There is a remedy for dyspepsia, and only one, recommended and endorsed generally by physicians: Stuart's Dys-pepsia Tablets have stood the test of years of use by millions of sufferers, have been subjected to governmental analyses in Europe and America and alone have been found to contain the elements which Nature has put into the stomach for digestion--pepsin, di-astase and other ferments. Stuart's dyspepsia Tablets relieve the stomach and bowels in a perfectly natural way by helping them do their work. If the stomach is weak in gas-tic juice, Stuart's Tablets make ap the deficiency.
