MODERN MIRACLES.

THE subject of modern miracles being freely and widely discussed by the American press, having been brought into present notice by the candid admissions of Rev. Dr. Sterences at the new Catholic shrine in France, we will briefly recount the

claimed for the waters of the shrine at Lourdes are genuine or not, we have no means of determining satisfactorily. But we do know that of any miracle in any age or country, are far more consistent than the professors of religion, who admit the genuiness of Bible accounts of heal-

The Ute question promises to be-come prominent again. No less than three bills of various kinds referring to the controversy were in. troduced yesterday. It seems the Colorado people want to get rid of them altogether, and Senator Hill them altogether, and Senator Hill introduced a bill to give the Southern Uncompangre Utes land in Utah on the Uintah reservation instead of Colorado, as provided in the agree

In the House Belford introduced Chief Douglass was kept in the

The resolution in relation to Dou-

phen H. Tyng, jr., of New York, concerning the alleged miraculous healings at Lourdes. Lest our readers have not kept in memory the accounts which were given some time ago of the remarkable occurrences at the new Catholic shrine in and finally ascended on high, over-coming the force of gravitation by Sherman insisted if Ord went, Lourdes is a French town, with a power, Athusen in their spiritual to treat all alike, General Ord is the only brigadier named from the line. Among others reported are inspector-General March, Generals Meigs, and Rucker, from the quartermaster department, Gen Barnes, from the medical depart-Cof. Potter, who is in charge of the National Soldiers' Home. There are eleven in all, and there are ever twenty Colonels and Lieutenant-Colonels available for retirement un-

may be completed. The nomination of Gen. Miles as Brigadier to the vacancy in the line caused by the retirement of General woman dressed in a long white robe, parent departures from natural laws Ord was also sent. It is believed Miles will be sent temporarily to the command of the Department of the Pacific, made vacant by the retirement of Gen. McDowell. General Schoffeld would be eligible to a place but he asked for a year's leave of absence. It was announced on good authority yesterday, that General Seward is destined for West Peint, to relieve Schofield

Late last night, while an Archer Avenue street car fairly loaded with pas engers, was crossing the Lake Shore and Michigan Railway tracks at Clark Street, it was run into by given of greater proof. Next day a the Savior's promise, "When two or railway track some 30 feet south of stream of water trickled out of the three of you are agreed touching gers were injured. The driver had the car rails. Nine of the passer rock and has continued to flow ever anything, and ye ask it in my name, a leg broken and is also injured internal to the since, in considerable volume. The ye shall receive it." lady required that a shrine should It is sometimes said that the Lat. also dangerously hurt. The others are not in any danger. be built at the grotto, the young girl entered a convent, was greatly clusive right to the blessings that afflicted in body, and died in 1878, come from faith. This is a mistake, as known. Several were bruised having maintained her testimony or a wilful perversion. We make

Prosperous Illinois Railreads. The Railroad and Warehouse Commissioners of Illinois make a showing of astonishing prosperity in railroad business during 1880. Returns are complete except from the Baltimore and Ohio and St. Louis grimages from all parts of the conti-nent, and the cures announced are numerous and marvelous. Crutches, bandages, trusses and other discard- stopping of a falling substance. If The expenses were \$73,000,000, and are kept in an enclosure, as with not thoroughly comprehend, then There were 217 persons killed an 706 injured by the roads. The highest gross earning in any previous year was in 1879 when they were in the material world, in all nature, \$110,000,000, and in the same year the net earnings were \$47,000,000 Six of the roads carried over 9,000, 000 passengers in one year. Some of the roads doubled their net earn ngs over the preceding year.

NEW YORK, 8 .- The Herald's Washington special says: Secretary Sherman, in an interview on the proposed 3 per cent. bond said: "If this should be the ultimatum of Congress I will do my utmost to make it successful, and if the time ever was in this country to sell 3 bond even if the law gave me more
