## Congratulations.

Mr. John H. Cullom, Editor of the Garland, Texas, News, has written a letter of congratulations to the manufacturers of Chamberlain's Cough Remedy as follows: "Sixteen years ago when our first child was a baby he was subject to croup spells and he would be very uneasy about him. We began using Chamberlain's Cough Remedy in 1887, and finding it such a reliable remedy for colds and croup, we have never been without it in the house since that time. We have five children and have given it to all of them with good results. One good feature of this remedy is that it is not disagreeable to take and our babies really like it. Another is that it is not dangerous, and there is no risk from giving an overdose. I congratulate you upon the success of your remedy." For sale by all Druggists.

## A QUICK JUDGMENT.

Citizens' Coal Company Will Pay \$400 in Personal Injury Case.

Judgment by confession was entered in favor of plaintiff in the case of Nelson Pitts, by James Pitts, her guardian, against the Citizens' Coal company and James N. Ridd yesterday afternoon by Judge Lewis for the sum of \$400. The complaint was filed in the clerk's office just a few minutes before the judgment was rendered by the court. The action was brought to recover damages for personal injuries received by the young girl by being crushed beneath a wagon of defendant company on West Temple street, on Nov. 27, 1903. Defendants refused to acknowledge any liability for the accident but consented to the judgment to help bear the expense to which plaintiff was put because of her injuries.

## BURGLAR FLEW.

While E. G. Dunn Nearly Breaks Neck in Getting a Shot at Him.

Ed G. Dunn, 41 North State street, undertook to catch a burglar last night—he nearly caught pneumonia. It appears that Mr. Dunn noticed a couple of suspicious looking characters loitering across the street. He kept watch upon them with the result that they patrolled up and down for over an hour and he ultimately got tired and went to bed. Just as he was dropping off to sleep he heard the regulation "stealthy step" on the porch. To spring from his chair and rush to the window was the work of a moment. One man was patrolling the street, the other, presumably was trying to force the front door, judging from the noise. Then it was that Dunn seized his trusty revolver and clad only in his kaledioscopic pajamas and intrepid courage raised the window and emerged upon the roof of the porch. Dunn nearly broke his neck trying to get a shot at the fellow, while the latter carried away a section of the picket fence in his endeavor to race his comrade to the lair. There were no arrests, no casualties and no burglary. The boys at the United States land office affirm it was the cat.

## A THRIFTY TRAPPER.

He is Working a Double Graft. Game in Animal Snare Line.

A letter was received by County Clerk James yesterday afternoon from County Clerk Ajax, of Tooele county, warning him to look out for a certain trapper who is supposed to be on his way here with a large assortment of lion, bear and coyote hides for the purpose of securing "double" bounty on them. Clerk Ajax says that the man has received his bounty certificates on the hides in Tooele county. It is said that he has boasted that he could plug the punch marks in the ears, which the law requires the clerk to make when a hide is presented for bounty, so that a person could not tell that they had ever been punched. By such tactics he hopes to receive double bounty on all his hides. County Clerk James will be prepared for the man should he present his hides here and will see to it that the state does not pay him double bounty.

A man answering the description of the party referred to in County Clerk Ajax's communication, called at the office of County Clerk James this morning and presented 35 coyote hides for bounty certificates. The clerk and several of his deputies examined the hides thoroughly, but could find no evidence of the ears having been punched before, so the man received his certificate. Under a question by the clerk he stated that he came from Juab county and did not come from Tooele at all.

## EARLY SETTLER DEAD.

Mrs. Eliza Louisa Cox Called to Join The Great Majority.

Mrs. Eliza Louisa Cox, wife of Edward Cox, and a resident of this city for over 47 years, died at 3:30 this morning at the family residence, rear of 41 north First West street, of general debility caused by 73 years, 2 months and 11 days. The deceased had been in poor health for over a year, but her condition was not considered critical until three weeks ago, when she took a sudden turn for the worse and continued to grow weaker until death relieved her of her sufferings. Mrs. Cox was born in Bristol, England, Nov. 2, 1830, and emigrated to Utah in 1856, crossing the plains with Edmund Ellsworth's handcart company. She endured all the trials and privations incident to the early settlement of these valleys, and was a faithful member of the Church, up to her dying day. She leaves a husband and one son, also a host of friends, to mourn her demise. The funeral will be held from the Nineteenth ward meetinghouse on Sunday at 12 o'clock, noon. Friends are invited. The remains will be interred at the family residence from 9:30 to 11 a. m. on that day.
