RECORD CROWD ATTENDS.

Sam G. Clips Half a Second from Half | Mathewson May Pitch-Yesterday Mile Record-Horses in Good Form.

Good races, fast time, one record broken and a record attendance were features at yesterday afternoon's racing program at the state fair track, and those who patronized the course had no reason to regret it so far as the racing went.

The grandstand was packed to its capacity and there was not a foot of available room in the betting ring. The fences were lined by eager race fans and scores were there in carriages and automobiles. The scene was a brilliant one, and it is claimed that the attendance was the greatest ever seen at a Utah race track. It is estimated that between 15,000 and 20,000 persons saw the

The track was in excellent condition and everything seemed lavorable for a good day's sport. The running races proved more popular than the namess events.

TROUBLES OF MAYFLOWER.

America's Old Cup Defender Strikes A Big Hurricane.

A Big Hurricane.

New York, Oct. 7.—America's old cup defender, the Mayflower, came to grief in a hurricane last Saturday 300 miles off the Florida coast while on her way with her crew of Harvard students to search for a fabled galleon sunk off the coast of Jamaica with rich treasure in her hold. The news was brought today when the steamer Advance arrived from the south. Capt. Hummel says he sighted the Mayflower dismasted and flying signals of distress. The Advance was unable to launch a boat and later when another steamer came along and stood by the Mayflower and the Advance proceeded. Capt. Hummel says he saw five men aboard the Mayflower. In the company organized for the Mayflower's expedition were Gordon Brown. captain of the Yale football eleven of 1900, and Roger Debery. V. Harrison, Guy Scull, L. Corbett, R. Leayeroft and Matsukata, said to be the son of a former high official of the Japanese government. Secrecy was maintained as to what members of the company salled on the Mayflower, but Gordon Brown was said not to be among the number.

Indoor Sport This Winter.

Coach Marshall of the L. D. S. U. is getting ready for the great indoor sport, baskethall, and devotees of the game will have plenty of their favorite amusement this winter. The coach has a number of recruits, and is confident of putting a first class team in the field. Of last year's team only Lund. Show and Miller have returned to school, but with so much good material to choose from there is little fear that this year's team will not be up to the standard. Arrangements are being made for games and the L. D. S. U. team will be kept busy during the season.

### PLAY TIE GAME IN GOTHAM TODAY

Of Baseball Set for This Afternoon.

GIANTS BELIEVED STEADY

Saw Bean Eaters Get Walloped by New Yorkers.

New York, Oct. 7 .- With the Chicago baseball team speeding to New York on the Twentieth Century limited; with the local team rejuvenated by relief from the haunting fear of the past few days that some mischance night lose them one of the Boston series and lead to a possible triple tie; with a deluge of telegraphic and telephonic requests for reservations pouring into headquarters and with every basecall enthusiast in the land almost at the limit of nerve tension, it is clear that the stage is being fittingly set for what is undoubtedly to be the most dramatic baseball event in the history of the game. The National league pennant, fought for as probably never before, belongs to tomorrows winners at the Polo grounds. Today's attendance at the Polo grounds was not more than the average, the other throngs of the game's followers being confident evidently that New York would not fail when so near the goal. After the short fright in the opening inning, which gave Boston two runs and New York none, it was evident that the home players have strong control of themselves, and are in every way fit and confident. Ames pitched, despite Mathewson's pleading with McGraw before the game that he be allowed to go into the box both today and tomorrow. Mathewson will undoubtedly be in the box tomorrow. The only feature of today's game, which New York won handlly by the score of 7 to 2, was McCormick's remarkable catch of a long fly for which he had to reach far out over a bleacher fence. event in the history of the game. Sores and Ulcers are indications of impure blood. They show that the circulation has become infected with germs and poisons, which are being constantly discharged into the open place to irritate the delicate nerves, tissues and surrounding flesh and keep the sore in a state of inflammation and disease. Whether these impurities in the blood are the result of some debilitating sickness, an old taint from a former disease, or whether it is hereditary bad blood, there is but one way to cure sores and ulcers, and that is to purify the blood. Washes, salves, lotions, etc., are often beneficial because of their cleansing, antiseptic effects, but nothing applied to the surface can reach the blood, where the real cause is, and therefore cannot S. S. S. is the remedy for sores and ulcers of every kind. It gets down to the very bottom of the trouble and removes every trace of impurity or poison, and makes a lasting cure. S. S. enanges the quality of the circulation, so that instead of feeding the diseased parts with impurities, it nourishes and heals the irritated, inflamed flesh and causes the ulcer to fill in with healthy tissue by supplying it with pure, rich blood.
