## Special Business Notices.

MEDICATED baths are expensive. Not so, however, GLENN'S SULPHUR SOAP, a cheap and efficient substitute, which answers the same purpose as far as local diseases of the skin, theumatism and gout are cond&w cerned.

Mechanical Tinkering Cannot arrest the decomposition of the teeth. Nothing will do this but that pure disinfectant and preservative which, under the name of SozoDont, has become a staple of the tollet throughout the d&w world. 15TELL

"A Square Meal,"

Ws are sure our readers will thank us for calling their attention to the very handsome advertise. ment of the Excelsior Manufacturing Co., of St. Louis, as it would be useless for us to try to say anything in favor of their great CHAR. TER OAK COOKING STOVE. The very word suggests the thoughts of a well cooked meal followed by easy digestion, vigorous health, and a desire to have and to do plenty of real work, to say nothing of the comfort of a happy, contented d165 1t household.

JOHN B. HASLAM announces that he wants to purchase 100,000 lbs. of good merchantable wool, for which he will pay money and cloth. Read the advt.

"My lord," began a pompous young bar-rister, "it is written in the book of na-ture-" "On what page, sh-on what page?" isterrupted the judge with pen in hand.

Sudden Death .- A young son of Brother Joseph Matthews, of the 19th Ward, was playing around, at noon yesterday, apparently in his usual health, and last hight he expired, said to be from croup.

A Remarkable Year .-- The year 1876, so far, will be somewhat remarkable, in Utah as well as elsewhere, on account of the unusually large number of casualties, fatal and otherwise, sudden deaths

and other matters of that nature. The "Herald."- The Salt Lake Herald of this morning announces its issue of to-day as the com-

of the late committee appointed to guiahed gathering. That the met-ropolls about be able to produce nearly five hundred riders at a ipal corporation, called at the City Hall and commenced to re-examine the city books, for the purpose, on tensibly at least, of correcting some of the blunders that appeared in

the recent cone-sided, partisan, grand Jury report. New, in view of the committee of which Mr. Pfoutz was a member, having reported to the grand jury, by which are 2,000 members of clubs in the body the report was accepted, and provinces, besides some 8,000 riders the same had also been submitted unattached to any organized soci-

the same had also been submitted to the court, and thereby having become a matter of court record, ters. Mr. Lewe's devotion to it is notorious; the Prince Imperial is connected as an honorary member how can that gentleman's action of yesterday be looked upon in any with the West Kent Bicycle Club, whilst the Earl of Lewes is Presiother light than that of an imperti-

nent obtrusion, he being, under the dent of the Tunbride-wells and Lord Gordon Grenville of the Pedircumstances, an unauthorized terboro Clubs. More convincing than anything else, however, as to the increasing practice of bicycle riding is the fact that the firm at person in the premises. He did, for some time, although

unauthorized, re-examins the Coventry, who are the principal manufacturers of the machine, are books, until stopped by the Mayor who informed him that there were turning out more than a hundred weekly. The improvements which no objections to the examination of have of late years been made on the original clumsy velocipede have naturally tended to increase its popthe books by the grand jury or a committee duly appeinted by that

body, but that an unauthorized ularity. There is no webbling and clattering as there used to be with person, who had already taken part in an examination of the acthe bygone iron-tired wooden counts and in the making of a parwheels, and the machine of to-day would be perfectly noiseless in its motion but for the little tinkling tisan report would not be permitted

bell which is introduced to inti In their anxiety to make the mate the approach of the bicyclist. report such a one as could be -Fx.

used for political effect, the com-

mittee far overshot the mark THE WEST VERY COMFORTABLE so that the veracity of the THANK YOU .- The west is really very sorry for the hard times we most easy impeachment, and is con- are suffering out here. As for herself she is very comfortable, thank sequently thoroughly unreliable. you. The panic at the east is felt only as a slight depression at the west, and the farmers are com-plaining far less of the hard times Seeing that the intent, misrepre sentations and blunders, intended or otherwise, of the report can at than they were in 1871 and 1872 once be seen through by all but the when out of their discontent and most impregnably prejudiced, it suffering the granger and cheap transportation movements arose. appears the committee want to correct their own blunders, or, in

Both of them have now pretty much died away, and the reason is that the condition of the people has improved. Why, indeed, other words, impeach the veracity of their own report, or, at least, a has improved. Why, indeed, member of the late committee seeks should the west complain? It raises to do so. This unauthorized act on grain, the east manufactures goods the part of Mr. Pfoutz is one of the and the trades between the two most powerful commentaries on articles. consist in the exchange of these The panic at the east has the report, showing conclusively lowered the price of the goods 25 its reliable character, being the per cent., while grain has remained about the same, and great railplainest and most unmistakable road competition wars have enabladmission that "it won't do to tie admission that "it won't do to tie to." In fact it is themext thing to a repudiation of the report, on the whole or in part.

Well, we are lazy in Norfolk, that's a fact. But there is no need of working here. If a main has energy enough to dig a worm he can take a pin-book and sit down on the wharf and catch fish enough in one day to last him two. If he is too lazy to dig a worm he can the a piece of flannel ray on a string and catch enough crabs to last him a day or two; und if he is too lazy to the a piece of flannel to a string, he lies down on his back on the sand at ebb tide, opens his mouth, and when the tide comes in the crabs run into it. What need is there for work in a cruntry for which Nature has done so much?-North Garoling Economist.

LYON'S KATHAIRON.

Lyon's Kathairon is an invigorsting tonic vegetable preparation, positively free from any mineral or deleterious substances. It is the most delightful of all hair dressing -cooling the head, allaying irritation, curing headache and throbbing temples, making the hair strong, fragrant, glossy and obedient to control, so cleanly to use that it will not soll the finest fabric, causing the bair to grow luxuriantly and beautifully, removing dandruff and pimples. No man or voman can become bald who will se the Lyon's Kathairon properly. dis eod
