young man with the swent out to the swamps near the for Springs hunting ducks, and while wading through a swamp he disgue the swamp and be the start of the end of the forefinger on his left hand. He came to Ogden is quickly as possible and went to the office of Drs. Rich and Osgood and there had the injury dressed. BOWLING LEAGUE FOR OCIDEN

PROVO CITY COUNCIL.

The council, at the close of the reg-ular business, last night, discussed the light question at great length, discussed the closed doors, the advantage and dis-advantages of the terms on which the electric company proposes to sell the distribution system being quite thoroughly gone over, as was also the im-portance and necessity for doing some-thing to secure lights for the streets. It was finally decided that the mayor and the city attorney (and members of the council if this was thought nec-essary by the mayor) should have another meeting with Mr. Nunn, to see what arrangements can be made for

what arrangements can be made for lighting the streets. A letter was received from Julius Goldzier of Chicago asking that a resolution be passed favoring the es-tablishment of postal savings banks. Councilman Bott moved that the reso-lution be passed. On motion of Coun-cilman Miller the motion was tabled. Bail Commissioner Henry reported \$97.50 forfeited bails for the quarter ending Sept. 30.

Mr. Anderson was born sept. 19, 1840, at Slageler, Denmark: was baptized into the Church Oct. 15, 1862, and emi-grated to Utah in 1866, residing the greater portion of the time since that date in American Fork. For a number of years he followed the avocation of carpenter and has been the city undercarpenter and has been the city under-taker. In this calling he endeared him-self to all people he came in contact with. When the Alpine stake was or-ganized he was chosen as first high councilor; he also filled a successful mission in his native land. He was an ardent Latter-day Saint, proving his faith by his works. He is the father of 11 children, seven of whom have pre-ceded him to the great beyond.
